Girl Scout News

We are pleased to announce that we have secured the services of a leader for our Girl Scout Group. Miss Thelvina Finker, who has had a great deal of experience with scouts, will, we feel certain, accomplish much with our active girls. Miss Finker is well qualified as a leader, having come to us highly recommended by Hunter College.

Congratulations!

One of the outstanding events of the week in the Kehilath Jeshurun Family was the marriage of our member, Dr. Abraham Friedman, son of our esteemed Trustee, Dr. Samuel Friedman, to Miss Sylvia Karpf, on Tuesday, March 21st, at the Waldorf-Astoria Hotel. We congratulate the entire family and extend to the young couple our sincerest wishes for much happiness for many years to come.

* * *

To Mr. and Mrs. Max Backer, we extend hearty congratulations upon the Bar-Mitzvah of their son, Joseph M., this Saturday. We sincerely hope Joseph will always be a source of great happiness to his family and a credit to the Jewish people.

Parent - Teacher Association Meeting

Dr. Sidney H. Hoenig, a member of the Faculty of the Yeshiva College and Executive Director of the Hebrew Teachers' Training School For Girls, addressed the meeting of the Parent-Teacher Association of the Ramaz Academy. Dr. Hoenig spoke of the Origin of Religious Institutions and in that connection told how Parent-Teacher Associations came into being. It was an intensely interesting meeting.

PASSOVER

"Let all who are hungry come and eat, and let all who are needy join me in celebrating Passover". Thus reads the opening paragraph of the Seder service. How will you feel, when you read this passage, if you have neglected to carry out this injunction? What a feeling of satisfaction you will experience if you have the knowledge you have done your share in providing a few bare necessities for the ever-increasing number of destitute Jews, native and refugee.

The need for funds is greater than at any previous year. Send your contribution at once to the Synagogue office. Make your donations as liberal as possible. GIVE UNTIL IT FEELS GOOD! Then, and then only, can you answer the traditional four questions in the proper Jewish spirit. Then you can truly recite "And had God not delivered our ancestors from foreign bondage, who knows but what we, our children and our children's children would have been compelled to serve Pharoah?" In our days—Hitler!

OUR BAZAAR

Our Bazaar and Rummage Sale is now in progress at 907 Columbus Avenue, and promises to be a great success. Our women, headed by our vivacious and capable chairman, Mrs. Bessie Goodman, have been marvellous in their efforts towards making this year's Bazaar a success. They have given of their time and labor willingly and frequently. Anyone wishing to help may call the office and make the necessary arrangements. We can even use more merchandise! We will gladly call for any contribution. If possible, please send it to the store and we will appreciate your kindness.

Our "Cultural" Class

Rabbi Lookstein held his audience spellbound last week when he discussed the elements of similarity during the various epochs of Jewish persecution. Starting with the crusades in the eleventh century and ending with the Dreyfus case in the nineteenth, the Rabbi pointed out the underlying causes of each outburst against the Jews and the international repercussions which each aroused.

The Rabbi's masterful handling of this time-worn subject injected into each one a spirit of optimism for the ultimate restoration of Jewish rights.

There were many questions asked, all of which were answered in the scintillating manner characteristic of Rabbi Lookstein. In answer to a statement by an eminent physician that, while medical science, through its research, has learned the cure for many epidemics by separating the germ from the host, there seems to be no solution for the epidemic of Anti-Semitism, the Rabbi responded in like medical terms. In order to kill the germ, we must build up the host and to build up the host we must provide an old-fashioned diet of religious education and religious action.

Dr. and Mrs. Samuel Gross were the very gracious hosts that evening and, despite the heavy rain-storm, a large crowd gathered unwilling to allow weather to interfere with "Culture".

The next meeting will be held Wednesday, March 29th, at 8:30 o'clock at the home of Mr. and Mrs. Abraham Polstein, 12 East 87th Street. A cordial invitation is extended to all who may wish to join the class.

Welcome'

We welcome to the Kehilath Jeshurun membership Mr. Samuel Fine and Mr. Elliot Siegel, sons-in-law of our late revered honorary Trustee, Moses Davis. It is noteworthy to relate that immediately after the week of Shiva for Mr. Davis, Mr. Fine and Mr. Siegel designated their intention of affiliating themselves with our synagogue and gave Rabbi Lookstein their signed applications for membership.

We are indeed happy to welcome them in our midst and we sincerely trust their association with Kehilath Jeshurun will be an active and pleasant one.

A Reminder

Just a reminder of the SPRING DAN-SANT to be given by the Young People's League, Sunday, March 26th, in our Social Hall. Plans have been made for a truly grand affair and all the young folks are urged to attend. Come with your friends. Admission is only 69c per person.

Many Thanks

The Congregation is greatly indebted to Mr. Harry Fischel for his generosity in donating two exhaust fans and for the installation of them in the Chapel. With characteristic thoughtfulness, Mr. Fischel provided these fans for the comfort of daily worshippers, all of whom are most appreciative of this good deed. It is our hope that we may continue to be the recipient of Mr. Fischel's kindness for many years to come.
