## Board of Trustees to Meet

There will be a very important meeting of the Board of Trustees, THURSDAY, APRIL 4th, in the library of the Synagogue, promptly at 8:15 P.M. It is to be hoped that every Trustee will be present as matters of the greatest urgency must be discussed.

## Passover Relief and Emergency Fund Appeals Bring Excellent Response

Cognizant of the great need and the urgent demand for a larger Passover Relief Fund and for assistance for War-torn Yeshivoh in Europe, members and seatholders of Kehilath Jeshurun are responding beautifully to the stirring appeal of Rabbi Lookstein. Many contributions have been received, but there are still many who have not as yet replied. We are confident they will . . . we merely urge them to hasten their donation. Whether you pledged an offering or not, you will surely want to contribute! For how can anyone think of sitting in comfort and luxury at a Seder table, without having given **something** towards the bare necessities of our many unfortunate and suffering brethren here and abroad.

If you have not as yet sent in your donation, do so at once! Act quickly and give generously!

## Rabbi Lookstein Heard Over Station WJZ

Rabbi Lookstein was one of the participants of a Purim Program sponsored by the Union of Orthodox Jewish Congregations of America, which was broadcast over Station WJZ last Monday. Rabbi Lookstein spoke on "The Moral Climate of the World."

## We Extend Sympathy

Kehilath Jeshurun extends sincere sympathy to our Sexton, Joseph E. Adler, upon the death of his beloved father, Jacob Shalom, who had lived in Palestine all his life and who was considered one of the finest Cantors in Europe. It is the earnest wish of the congregation that Mr. Adler and his family will know only happiness for many years to come.

The Congregation was also grieved to learn of the death of Mrs. Nina Weiss, dearly beloved Mother of our member Dr. Samuel Weiss and trusts that this will be the last sorrow for him and his family.

**"THE PSYCHO-SEXUAL LIFE OF MAN"**

Freud was the founder of psycho-analysis. Dr. A. A. Brill is generally acknowledged as his successor and he, like Freud, approached the study of this all-inclusive science through the practice of medicine. His lecture is a fascinating revelation of the history of the fundamental reasons why men react as they do under certain conditions. This is truly a high light in our Forum program.

### **Cultural Class Holds Final Session**

Rabbi Lookstein closed the sessions of the Cultural Class last week with a lecture on the Life and National Philosophy of the late Chief Rabbi Kook. The lecture was a fitting climax to the course of lectures delivered by the Rabbi this season on "The Prophets of Jewish Survival."

Mr. and Mrs. George Jacobs were the hosts at this meeting which ended with a very beautiful note of appreciation to the Rabbi, written in poetry form by Mrs. Jacobs. It was most touching and fully expressed the sentiments of all those who had taken advantage of the unusual opportunity to become acquainted with many celebrities of our people. Rabbi Lookstein, deeply touched, expressed the hope that the cultural class would be resumed next year, with the same enthusiasm and pleasure as was evidenced this year.

### **Juliette T. Ashner To Speak At Sisterhood Meeting**

JULIETTE T. ASHNER, well known for her fine interpretations and critical analyses of books and plays, will be the guest speaker at the next meeting of the Sisterhood, to be held MONDAY, APRIL 8th, at the home of MRS. MAX BERENSTEIN, 19 East 88th Street, at 2:00 o'clock. Mrs. Ashner will discuss "HOW GREEN WAS MY VALLEY" and "LAND BELOW THE WIND." A question and answer forum will follow the book-reviews. It is to be hoped that all Sisterhood members will avail themselves of this opportunity to hear two of the best current books discussed by an outstanding authority.

## MEN'S CLUB NEWS

Men inadvertently act in accordance with certain deeply-rooted inhibitions that frequently compel them to a definitely destructive way of life. Sometimes this is a "mechanism of defense" against a fancied wrong or wrongs done to them early in childhood which has left a permanent psychological scar. Such a condition is often referred to by the psycho-analyst as a "persecution complex". Such persons think that society in general is opposed to them and is seeking to destroy them; therefore they in turn will destroy society as it is, and build a different world; a world where everyone is compelled to live in conformity with their (the Dictators) abnormal ideas—in other words, a Totalitarian State, viz: Nazism, Fascism and the like!

This constant belligerent attitude and the practised cruelty of the Dictators is proof of mental illness not so much in a clinical sense as in its psychological significance. Now, if there is ever to be a new dawn for humanity and a relatively permanent era of peace and good-will we must forever rid ourselves of these strutting and inhuman monstrosities and make impossible for the future the development of their ilk. It is our belief that to achieve this, Psycho-analysis in revealing the muchly needed "why" of men's conduct, holds the golden key.

## PERSONALS

Joe Adler has been an active and most helpful participant in the necessary but unseen routine work of building an organization.

We are glad to note that Bernard Fischman has become a definite asset in our group.

The man with the Printer's Pen (sure, deft and neat) and who creates for us a needed sign at a moment's notice is our hard working vice-president, David J. Colton.
