BIKKUR CHOLIM SOCIETY DONATES

MENORAHS TO HOSPITALS

We are proud to announce that our Bikkur Cholim Society has donated close to 40 menorahs to be placed at each nursing station in Lenox Hill Hospital and in Memorial Hospital. These electric menorahs will be lit throughout the Chanukah festival and will serve as a symbol of warmth and light for the Jewish patients in the hospitals at this season of the year.

In addition, every one of the Jewish patients in these hospitals will be provided with a little Chanukah gift courtesy of the Bikkur Cholim Society. We are confident that this will hasten their refuah sh'leimah.

This entire project has been under the personal direction of our esteemed Trustee, Samuel Silverstein, who raised the necessary funds from generous members of the Congregation. Our gratitude to him and to all who participated in this great mitzvah.

HAPPY DAY FUND

The Sisterhood wishes to thank Mrs. Meyer Texon and Mrs. Nathan L. Zuckerbrot for their contributions to the Happy Day Fund. Contributions to this fund can be sent to Mrs. Nathan Goldsmith at 891 Park Avenue, New York, N.Y. 10021.

BIRTHS

Mazel tov to Mr. and Mrs. Arthur Friedland upon the birth of their grandson, Daniel Jacob, born to their children, Mr. and Mrs. Kenneth Friedland.

Mazel tov also to Rabbi and Mrs. Manfred Rechtschaffen upon the birth of their son, Andrew Victor.

We hope that both new arrivals will grow up in the tradition of Torah, Chupah and Ma'asim Tovim.

IN MEMORIAM

Molly Schwarzchild

We record with sorrow the passing of an exceptionally fine personality who resided in our community only briefly and whom, regrettably we never got to know fully.

Molly Schwarzchild was a very loving human being as a wife, mother, grandmother and friend of many. She impressed all with her warmth and her concern for other people.

An unusual daughter to her parents, she suffered the last years from difficult illness, but this did not prevent her from working as a volunteer in the hospital to help relieve the suffering and pain of others.

We extend our fullest sympathy to her husband and to all the members of the bereaved family.

CONTINUING EDUCATION QUESTIONNAIRE

In order to better serve the KJ/Ramaz community's educational needs during the Spring of 1978, we would appreciate it if you would set aside a brief moment to fill out the questionnaire appearing below. The responses will aid us in determining the course offerings that will be presented next term.
