Sale of Chometz

Chometz that is left over the Passover may not be used after the holiday unless previously sold through the procedure prescribed by the Jewish law. Rabbi Lookstein may be seen for that purpose every morning and evening in the synagogue. No chometz may be sold after Monday, April 22nd, 10:45 A.M.

Service for the First Born

The traditional service for the first born will be conducted on Monday morning, April 22nd, following the regular morning services which will be held as usual at 7:15. It is obligatory upon all first born to attend this special service. Where the first born is a minor, the parent may attend the service for him.

Placement Wanted

If you are in need of a very competent governess or companion — a young lady of refinement, ability, education and culture, communicate with the synagogue office, ATwater 9-5760.

Important Board Meeting

The Board of Trustees of the Congregation will hold an important meeting on Thursday evening, May 2nd, at 8:30 in the library of the synagogue. This will be the last Board meeting of the present administration and will come shortly before the annual membership meeting. The budget for the new year will be considered, as will also the improvement and remodeling of the synagogue building. A new program of activity to be undertaken jointly by the congregation and the Central Jewish Institute will be outlined. The meeting will undoubtedly be the most important of the year and it is extremely urgent that every trustee and associate trustee be present.

Synagogue's Boy Scouts Celebrate Birthday

Troop No. 606, the synagogue's own, celebrated its seventh birthday on April 11th in the social hall. More than fifty parents, relatives and friends of the boys were there. A novel touch was given to the program by the welcome to the guests present expressed by all the scouts in the Morse code. A community sing and the lovely refreshments gave a pleasant and informal atmosphere to the evening, and the technicolor of life at a scout camp was enjoyed by all.

Mr. Fred Margaretan announced a prize of one week at a scout camp for the boy excelling in scouting. The winner will be announced at the close of the season.

A Speedy Recovery

Our heartiest wishes for a speedy recovery are extended to Mrs. Osias Garfein, a very esteemed and dear member of the congregation and Sisterhood. May she soon be restored to good and enduring health.

MEN'S CLUB NEWS

The Men's Club, in consistency with its established policy of presenting a diversified program, announces as its guest for the next meeting on MAY 14th (always the second Tuesday of the month) a nationally known surgeon and hypnotist, DR. ADOLPH P. LINK, whose subject will be "HYPNOTISM—EXPLAINED AND DEMONSTRATED."

This unique type of forum is in full conformity with our determination to invite only the outstanding men in their respective fields of activity. Ours is a broad comprehensive, all inclusive platform that has for its primary motive the dissemination of man's diversified knowledge and the varying viewpoints thereto. These specialists are particularly well qualified to give us an insight into realms where our individual experiences or thoughts would otherwise be total strangers. Ignorance is a certain breeder of hatred and suspicion.

Man can only grow in proportion as he contacts the wider field of other men's activities and objectives and seeks to comprehend them. Education is the many-runged ladder leading to knowledge, which, in its best sense leads to understanding. Understanding is the passage-way that helps to bridge the differences that exist between man and man. Hence, in a limited way we hope to be a means of increasing and improving the general level of understanding to the end that we may find a peaceful and more tolerant way of living with our fellow man.

PERSONALS

Alvin Austin, our Public Relations Committee Chairman, submitted a most clarifying report of the A. A. Brill meeting. We wish his services were more often available.

* * *

Although he lives at a considerable distance, Ben Steiner has been a constant attendant at our gatherings.

* * *

The Rabbi delivered a brilliant and lucid comparison in his analogy of Dr. Cyrus Adler and Mr. Jabotinsky. We label it as an especially fine effort, even for him.

* * *

The award for dexterity goes to Jack Alpert. We have seen him at one and the same time, sign up a new member, wait on a customer and sell tickets for a Sisterhood affair. Houdini had nothing on Jack.

Dressed in a deep coat of tan and sporting the latest Floridian accent—Max Etra comes marching home. Welcome, stranger!

* * *

The Hon. Samuel M. Katz we're happy to note is taking a more active participation in our executive committee meetings.

* * *

That patron saint of Hypnotic Entertainment, our affable Jack Rudd, is wearing a broad smile these lengthening days. He is happy because those twin spell-binders, Spring and Hypnotism, are with us once again.

What A Cocktail Party!

The cocktail party sponsored by the Sisterhood last Sunday at the Cafe Montparnasse was a real gala event. The beautifully attired ladies in their new spring outfits and the equally dapper gentlemen spent an unforgettable afternoon dancing, eating, yes—and drinking. As the guests reluctantly left, one heard an unending refrain, "What an enjoyable party."

For the achievement of this the Sisterhood is indebted to their very capable and enthusiastic chairman, MRS. MAXWELL SHAPIRO, who was ably assisted by her co-chairman, MRS. JACOB RUDD. Thanks are also due to Miss Eleanor Fairchild who thrilled her audience with her exquisite dance routines. To the management of the Montparnasse, to our friend Mr. Abe Nitzburg and to Bloomingdale Bros. go our thanks for the lovely gifts they sent us and which were used as door prizes.

To our guests who are still talking about it, we give our assurance, "there will be more such parties in the future."

Sisterhood Closing Meeting

The Sisterhood of the Congregation will meet for the last time this season on May 6th at the home of Mrs. Maxwell Shapiro, 25 East 86th Street. Mrs. Jacob H. Alpert, president of the organization, will present her annual report and officers for the new year will be elected. Rabbi Lookstein will be the guest speaker. Members of the organization and those who care to join are asked to reserve the date of May 6th and make sure to attend.

The Looksteins at Home

Rabbi and Mrs. Lookstein will be at home to the Kehilath Jeshurun family on Tuesday, April 30th, from 3:30 to 6:30. Members of the Congregation, Sisterhood, Men's Club, Talmud Class, and Cultural Class will be most welcome at this traditional "at home". The address is 106 East 85th Street.

Thanks

Rabbi Lookstein takes this means of thanking the members of the Cultural Class for their beautiful gift. The class having already closed its session for the season, there is no other medium save the bulletin to convey this message of gratitude.

Passover Cautions

It is important to bear in mind certain do's and don'ts in connection with the Passover holiday.

1. No Passover food articles should be bought loose. Only articles which are packed and sealed and bear the stamp of approval of a recognized rabbi or rabbinic organization should be bought.
2. Remember to have some Palestine products on your Seder table.
3. If you are in doubt about the method of koshering utensils for Passover, please consult the Rabbi.
