There will be an important meeting of the Board of Trustees, Thursday evening, March 7th, in the library, at 8:30 o'clock. All Trustees and Associate Trustees are urged to attend.

## Sisterhood Meeting Scheduled for March 4th

Mrs. Benjamin Wohl will be hostess to the members of the Sisterhood and their friends at her home, 221 West 82nd Street on MONDAY, MARCH 4th. The meeting has been scheduled for 2 o'clock, in order to complete the business of the afternoon and have ample time for the guest speaker. J. HAROLD KENNEDY, President of the Theatre Education League, will speak on "THE THEATRE". All indications point to a most enjoyable afternoon for Mr. Kennedy is a very able orator and author. Plans for the final function of the season will be discussed. It is therefore hoped that all members will make an effort to attend.

## Cultural Class News

"THEODORE HERZL AND THE JEWISH STATE IDEA" will be the subject of discussion at the next meeting of the Cultural Class to be held Wednesday, March 6th, at the home of Mr. and Mrs. Jacob Rudd, 1049 Park Avenue. A cordial invitation is extended to all those who wish to attend. The lecture starts promptly at 8:30.

## Response for Prayer Books Continues

In answer to the Synagogue's request for uniform prayer-books, Mr. and Mrs. Edward N. Zelenko contributed most generously. The congregation is most appreciative to them for their kindness and extend sincere thanks for their thoughtfulness. It is so very gratifying to know that when a request is published, the response is immediately forthcoming. We reiterate, there is no more fitting way to honor the memory of dear ones than to have their names inscribed in a prayer-book. Mr. and Mrs. Zelenko donated their books in memory of their parents.

**"PROPAGANDA TERMITES"**

Here is a living symbol of the conscience of mankind! This poised and quiet-spoken clergyman has within him the ability to light a flame in the hearts of men and lead them on to great deeds. His is the magnetic power to galvanize into action those who believe in the fundamental democratic doctrine that "all men are created equal." Enjoy the privilege of listening to him on station WEVD each Wednesday at 8:30 P.M.

## Bazaar Chairman Predicts Huge Success

Early Monday morning a group of enthusiastic women gathered at 907 Columbus Avenue for the opening of the ANNUAL BAZAAR AND RUMMAGE SALE. Before very long it was evident that our success was assured. Nickels and dimes soon mounted into dollars, and at the end of each day, weary but happy in the joy of accomplishment, the sales force, headed by the very capable Chairman, Bessie C. H. Goodman, left the store determined for ever-increasing sales for the following day.

Merchandise is still pouring in; each day additional packages are opened and the excitement of assorting and arranging stimulates the workers to greater endeavor. Mrs. Goodman will welcome anyone who desires to assist in selling. Come to the store any day from 9:30 to 6; your services will be appreciated. The store will be open until March 5th.

### Ramaz Student Donates Prayer Books

A unique way of celebrating a birthday was demonstrated this week, when SHOSHANA JACOBSON, a student of the Ramaz Academy, donated a set of prayer books. What an excellent example for others to emulate! Many thanks, Shoshana, for your thoughtfulness and your generosity. May this birthday be one of the happiest you have had and may it be a fore-runner of ever-increasing joy for many years to come.

### Boy Scouts Hike

On Washington's Birthday, February 22nd, Troop 606, sponsored by our Synagogue went on an interesting hike under the able leadership of Mr. Lou Klein, the Scoutmaster. The boys participated in outdoor games, took cooking, track and other outdoor tests, and listened to some real "fish stories" as only Mr. Klein can tell them.

If any members of the congregation have sons over 12 years of age who want to get in on all the fun and adventure of Scouting, the troop will be pleased to have them visit any Thursday evening, at 7:45 in the C.J.I. Why not visit this coming Thursday?

### Our Best Wishes . . . . .

To Mr. Harry Fischel who has been ill but who is progressing nicely, we are happy to say. We wish him a speedy recovery.

\* \* \*

To Mr. Max Rosenberg, who also is well on the road to complete recovery. We sincerely hope he keeps well now.

### Ramaz P. T. A. Hold Interesting Meeting

At the last meeting of the Parent Teacher Association, it was the privilege of the audience to hear DOROTHY GORDON, known in the Radio World as "The Song and Story Lady". Dorothy Gordon, who is sponsoring the Radio Council For the Betterment of Children's Programs spoke of the necessity of intelligent parents being articulate in their demands and desires for appropriate programs for children. It is only through concerted effort on the part of the radio audience that the mediocre and undesirable programs can be eliminated. Every criticism, sent to the station or the sponsor, is carefully scrutinized and brought to the attention of the governing Board. The companies are anxious to please their audience and will change any program if pressure is brought to bear regarding its inadequacy. Dorothy Gordon can be heard over Station WJZ, in her own dramatization of "Yesterday's Children", every Friday evening at 7:30.

## MEN'S CLUB NEWS

Our group is young — there is much work to be done. But before we can begin to achieve our eventual purposes we must carefully and systematically build a firm foundation. This requires time in addition to sustained effort.

If we are to grow in accomplishment as well as in organizational stature we must have the unstinted cooperation of all those who think alike with us. In proportion as we become strong in our unity so much nearer looms our desired goal. Unity of effort is perhaps the most necessary ingredient to insure a successful fruition to the task in which we are at present engaged. Active participation on the part of those in accord with us will sooner make possible such a realization. Hence to all such we bid a most hearty welcome.

## PERSONALS

William R. Fischberg is typical of the fraternal and beneficent spirit we are seeking to inculcate individually and collectively.

\* \* \*

Mention must be made of the many favorable comments heard on the efficient work of our Hospitality Committee and its co-Chairmen, Abe Wiener and George Jacobs.

\* \* \*

One of our most loyal and enthusiastic members is Dr. Henry Reiff — we can use more like him.

Maxwell Shapiro acted as a one-man reception committee for George Hamilton Coombs, Jr. Thanks for the lift, Max.

\* \* \*

We are glad to note that our discerning Synagogue President, the capable Fred Margareten, is one of our staunchest supporters.

\* \* \*

The condition of our hospitalized Secretary, Benedict I. Lubell, is much improved. We're hoping to have him back with us very shortly.
