Hilda Holt, Composer and Teacher of Music, to Address Sisterhood Meeting

Sisterhood members and their friends will be given an unusual opportunity at the next Sisterhood meeting, this MONDAY, the 22nd. MRS. HILDA HOLT, teacher, composer, lecturer, has graciously consented to address the meeting. There is hardly a person who is not interested, to some degree, in music. Whatever that degree of interest is, it will assuredly be augmented after listening to the very charming MRS. HOLT, who, by the way, demonstrates her lectures with piano and victrola selections.

The meeting is called for 12:30, at the home of MRS. FRED MARGARETEN, 650 West End Avenue. There will be LUNCH—IMPORTANT BUSINESS DISCUSSIONS—and then, HILDA HOLT! Mrs. Margareten extends a cordial invitation to all those who care to attend.

Cultural Class to Meet

"THE NATIONAL PHILOSOPHY OF ACHAD HAAM" is the subject to be discussed by Rabbi Lookstein at the next meeting of the CULTURAL CLASS, TUESDAY, JANUARY 23rd. Mr. and Mrs. Jacob Alpert will be the hosts at their home, 519 East 86th Street. Members and friends of Kehilath Jeshurun are welcome to attend these lectures. And, let it be said, once you have attended one of these intellectual treats, you will not miss another.

Ramaz Student Wins Prize Essay

ARTHUR ROSENFELD, a young student of the Ramaz Academy, was the winner of a major medal award, presented by the Isaiah Service Bureau, for the best Chanukah essay accepted by the Jewish Review, a weekly publication. We are indeed proud this honor was accorded one of our students.

THE MEN'S CLUB

is happy to announce that the guest speaker for the February 13th meeting will be none other than

GEORGE HAMILTON COOMBS

"The Orator of the Air"

whose nightly broadcasts (*at 7:30 P.M. over station WHN*) literally thrill the nation. He is easily the most dynamic personality of the present array of radio commentators. And what is more important is the fact that his was the first voice on the air who consistently thundered his bitter opposition to the cruelty and barbarity of Nazi Germany toward the Jews.

Always a staunch defender of Justice and an ardent believer in fair treatment for all, regardless of race or creed, we are indeed fortunate to have secured this humanitarian, this gentleman, this scholar. The subject of his address will be announced in a later edition of the Bulletin.

Bazaar News

It is very gratifying to see the results of our appeal for Bazaar merchandise. But, our persistent Chairman, BESSIE GOODMAN, is not satisfied! Strangers are answering our requests most generously — but there are still some Kehilath Jeshurun members who have neglected to send us a package. We are confident every member and seat-holder has **something** to dispose of, **something** he or she no longer needs or wants! We ask you again, to send it to us immediately, or, let us call for it. Our committee is willing and ready to collect merchandise. All we want is your order to do so. Friends, when will it be?

We are grateful to the following people who sent merchandise to us: Star Band Co.; Fabric Sales Corp.; Schnur & Cohen; Capital Comforter Cover Co.; Laddie Boy Suit Co.; Granite Fabrics, Inc.; Goldy Novelty Co.; Surprise Infants Wear; Jacoby's Department Store; Stroheim & Romann; Harry E. Shill Co.; Max Messing Co.; H. Hausman Hosiery Co.; Mrs. Tausky; Mrs. Cooperman; Mr. Dratler; Mrs. S. Rattinger; Mrs. Samuels.

Girl Scout Group Open for Membership

Miss Thelma Finker, Leader of the Girl Scout Group which meets every Wednesday afternoon, at 3:30 in the Social Hall of the Synagogue, reports they are open for membership. The group is accomplishing beautiful work in arts and crafts, dramatics and regular scout activities. Those wishing to join may register at the office. Girls from ten to fourteen are eligible.

Chamisha Asar B'Shebat

Chamisha Asar B'Shebat, or the fifteenth day of Shebat, has been designated by our sages as the New Year of Trees. This year, we will celebrate this festival on THURSDAY, JANUARY 25th. This holiday stirs in the Jew thoughts of his Homeland in Eretz Yisrael. It has become the custom of our people to plant trees and to think of the growth of our Holy Land at this time.

Chamisha Asar B'Shebat can and should be more than a mere symbolism. Members and friends of Kehilath Jeshurun can find a particularly interesting way in which to celebrate this Yom Tov; by planting a tree in the Ramaz Forest, a living memory of our own sainted Rabbi, Ramaz Margolies.

Those wishing to plant a tree (the price is but \$1.50) may do so by calling our office, the Mizrahi Organization or the Jewish National Fund directly. In this way you will be contributing to the upbuilding of the Holy Land besides appropriately celebrating this holiday.

Sisterhood Sabbath Postponed

Because arrangements for a special service for "SISTERHOOD SABBATH" have not been completed, the date announced last week has been postponed. The exact date will be announced in a later bulletin.

PROF. JOSEPH G. COHEN ADDRESSES PARENT TEACHER ASSOCIATION MEETING

Members and friends of the Parent Teacher Association of the RAMAZ ACADEMY were privileged to hear PROF. JOSEPH G. COHEN, DEAN of the SCHOOL OF EDUCATION of BROOKLYN COLLEGE and EDUCATIONAL CONSULTANT of the RAMAZ ACADEMY, at their meeting last Tuesday evening. Prof. Cohen, in his charming, inimitable manner, spoke on "THE MEANING OF PROGRESSIVE EDUCATION." It was a most illuminating and interesting lecture and evoked many questions which Prof. Cohen readily answered. Those who were present can appreciate what an unusual opportunity was afforded them in having such an outstanding speaker as their guest. It is to be hoped that many more people will take advantage of the chance to hear other celebrities in the future.

At the business meeting which preceded the lecture, the Association voted to run a theatre party some time in March. A committee was appointed to procure all the necessary information and to have plans ready for the next meeting, which, as always, will be held the third Tuesday of the month.
