## Sisterhood Board Meeting

The first meeting of the Executive Board of the Sisterhood will be held on Monday, Sept. 13th, at 10:30 A.M., in the library of the synagogue. A number of important matters will come up for consideration at this meeting. Among them are the program of activities for the new season, the Ramaz Academy and of course, the decoration and provision of the synagogue succah. Mrs. Alpert, newly elected president of the Sisterhood, strongly requests all Board members to launch the Sisterhood year in the proper spirit by attending this first meeting.

## Welcome to Our Succah

A hearty invitation is extended to all our worshippers to partake of kiddush in the succah after each Service during the holiday. As in the past, the Sisterhood will act as hostesses. If we are to believe rumors, it appears that the succah will be more resplendent than ever this year in the special decorations that are being provided.

## Dr. Endreny Joins

The application for membership of Dr. Emil Endreny of 163 East 81st Street was just reported. Dr. Endreny has been a seatholder in the congregation for a number of years and we are happy to welcome him now into the active fellowship of our congregation.

## Tenth Anniversary Celebrants

We heartily congratulate Dr. and Mrs. Samuel Gross on their tenth wedding anniversary which they celebrated this week and we wish them ever increasing joy in the years to come.

## A Medico Returns

We welcome back Dr. Isidore Givner who has just returned from a visit to the Eye Hospitals in London and the Pasteur Institute in Paris. Dr. Givner who is an instructor in Ophthalmology at Bellevue Medical College and an associate at Columbia University, is one of the active younger members of the congregation.

## Special Notice to Worshippers And Would Be Worshippers

The regulation introduced this year by the Seat Committee that admission to High Holiday services will be by card only will continue in operation

for Yom Kippur as well. We therefore call the attention of those who were not with us on Rosh Hashana and plan to be with us for Yom Kippur to make reservation of seats by applying in the synagogue office. The office is open daily from 9 to 5. On Tuesday, Yom Kippur eve, the Seat Committee will be in session in the synagogue during the day to accommodate all who would make reservations.

## On Behalf of Mr. Adler

Mr. Adler received a special shipment of Esrogim and Lulovim from Palestine. Members and seatholders can be accommodated by applying to him in person or by telephone, SAcramento 2-7759. Mr. Adler can also arrange for the delivery of the finest brands of Palestine wines.

## Registration in Ramaz Academy Very Active

A number of children have already been enrolled in the kindergarten group of the Ramaz Academy. In fact so active has registration been in that particular group that the full quota is expected soon to be reached and will necessitate the formation of a second group.

Enrollments can still be made in the pre-kindergarten class for children from 4 to 5 and in the 1A class. Inquiries are coming into the synagogue office daily and wide interest is being shown in this neighborhood as well as in other neighborhoods in our Academy.

Parents who have children of early school age ought not to miss this opportunity of giving them a combined English and Hebrew education by a most competent staff of teachers, using the most effective methods known to modern pedagogy. Those interested should not delay and get in touch with the synagogue office or with Rabbi Lookstein.
