NISAN 5685

BULLETIN
OF
Congregation
Kehilath Jeshurun

117 EAST 85TH STREET
NEW YORK CITY

..Greetings..

הנני שולח לכם מעמק לבי את ברכתי ברכת
חג בשר ושמה לנשואי ולחברי קהלתנו.

מי יתן והיה החג הזה האהרן בגולה ונוכח
כלנו להיות לשנח הבאה בירושלים.

מ. ז. מרגליות.

The year 5685 will go down in history as having brought great and happy events to our people. The dedication of the University of Jerusalem is without doubt the most glorious and outstanding event in our nigh 2,000 years of Goluth history. American Jewry can also point with pride at a revival in Jewish education and religion as displayed by the many activities in behalf of our growing generation and by the proposed magnificent, unprecedented Yeshiva College.

In this season and year of joy, let me extend to the officers, members and seat-holders of our Congregation a happy and joyous Passover. May our Congregation continue in its esteemed and honorable position as leader in all great and noble Jewish movements.

JOSEPH H. LOOKSTEIN.

I extend to all officers, directors and members of our Congregation with their families my greeting for a happy holiday. May this feast inspire us to greater activity for our Congregation and for Jewry.

JOSEPH POLSTEIN.

I use this occasion to wish all officers, directors and members of our synagogue a happy and joyous holiday. In our Congregation and outside of it let us do all to strengthen the cause of Judaism.

LOUIS ROBBINS.
