Special Classes to Be Held This Week

MONDAY NIGHT: The Talmud class meets regularly Monday evening at 8:30.

TUESDAY NIGHT: The class in customs and ceremonies meets this Tuesday evening in the synagogue library at 8:30.

Important Meetings Held

An interesting and constructive Congregation Executive Board Meeting was conducted on Wednesday evening and a number of important matters discussed and acted upon.

The Parent-Teacher Association of the Ramaz Academy held its second meeting Wednesday evening in the synagogue Social Hall. The meeting was well attended and all present participated in the constructive discussions.

Please send all items of interest for publication in the Bulletin to Mrs. David Andron, editor, no later than Tuesday of each week.

On Membership

The nucleus of any organized group is membership. Individual members create the group or the organization or society, and they in turn make for a creative life in the individual. The benefits are reciprocal and they add to the enrichment of both the individual and the society.

This is even more particularly true in the life of a synagogue. The elements of spirituality, benevolence, philanthropy and education are in themselves of so much significance, that they cast their influence upon all those who come within their shadow.

The people of our community ought to ally themselves with Kehilath Jeshurun, because such affiliation can add meaning to their lives and inject a spiritual enthusiasm into their homes. Membership is not an impersonal thing. It infuses religious significance, genuine values, and Jewish sentiment into the minds and hearts of both the children and the parents and even of the friends who come within the perview of the synagogue.

Sisterhood to Meet at the Home of Mrs. Fred Margaretten on Monday

On Monday afternoon, January 10th, the members of the Sisterhood and their friends will gather at the lovely home of Mrs. Fred Margaretten, at 20 West 86th Street, at one of the most interesting meetings of the season.

The guest speaker of the afternoon will be our own Rabbi Lookstein, who will address the ladies on "Religion on Broadway"—a review of the plays—"Many Mansions" and "Father Malachy's Miracle."

A number of very interesting facts will be discussed. The meeting will start promptly at 2 o'clock because of the length of the program.

With this delightful program, and with Mrs. Margaretten as hostess, we predict an outstanding meeting and a very large attendance.

Rabbi Lookstein to Address Rochester Mizrahi

Our Rabbi will leave on Saturday night for Rochester, New York, to address a large assembly on behalf of the Mizrahi Organization of America. We know that a sizable audience awaits with eagerness the message from Rabbi Lookstein, and that his words will bring them inspiration and enthusiasm and further inculcate in them the spirit of the Organization — the spirit of true traditional Judaism.

Girl Scout Program

Kehilath Jeshurun now has an eager and enthusiastic group of girls in its new Girl Scout Troop. The Girl Scout program is designed to meet the needs of girls of ten years of age and older for a leisure time program of mental, physical and character-building activities. It is based upon a belief in the educational value of small groups; in the value of purposeful work with the hands and of the creative group activities; in the possibilities of mutual helpfulness within and without the Troop. The program is not only recreational but educational as well. It provides girls with opportunities for living more fully, intelligently and wholeheartedly and thus prepares them for a well-rounded adult life.

The dues are very nominal—fifty cents a year. If you should like to have your daughter join OUR Troop, extend our invitation to her to come to the Social Hall any Wednesday afternoon at 3:30. She will be very welcome.

Children's Services

The Children's services held on Friday evenings in the synagogue chapel are well-attended, **but not well-attended enough!** All Jewish children of the entire neighborhood are welcome, and are cordially urged to come Friday evenings to participate in these inspiring and really beautiful services.

Young People's League to Hold Open Meeting Monday Night

Our new Young People's League will conduct a big open meeting in the synagogue Social Hall on Monday evening, January 10th. An exceptionally interesting program has been arranged for the evening.

DR. DANIEL HARRIS

outstanding psychologist and vocational guidance expert will address the group on

"CHOOSING JOBS FOR JEWS"

One of our young lady members, MISS ELAINE BELSKY, who is very talented, will give evidence of her lovely voice.

The Young People's League cordially invites you, if you are a young man or a young lady, to spend Monday evening with them. After the forum and the entertainment, there will be a social hour—dancing, "hot dogs," and congenial, compatible young people to meet and mingle with.

The meeting will start promptly at 8:15—Don't miss it.

About Being On Time

Many of our older affiliated groups, (we're not mentioning names) can take a lesson from the Girl Scouts. Usually when a meeting is called for—well, let's say 3 o'clock—it starts at 3:30 and sometimes even 4 o'clock. Rarely does it start on time.

Our little Scouts bend over backwards. Their last meeting was called for **2 o'clock**, and twelve anxious Scouts invaded the synagogue office at about 10 A.M., and decided to sit around and wait for their meeting to begin.

But they certainly showed interest in their organization, and the desire to participate and take part in the activities of their club. We like their spirit and commend their enthusiasm.

A Request

From the Bazaar Chairman

Our good and very capable chairlady of the Bazaar, Mrs. William Goodman, wishes to make a very specific request to all the members and friends of Kehilath Jeshurun. At the present time the Bazaar is progressing with rapidity and success. A special feature of the Bazaar will be a very comprehensive Rummage Sale department. The men are urged to send as much new merchandise as they possibly can, and to solicit their friends to do the same. A few letters sent out by each man in our Congregation would assure a tremendous Bazaar for us. The ladies are urged first to keep reminding their men-folk to send in merchandise and second, to contribute any and all Rummage, articles of apparel and everything around the house that isn't used any more. Everything can be sold—everything, as our Chairlady so aptly expressed it, "from silk stockings to chandeliers."

Welcome To A New Member

We wish to extend a hearty welcome to our newly elected member, PAUL LOWIN, who has been proposed by and is a brother-in-law of our dear member, Dr. A. D. Kaplan. We are confident that Mr. Lowin's affiliation with our Institution will contribute richly to his own life and his cooperation will add substantially to the undertakings and activities of our Congregation.

What Does January Mean To Us?

Life is full of burdens, problems, difficulties. There are so many things that bother us and annoy us. Thank Providence that we have certain interesting things—things that we look forward to with joy and enthusiasm and which, when they do actually come, receive our immediate attention.

Of course you know to what we refer? Why, just the payment of dues—for January 1st is here again.

Ramaz Academy Registration

Pupils are now being registered for the February semester in the Ramaz Academy. For the second half of the year, we shall have a Nursery class, a Kindergarten class, a 1A-1B, 2A-2B and a 3B class. This upper third year class is a new one, and a number of children are being transferred from other schools into this class. Children may be registered every week day morning at the synagogue office.

Shomre Hadath Lecture "Bible and Science"

"A scientific appreciation of the Bible" will be presented by Dr. David I. Macht, former Professor of Pharmacology at John Hopkins University, at his next lecture in New York on Saturday night, January 8th, at 8:30 o'clock.

The lecture will be held under the auspices of SHOMRE HADATH, popular New York youth organization at the auditorium of Ohav Zedek Synagogue, 118 West 95th Street and arrangements have been made for a very enjoyable evening.

All-Jewish Program

At Junior Mizrachi Concert

The Deborah Chapter—Junior Mizrachi Women of New York will hold a delightful Concert and Dance at the Riverside Plaza, 73rd Street and Broadway, on the evening of January 16th. The program of all Jewish artists will include selections by ANTON ROLAND, Composer-Pianist; BORIS SALSOWSKY, Russian Baritone; JEAN SPITZER, Violiniste. Compositions of all the finest Jewish Composers will be offered.

Tickets are only one dollar, and can be procured through our synagogue office. Members of Kehilath Jeshurun are urged to cooperate with the girls of the Deborah chapter, to encourage them in their philanthropic work, and for themselves, to enjoy a delightful, all-Jewish program of music.

Plays Worth Seeing

FATHER MALACHY'S MIRACLE, at the St. James' Theatre. A play worth seeing, full of first rate characterizations and genuine interest.

GOLDEN BOY, at the Belasco Theatre. Clifford Odets' best play. It has exciting action and is magnificently acted by the Group Theatre Co.

Movies Worth Attending

WELLS FARGO at the Paramount Theatre. Large scale epic of the growing Western frontier, well photographed, lavishly produced.

LIFE OF EMIL ZOLA. Biography of Zola with emphasis on his heroic fight in the Dreyfus case. Very worthwhile seeing. Playing at the Loew Theatres.

Books Worth Reading

GOLDEN TREASURY OF JEWISH LITERATURE—edited by Jacob Schwartz a very comprehensive anthology of Jewish literature by the best known and finest writers.

THE CITADEL by A. J. Cronin, the life of a doctor very humanely and realistically drawn.

Another Group To Be Started

We have had several requests to start a new affiliated group under the auspices of Kehilath Jeshurun for girls of 14-15-16. All interested girls of this age, please see Mrs. Andron any weekday at the synagogue office, and arrangements shall be made at once for a club that will offer a program suitable and interesting.

In fact, any boys or girls of any age, anxious to be a part of our great institution and to affiliate themselves with a group are cordially urged to come to the office to discuss it with Mrs. Andron, who will gladly organize additional clubs upon request.
