A Purim Invitation to the Children of Kehilath Jeshurun

A cordial invitation is extended to the children of Kehilath Jeshurun and their friends to attend the reading of the Magillah, Saturday evening, March 23rd, at 6:45. A special section of seats will be assigned to them in the synagogue and "Groggers" will be distributed so that the children may remember Haman in the traditional way.

Sisterhood Plans-Membership Drive

The last meeting of the Sisterhood, at which Mrs. Eli Goldstein was a most charming hostess, was a very animated one. There was a definite feeling of accomplishment at the end of the afternoon. **Mrs. Maxwell Shapiro, Chairman of the Cocktail Party**, gave a very stimulating and enthusiastic report of the progress of this novel function. **Mrs. Joseph Lookstein, Chairman of Membership**, made an earnest appeal for an increased membership, laying special emphasis on the need for urging members to pay their dues, if they have not already done so. As a result, a committee was appointed to contact all those who are delinquent, and letters have subsequently been sent, requesting payment. It is to be hoped that this action will be construed in the proper way. The Sisterhood has just completed its obligation to the Ramaz Academy and has paid for some special requisitions of the Synagogue. There is much more to be done — and it is for that reason that funds are needed now.

Mrs. Bernard Fischman was welcomed as a new member. **Mrs. Bessie Goodman, Chairman of the Bazaar**, gave her report, which was most gratifying and she took the opportunity to thank those ladies who so willingly and efficiently aided her towards the success of the Bazaar. Mrs. Jack Alpert, President, appealed to all those present to send contributions to the **Passover Relief Fund** at once. Letters will soon be in the mail and members are urged to respond quickly and generously. For obvious reasons, the need for funds is greater this year than ever before.

The next meeting will be held MONDAY, APRIL 8th, at the home of MRS. MAX BERENSTEIN, 19 East 88th Street. There will be a meeting on May 6th and the closing meeting of the season will be held May 27th. Join them down and remember them!

ELABORATE PURIM PROGRAM TO BE GIVEN BY STUDENTS OF THE RAMAZ ACADEMY

Every student of the Ramaz Academy will participate in an elaborate Purim Entertainment SUNDAY MORNING, MARCH 24th, at 10:30 o'clock, in the Social Hall of the Synagogue.

MISS DORA BUCKWALD, CHAIRMAN OF THE ASSEMBLY PROGRAM, has arranged an unusual program, consisting of a Hebrew and an English play, a puppet show accompanied by a chorus, a tableaux, songs and recitations. The kindergarten children will present a pantomime. Miss Buckwald has had the full cooperation of all the teachers, each one having been assigned a specific part in the planning of this program.

Refreshments and souvenirs will be distributed to all the children who attend. Come and bring your children. Let them enjoy the spirit of the Festival of Purim.

"The Ramaz Academy Plan in a Democracy" Subject of Rabbi's Address

Parent Teacher Association Plans Theatre Party

At the last meeting of the Parent Teacher Association plans for a theatre party were discussed. Mr. Irving Kobrin and Mrs. Joseph Lookstein were appointed Chairmen of a committee to complete details.

Rabbi Lookstein addressed the meeting, using as his subject "The Ramaz Academy Plan In A Democracy". In a most impressive and eloquent manner, the Rabbi explained how the curriculum of a progressive school which combines the secular and religious cultures (such as the Ramaz does) equips the youth with a substantial preparation for life in a democracy.

Congratulations

The congregation extends sincere and hearty congratulations to their esteemed member, Mr. Sol Hecht, who celebrated his seventy-fifth birthday this week. It is the earnest hope of the entire synagogue that he and his dear wife be blessed with continued happiness and health.

Boy Scout News

On the 17th and 18th of May a cast of 15,000 will present "Tomorrow's America", the 1940 Scout-O-Rama cavalcade of youth at Madison Square Garden. Nothing so spectacular has hit New York since Fourteenth Street was "away uptown". Indian dances and ceremonies, a Mardi Gras, Communication Through the Ages, Tableaux, and other equally enjoyable events form the bill of fare. For those who are interested in learning what Scouting is doing for thousands of youngsters, and in getting a thrill merely by watching Young America go through its paces, tickets have been priced from \$.50 to \$2.50. Make it a point to be present at one of the performances with a party of friends, and place your order for tickets with our Troop 606, which meets every Thursday evening at 7:45 P.M. in the C.J.I. In fact, make it a point to visit 606 at one of its weekly meetings so that you may see Boy Scouts at work and chat with their leaders.

speak on

"THE PSYCHO-SEXUAL LIFE OF MAN"

MEN'S CLUB NEWS

Men inadvertently act in accordance with certain deeply rooted inhibitions that frequently compel them to a definitely destructive way of life. Sometimes this is a "Mechanism of defense" against a fancied wrong or wrongs done to them early in childhood which has left a permanent psychological scar. Such a condition is often referred to by the psycho-analyst as a "persecution complex". Such persons think that society in general is opposed to them and is seeking to destroy them; therefore, they in turn will destroy society as it is, and build a different world; a world where everyone lives in conformity with his own abnormal ideas—in other words a Totalitarian

State, viz: Nazism, Fascism, and the like.

The constant belligerent attitude and the practical cruelty of the Dictators is proof of mental illness not so much in a clinical sense as in its psychological significance. Now, if there is ever to be a new dawn for humanity and a relatively permanent era of peace and good-will we must forever rid ourselves of these strutting and inhuman monstrosities and make impossible for the future the development of their ilk. It is our belief that to achieve this, Psychoanalysis in revealing the muchly needed "why" of men's conduct holds the golden key.
