Tikkun

On Tuesday night after dinner, beginning with 9:30, the old custom of saying "Tikkun" will be observed in the synagogue. As usual of course, to the religious part of the evening will be added the social, with smokes, drinks and other holiday refreshments provided in abundance. All men are cordially invited.

Synagogue to Be Transformed Into Garden for Shovuoth

Our beautiful synagogue is always fittingly decorated for the lovely festival of Shovuoth. This year we are planning to surpass ourselves in that respect. An outstanding florist has been engaged for the floral decoration and he promises us that the synagogue will look like a veritable garden of flowers and greens.

We take this means of inviting our membership and friends to spend the holiday with us. The festival commemorates the giving of the Torah to our people. As such it is of special significance today. Bereft of privileges, driven and persecuted in many places, our only fortress of defense remains the Torah.

While European Jewry suffers and the fate of Palestine hangs in the balance, let us assemble to pray and to draw courage for ourselves and our brethren. Come to the synagogue this holiday with your family, the old and the young meeting together in an atmosphere of beauty and holiness.

An Invitation to Our Congregants

Rabbi and Mrs. Lookstein will be at home to members and friends of the congregation Thursday, May 25th, the second day of Shovuoth, from 3 until 6. A cordial invitation is extended to all.

A HAPPY HOLIDAY TO ALL!
