### Establishing Precedents

Kehilath Jeshurun in the functions which it has conducted in recent times, has established a precedent. Like an individual, a Congregation can acquire a reputation for success, for keeping promises, for making good. Our last affair was typical evidence of the reputation associated with Kehilath Jeshurun.

The precedent which we have established must be upheld in the future. In the functions and activities which our Synagogue undertakes, we must acquit ourselves creditably and successfully. Our past achievement must goad us on and be the incentive for future and greater attainment.

The Bazaar which is the next major activity begun by the Synagogue requires the active and sincere cooperation of every member. **Just one package from every member will make one successful bazaar.** Let us in this venture show that we not only establish precedents, but uphold them in every enterprise.

## Young People's League

Do **YOU** know about our Young People's League? It is a new organization member of the Kehilath Jeshurun Family. The group is comprised of girls (over 18) and young men (over 21). The primary purpose of the League is to create sociability and friendship among the orthodox young people of our neighborhood, and to give them the opportunity of meeting and knowing each other. The group will adopt as its special interest and project, the Ramaz Academy. At the bi-weekly meetings there will be interesting programs, forums, debates—followed by dancing and a social hour. Every consideration will be given so as to enable all eligible young folk to join the League and participate in its interesting sessions.

On Monday evening, Dec. 27th there will be a meeting in the Social Hall, beginning at 8:30. **YOU** are cordially urged to invite to this meeting any young folk who wish to meet and mingle with other fine young people. The League shall be happy to welcome them most heartily.

### Mazeltov to

**Mrs. Regina Margaretten**

Our heartiest congratulations and very best wishes are extended to Mrs. Regina Margaretten upon the occasion of her 75th birthday. The felicitations of the entire Congregation are extended to this noble woman who has so generously and faithfully served the Jewish cause. To her many undertakings, activities and efforts on behalf of our people, she has brought a charming dignity, a mellow wisdom and a richer and more profound understanding. Kehilath Jeshurun is happy to claim as one of its own, Mrs. Regina Margaretten, true "queen" of Jewish womanhood of today.

## When Does A Bazaar Begin?

Some people are under the impression that a Bazaar begins when the merchandise is presented for sale. This is a mistaken notion. A Bazaar begins a long time before the store opens its door and the signs on the window inscribe the announcement of the sale.

**The Bazaar of Kehilath Jeshurun is now going on!** The real work is being done now and the groundwork being laid quietly, persistently, effectively. Contacting the donors, soliciting contributions, collecting and gathering the merchandise—these are the most important elements of the Bazaar. And it is to this work that we urge YOUR assistance.

**We need merchandise**—any and all kinds—any shape, size or dimension—new merchandise, samples, seconds, discontinued or discarded numbers and lots—even damaged or used goods for the Rummage department. Everything can realize funds at the Bazaar.

Act immediately! Call the Synagogue office, Atwater 9-5760, without delay and we will be happy to call for any package or carton that you are gracious enough to contribute or obtain for THE SISTERHOOD BAZAAR.

## Children's Services

Children of all members are urged to attend the Special children's services Friday evening which are held in the Synagogue Chapel, conducted by Rabbi Lookstein, assisted by Mr. Adler. This feature of the Synagogue program is especially interesting and delightful to the little folk. The service, which includes prayers, congregational songs, the Rabbi's benediction and Kiddush, is inspiring and has a lasting effect upon the children. All boys and girls of the neighborhood are cordially invited to come at 4:30 Friday evening and parents are urged to encourage the children's attendance.

## Ramaz Academy Parent-Teacher Meeting

On Wednesday evening, January 5th, the Parent-Teacher Association of the Ramaz Academy will conduct a most interesting meeting in the Social Hall of the Synagogue. All fathers and mothers as well as interested friends are cordially invited to attend the meeting and join in the discussion, listen to the reports, and offer suggestions for the welfare of our institution. Set aside January 5th and remember to come.

## New Girl Scout Troop

News for junior girls! A Girl Scout Troop is being organized under the auspices of Kehilath Jeshurun for girls of 10-14 years. Miss Mildred Cohen, (better known as Mimi) the very charming and capable daughter of our own Mr. and Mrs. Jacob D. Cohen, who has had a great deal of experience in organizing and conducting young girls groups, has graciously accepted the leadership of the Troop. Nature Study, outdoor activities, dramatics and regular Scoutcraft will be part of the most constructive program.

In view of the fact that there is no public school next week, the first meeting has been called for Wednesday afternoon, Dec. 29th, at 2 P.M. The girls will meet in the social hall together with their leader and one of the executives from Headquarters. All girls of 10-14 are encouraged to come and shall be very happily received.

## Talmud Class

The Talmud Class meets in the Synagogue Library on Monday evenings at 8:30.
