Succah Fund Will Welcome Contributions

The Sisterhood as hostess of the Succah informs us that contributions to the Succah Fund will be welcome. Those who have not yet sent in their little donations towards the decoration and refreshments of the Succah may still do so and their gifts will be greatly appreciated.

The Sisterhood takes this means of expressing its thanks to our very devoted member Mr. Herman Goldman, for his very lovely gift of assorted fruits that he sent for the Succah and that were grown on his own estate at Plan-dome, Long Island.

The Juniorettes of the congregation assisted this year in the decoration of the Succah. Among them were the Misses Grace Roeder, Gozela Adler and Nathalie Lookstein.

Welcome To Our Succah Party

The men and women, old and young, of the congregation are cordially invited to our annual Succah Party which will be held this Friday night, October 14th, in the Synagogue Succah at 8:15 P.M. The Succah Party is always a very sociable event, informal in character and joyous in spirit. Songs, holiday refreshments and a speaker whose name cannot yet be announced will be the features of the evening.

Hoshana Rabba Night

The chapel and vestry rooms of the synagogue will be open for the usual Hoshana Rabba night gathering. The traditional services of the night, the recitation of "Tikkun," will be followed by refreshments. All men are cordially invited to participate in this service on Saturday night.

The Two Grooms

After a long huddle, the officers of the congregation brought forth two ideal selections for the traditional and exalted offices of Chasan Torah and Chasan Bereshith. They are our esteemed trustees, Mr. Abraham R. Winer, for the former honor, and young Dr. Abraham H. Friedman for the latter. Both appointees are young men. Both are sons of honored families and both are products of Kehilath Jeshurun. We greet them and congratulate them on the great honor that has been conferred upon them. They will be inducted into their respective offices at the Musaf Service on Shmini Azereth and will remain in office until after the Seudah which is being planned for the sabbath following.

The Children On Simchas Torah

As usual, the congregation will play host to the children of the neighborhood on Monday night at the evening services. The children will assemble in the social hall at 4:45 P.M. and will then be escorted to a special section of seats in the main synagogue. Holiday goodies and souvenirs will be distributed to them and they will participate in the Hakofoth procession. Arrange to be with us on Monday night and bring your children with you.

The Rabbi's At Home

In accordance with their usual custom, Rabbi and Mrs. Lookstein will be at home to the members of the congregation and their families on Monday afternoon, October 17th, from 3 to 5 P.M. This being the first at home in their new residence, the occasion will also serve as a house warming.

Three Mazel Tavs

Mr. and Mrs. Ben Wohl have announced the engagement of their son Joseph to Miss Gretna R. Parrill. From the West Side we hear the news that our erstwhile East Siders Mr. and Mrs. Jacob D. Cohen announced the engagement of their son Irving to Miss Sylvia Jacobson. And closer to home we hear that Dr. Abraham H. Friedman, son of Dr. Samuel Friedman, was engaged to Miss Sylvia R. Karpis.

We extend our heartiest wishes to the happy couples and to their respective families.

Music

Learn to enjoy the music of yesterday and today. A combined course in the history and appreciation of music is offered for Monday evenings, 9:00 P.M. at 165 W. 91st Street. For further particulars, write to Mrs. Hilda Holt at the above address or phone SCHuyler 4-7437.

Dinner-Dance Rumbblings

Mr. Sigmund Miller, our new Executive Director, informs us that the advertisements for our Souvenir Journal are already beginning to come in as fast as the ad blanks are being sent out. Mr. Miller intends to visit every member and obtain his cooperation in making this year's Souvenir Journal richer and better than ever before. And, by the way, an important announcement will shortly be made that will formally and officially set the entire dinner machinery in operation. The date, of course, is December 18th and the place this year is the Plaza.

Kol Nidre Appeal

The results of the Kol Nidre Appeal this year were most satisfying. The amount realized was greater than for many years previously. The number of contributors was greater than ever before. We merely call upon all those who have pledged to send in their contributions without delay. The Synagogue, Joint Distribution Committee and United Palestine Appeal, the triple beneficiaries of the appeal, can use the funds at once.
