"They Wouldn't Say No"

Scout Paul Kohn of our own Boy Scout Troop 606 is one boy with perseverance. Knowing that Scout Week, February 8th to 14th, was soon to arrive, Paul wandered about our local community for a suitable place at which our boys could demonstrate their scoutcraft. Unimpressed hereabouts, Paul deposited a five cent piece with Mr. Thomas R. Murray's company, alighted at 34th Street, looked for the largest and most impressive store in the vicinity, and entered Macy's. After brushing past half a dozen under-secretaries, several secretaries, and a few floor-walkers, Paul gained access to the office of Mr. Eldridge, General Manager, no less! Of course Paul entered with the firmest conviction that Macy's was too fine a store to do more than refuse and say "no". But picture Scout Kohn's chagrin when told "perhaps". By now his courage was increasing and his awe of the vastness of the store diminishing, and so Paul entered the private domain of Mr. Walker, Vice-President of the store. Here again Troup 606's representative set forth his demands and once again was told "perhaps". Resolved to bring the matter to a head, our Scout ventured into the sanctum sanctorium of Mr. Shevlin, the window display manager, where to his utter amazement permission was granted and a window designated for the display. Imagine, Manhattan Council had obtained a display window in Macy's for Boy Scout Week through the efforts of Paul Kohn, a member of Troup 606, the troop sponsored by our own congregation. Yes, they wouldn't say no!

THE MEN'S CLUB

*cordially invites you and your men friends to attend its
regular monthly meeting on*

Tuesday Night, February 13th, at 8:15

in the

SOCIAL HALL

to hear

GEORGE HAMILTON COMBS, JR.

Dynamic Radio News Commentator

speaks on

"WAR CLOUDS OVER AMERICA"

This radio personage has a vital message of great importance to every American and every believer in the principles of Democracy. Don't fail to take advantage of this opportunity to be present for this stimulating address.

The speaker will be followed by "unusual" entertainment and a collation.

An Unusual Opportunity

Under the auspices of the Hebrew Teachers Training School, a special elementary Hebrew course is being organized for women who do not desire to pursue professional work. This course will be given similar to the Hebrew classes conducted in the colleges of the City of New York and the same book and material will be used. It will be made possible for everybody to acquire Hebrew in a short period of time and alertness credit will be given.

The course will be given every Tuesday evening from 8:00 o'clock until 9:30. Registration is now in progress, at the office of the school, 125 East 85th Street. Further information may be had by sending inquiries to The Hebrew Teachers Training School.

Kehilath Jeshurun Responds

Obviously, Kehilath Jeshurun members and friends may be relied upon for cooperation. With the "Last Call" for merchandise for the forthcoming Bazaar, the response was excellent. We are grateful to the following for the very beautiful merchandise they sent: Universal Brassiere Co., Silverod Mfg. Co., O. L. Greenburgh, Mrs. Elliot Siegel, Mrs. O. Garfein, Charles Jacobs, Markay Blouse Co., Victoria Hat Co., Pedigree Fabrics, Inc., L. Robbins & Co., J. H. Alpert, Lowenthal's, J. H. Nussbaum, Hickok Co., L. Goldschmidt and Betty Worth Frocks.

Negotiations for a location for the Bazaar are under way and as soon as completed, notices will be sent specifying the date of opening. It is not too late to send additional merchandise. Call the office and your package will be called for if more convenient.

Regional Symposium

The public is cordially invited to attend a New York Regional Symposium, to be held SUNDAY EVENING, FEBRUARY 11th, at the Jewish Center, 131 West 86th Street, under the auspices of the Youth Division of the Union of Orthodox Jewish Congregations of America. The youth clubs of all the Orthodox Synagogues will participate in the Symposium, the subject being "The Outlook of the Jewish Youth."

We Are Happy to Report . . .

That Mrs. Bessie Goodman, active member of our Sisterhood, is improving daily from her recent illness.

* * *

That Mr. Jacob H. Alpert, our Comptroller, has recovered from his illness.

* * *

That Mr. Charles Goell, our newly elected member, has been ill but is much improved now.

* * *

That Mr. Jacob Rudd, who was ill in Florida, is back with us, in the best of health.

* * *

That the appeal for our BENEVOLENT FUND met with a very nice response.

Girl Scout Membership Drive

Kehilath Jeshurun Girl Scout Troop No. 237 is anxious to acquire new members. Any girl, between the ages of 11 - 15 will be welcome to membership.

Besides passing tests to advance in the girl scout ranks, the program includes arts and crafts, dramatics and games. With Spring approaching, plans are being made for hikes, outdoor activities and visits to places of interests. Miss Thevina Finker, the very capable leader of this troop has some interesting plans in mind.

As a matter of convenience, the date of meetings has been changed to Tuesday evenings from 6 to 8. This change is effective Tuesday, February 13th.

MEN'S CLUB NEWS

The Men's Club is sponsoring an array of the finest speaking and thought-provoking talent that America affords. We are presenting men who have a definite and important place in the life of our times.

Each is representative of a segment of the composite pattern of American opinion and yet each has his own distinctive and particular message to impart; each is an authoritative voice in his own right whether it be as educator, moralist, orator, cynic, philosopher or realist. But they all are definitely dynamic, vibrant, moving and highly motivated human beings who help to focus for us, a clearer, more understandable picture of the momentous happenings of our day.

If you are in accord with such a program and in sympathy with our general aims and purposes we want you to affiliate yourself with us. The life-blood of our group (and you will find it a most representative one) is its active and paid-up membership. The cost is small, the benefits manifold. Application blanks will be sent on request. Dues are \$5.00 per annum. THERE ARE NO OTHER CHARGES! JOIN NOW!

PERSONALS

By his fine work on the membership committee, ABE POLSTEIN has amply proven that the ability to hold winning cards, is not his only talent.

* * *

We do earnestly hope that by the time this is published JACK ALPERT will have sufficiently recovered to resume his "catch-as-catch-can" match with his daily prayer companion, JOE ADLER.

Mr. Dewey is not a member of the Men's Club but we're glad that MR. JACOB ROSENBLUM, one of his chief assistants, is.

* * *

If there were a Pulitzer Prize given for promptness, we'd unhesitatingly nominate our genial treasurer, ABE WIENER. He's the nearest thing to a time-table we have ever encountered.
