The closing meeting of the Sisterhood will be held MONDAY, MAY 6th, at the home of MRS. MAXWELL SHAPIRO, 25 East 86th Street, promptly at 2 o'clock. All members and their friends are cordially invited to attend. This will be an extremely interesting meeting, what with the Election of Officers, and with RABBI LOOKSTEIN as the guest speaker! Come early, laden with suggestions and plans for the coming year. Any advice given will be appreciated.

## A Hearty Welcome

It is with great pleasure that Kehilath Jeshurun welcomes two new members to its family, Mr. Jay Winston and Mr. Harry Siegel. It is the hope of the congregation that their association with them will be a long and happy one.

## Response to Emergency

### Fund Excellent

Members of Kehilath Jeshurun are to be commended for their generous response to the Emergency Fund for War Torn Yeshivoth. Six Hundred Dollars has already been sent. There is still about \$200.00 in pledges outstanding which we hope our kind donors will send in without further delay.

---

The Annual Membership Meeting of the Synagogue, scheduled for THURSDAY EVENING, MAY 9th, will be one of the most important in the annals of Kehilath Jeshurun. Many vital issues, of great interest to all members of the Synagogue will be discussed. The Sixty-fifth annual financial report will be read and the budget for the coming year will be given. Reports will be given of the Ramaz Academy and on the Religious Afternoon School. The Election of Officers and of Trustees will also take place. Every member is urged to set this date aside and to determine to let no other appointment interfere with his presence at this meeting. The meeting will of course be held in the Social Hall promptly at 8:15 o'clock.

#### **Congregation Responds**

##### **Beautifully to Passover Relief**

Kehilath Jeshurun may well be proud of its record in response to the Passover Relief Appeal. Over \$800.00 has been sent to the Yorkville Passover Relief from the Synagogue and \$50.00 from the Sisterhood. This does not include the additional money distributed at the Synagogue to worthy and needy families. For these fine results, the congregation is greatly indebted to Mr. S. Herbert Golden and Mr. Harry Etra, both of whom so ably assisted Rabbi Lookstein in this important work. It is hoped they will be privileged to continue their fine philanthropic activities for many years to come.

#### **Greater New York Fund**

##### **Conducting Campaign**

The annual campaign for the Greater New York Fund is now in progress. The Fund does not appeal to individuals, but to business firms and corporations and employee groups. It seeks to raise much-needed money for the support of voluntary social welfare and health agencies in the City of New York. Among the 393 welfare agencies affiliated with the Fund are the New York and Brooklyn Federations of Jewish Charities, the United Hospital Fund, and the Welfare Council. It is urged that the representatives of the Fund be graciously received and that the response be as generous as possible.

## MEN'S CLUB NEWS

We of the Men's Club are determined to follow our purposeful course and we will permit nothing to interfere with or impede our progress.

Therefore this particular forum meeting will surely be a special one in more ways than one. First of all we will have the ladies as our guests. All season long they have clamored for this privilege. We have however steadfastly maintained our adopted policy of "Men Only" even in the face of this beguiling feminine insistence. True enough, on several occasions one or two ladies have been in attendance but this is the first time we have officially opened our doors to their presence. However, lest there be any misunderstanding let us hasten to assure them that they are heartily welcome. How often this is repeated depends entirely on the success of the experiment.

Secondly, there is Dr. A. P. Link. In him is embodied that rare blend of the cultural, the humorous and a certain graciousness of manner as well as scientific achievement. The art of Hypnosis has reached its highest state of development in his accomplishments while in the field of medicine, his reputation is likewise altogether most worthy. Thus interest and expectancy run high and we feel more than confident that the performance will well merit such widespread enthusiasm and anticipation.

Thirdly, this is our last forum meeting of the present semester. Altogether the occasion marks a milestone in our multifarious program.

### Personals

One of our stalwarts is that affable young "old-timer", Dan Eberstein. We welcome his cooperation.

He came, he saw, he joined—and then he disappeared! We're wondering what has happened to Nat Kogan.

We're happy to announce that William Fischberg, a devoted and loyal member has been appointed a member of the Executive Committee.

Chairman Harry Etra tells us that the supply of membership application blanks is still plentiful. Have you signed one?
