Sisterhood Membership Meeting

Elaborate plans for the coming Membership Meeting on MONDAY, JANUARY 13th, are being made. Mrs. Samuel Rosen has very graciously volunteered to give her home at 1185 Park Avenue, for this meeting. A dessert-luncheon will be served at 1 o'clock.

The plans include the formal induction, by Rabbi Lookstein, of all members who joined the Sisterhood during 1940. An elaborate musicale by well-known artists will be another part of the program. Members and their friends are invited.

For a local organization the work of the Sisterhood is widespread. To carry on their extensive program it is essential to increase the membership. The social, educational, and philanthropic work of the Sisterhood should appeal to every woman. Anyone interested in joining will be welcomed at this meeting.

Women's Class in Hebrew Resumed

The class in Hebrew reading, writing and conversation, which is held at the Central Jewish Institute, will resume its sessions this Wednesday morning, at 10:30. This course, it will be remembered, is given by Mr. Leon J. Karni, Principal of the C.J.I. Hebrew School.

It is with deep regret and sorrow that we record the death of our beloved Treasurer and esteemed Trustee, S. Herbert Golden. Funeral services will be held today (Friday) at 12:15 noon, at the Riverside Chapel, 76th Street and Amsterdam Avenue. Shiva will be observed during the week of mourning at the home of the deceased, 25 East 77th Street, New York City.

Men's Club "Smoker"

January 14th

On Tuesday evening, January 14th, the Men's Club will hold its first annual "After Dinner Smoker" in the library of the Synagogue. Every member is invited and may bring one gentleman guest to this meeting, which will be devoted to an evening of fun and relaxation, with smokes, drinks and a collation included.

Joseph S. Lengyel, who was so thoroughly enjoyed at a previous meeting, will again entertain with humorous songs and stories. Mr. Lengyel will be assisted by his charming wife, Hilda Lampe-Lengyel.

How Can You Help Britain?

Are you asking yourself that question? For surely you want to help Britain. The Sisterhood has a simple, easy answer. There are a host of women eager and willing to knit blankets for British Babies, who are handicapped because of lack of wool. The contributions of the Men's Club and the Sisterhood have been exhausted. This bulletin carried two appeals for wool or funds with which to purchase some. Only one response was forthcoming—Mrs. Harry Fischel sent a very generous check. Who will be next?

Mothers, Fathers, for just one moment think what it would mean to you if your baby had nothing but newspaper for a covering. And then, let your heart and your conscience answer our plea for wool, wool, and more wool.

Contributions may be sent to the Synagogue office, made payable to the Kehilath Jeshurun Sisterhood.

Sisterhood Bazaar

Although officially the Sisterhood has not started its campaign for the annual Bazaar and Rummage Sale, merchandise has been coming to the office. Mrs. Anna Haas has just sent a wonderful contribution of dresses. Other contributors have been Mrs. Oppenheim, Mrs. Larry Friedberg, Mrs. Max Singer, Mrs. S. I. Silberman.

The Sisterhood will be grateful to anyone wishing to donate any kind or type of merchandise. Letters will soon be in the mail and, it is hoped, will be heeded.

Did You Remember?

Did you remember to send a contribution to the Benevolent Fund, in response to the Chanukah candles recently sent to you? The Benevolent Fund is depleted and the appeals for assistance are increasing. Chanukah time was the "giving" time. Large or small contributions will be greatly appreciated.

SERVING IN FRIENDSHIP

by IRA F. WEISMAN

We of the Men's Club may well look back with some degree of pride on a year of achievement and progress.

Steadfastly we have maintained our three-fold program of service in the fraternal and social, the educational and cultural, the humanitarian and benevolent areas of our communal life. On the social side new friendships are being formed and old ones happily renewed. Our monthly meetings have caused much favorable comment while attracting large and attentive audiences. Outstanding personalities, men distinguished in their respective fields of endeavor have occupied our platform. All have held our interest and all have made a worthwhile cultural and educational contribution. In the third and perhaps most important sector of our activities, the humanitarian, we have been giving aid to and cooperating with groups who not only are performing a needed charitable function, but also those who are combatting anti-Semitism here and elsewhere. Thus in the pursuance of our aims we have made an earnest effort to be a vitalizing and effective force for good, in many directions. A further result has been that the group is attracting to itself a constant influx of new members, men who think alike with us.

Lest we forget, all of this had as its motivating force, the determination to participate in only such activities as were consistent with and would bring added renown to, the high spiritual tradition of Kehilath Jeshurun. The Men's Club in the future as in the past will be ever vigilant in the continued maintenance of this lofty standard and criterion. And finally we wish to gratefully thank all those who labored so faithfully and diligently in our behalf. May the coming year inspire us to even greater accomplishments.
