Note of Thanks

Mr. Joseph E. Adler, our Sexton, wishes to take this means of expressing his sincere appreciation to his many friends for their kindness and attention during his recent sorrow.

The Poor Are Clamoring

The poor of the community are clamoring for assistance during this pre-Passover season more than ever before. The need is obvious and the number of needy is greater. We are still \$800 short of our quota. If we do not succeed in raising it, it will mean that many of the poor who have come to depend upon us will be left unprovided. In the name of charity, please send us your contribution.

Boy Scouts to be Host to Parents

There is going to be a big shindig in the Social Hall of our Synagogue this Thursday Evening, April 11th at eight o'clock. The Boy Scouts of Troop 606 are entertaining their parents and friends at their annual Charter Night and Birthday Party. What with community singing, movies, a few brief words, and refreshments, the evening cannot help but be a success. The boys have been hard at work for the past several weeks preparing a gala event to celebrate their seventh birthday and deserve the satisfaction that comes with having a large gathering to view their efforts and see the work they have accomplished.

The congregation is proud to be the sponsor of such an active troop, and to be the means through which so many boys are afforded the opportunity to enjoy their youth with fine boys, in clean and wholesome activities, and under sincere and trained leadership.

"THE PSYCHO-SEXUAL LIFE OF MAN"

This is knowledge that all men should have! A lecture such as this deals with MAN and his origin. It explains why MAN reacts as he does to certain fundamental stimuli. The compelling power of these stimuli is far stronger than Man's will and are often therefore final determinants in the molding of his character. The "why" of the many types of abnormality and maladjustment becomes crystal clear at the information herein disclosed. This discourse is intensely interesting as well as informative and marks a high note in our Forum program.

MEN'S CLUB NEWS

As we approach our fourth Forum we feel strongly that certain facts must be brought to light. Our hearts and our minds are striving mightily to build an ever more unified and vigorous Men's Club. We mean to continue to function on a higher plane compatible with the spiritual heritage of Kehilath Jeshurun.

Our diversified platform is mentally stimulating as well as deeply engrossing. Talented men representative of practically every activity worthy of human effort do enjoy and will continue to possess the privilege of our rostrum. Voices such as these must be given an ever wider hearing. Meanwhile we are cementing ever closer the fraternal bonds of good fellowship which worthy relationship has already resulted in concerted benevolent action, where such action was greatly needed.

Therefore may we of the Men's Club modestly state, "we are most thankful of the fact that our efforts are beginning to bear fruit." All right-minded men are most welcome to attend our meetings and see for themselves just who we are and what we are and how we function.

PERSONALS

We must make mention of Dr. A. A. Klatzkin's general helpfulness. He's a goodly asset.
