## A HAPPY CHANUKAH TO ALL

### Ramaz Students Present Chanukah Program

Last Tuesday morning the auditorium of the Central Jewish Institute was the scene of a very enjoyable and impressive Chanukah program given by the entire student body of the Ramaz Academy. There were playlets in costume, recitations and songs during which the true spirit of this glorious holiday was brought home to the audience as well as to the performers.

The entertainment ended on a sweet note for the Sisterhood of the Congregation presented each child with a bag of candy.

### Cultural Class to be Resumed

Rabbi Lookstein is arranging to resume sessions of the cultural class, to meet fortnightly. The subject for this year's course of study will be "The Philosophy of Yehudi Halevi." Since this is the 800th anniversary of his birth it is fitting that this course be given. Details will be given in a future bulletin.

### Our Benevolent Fund

Have you received the Chanukah candles sent to you last week? Have you responded? Remember that all monies collected in response to the candles will be allocated to the Benevolent Fund. Whatever you send will be greatly appreciated.

### This Is A Special Sabbath

This Sabbath we recite the Rosh Chodesh prayers and we celebrate the beautiful holiday of Chanukah which began Tuesday night. This "double feature" gives special character to this Sabbath. There will be impressive and suitable melodies for both occasions.

We invite our regular worshippers and their families and friends to come and enjoy these services with us.

### Synagogue Structure To Be Altered

An important meeting of the Board of Trustees took place last Monday. At this meeting the proposed alteration of the synagogue was discussed. A committee to investigate plans and details will be appointed and there is every indication that before long the necessary changes in the synagogue structure will be started.

### Women's Class in Hebrew

The Hebrew class for women will be resumed Wednesday morning, January 8th, at 10:30. All those interested in learning to read, write and speak Hebrew will be welcomed. The class meets in Room A of the Central Jewish Institute.

## Contributions of Wool Needed

The enthusiasm of the Sisterhood women who are knitting Blankets for British Babies is always a step ahead of the amount of wool on hand.

Contributions have been received from several people—but more are needed. Every woman should do something for these unfortunate babies. If you do not knit, or crochet, you can help by getting wool, any kind, any color, though dark shades are preferable.

Come any or every Monday afternoon from 1 to 5. The group meets in the Social Hall of the synagogue.
