## HELP SAVE

### TRAPPED JEWISH STUDENTS

Hundreds of Jewish students have been trapped in Shanghai, China and in Siberia as they fled from the wrath of Hitler. These students are victims from the Yeshivoh of Eastern Europe and are now suffering hunger, disease and all the tortures of succeeding calamities.

This news was conveyed to Rabbi Lookstein from sources close to the center of suffering. The Rabbi has been asked to raise a special fund to bring some measure of relief to these unfortunates. He is trying to raise the sum of \$1,000 for that purpose in the congregation. He already is in receipt of a contribution of \$250.00 from one of our members.

In speaking of this cause the Rabbi said: "I am sure that the kind and generous members of Kehilath Jeshurun will respond in characteristic fashion. These students can not only be saved, they can even be transported to Palestine into which permission to enter has already been obtained. This is life saving in the truest sense."

Contributions may be sent to the Rabbi, made payable to the Benevolent Fund of the congregation.

## AN AMBITIOUS

### EXECUTIVE BOARD

The Sisterhood Executive Board met last Monday morning, for its regular monthly meeting, and, while partaking of lunch, planned further activities for the balance of the season.

Emulating the fine example set by the Men's Club, the Board voted to start a special Camp Fund which would enable them to send several underprivileged children to a summer camp for a two-week period. Mrs. S. Lawrence Brody graciously accepted the chairmanship of this project, which fact is evidence of the success anticipated.

Details of a Joint Purim Party with the Men's Club were discussed and now await confirmation by the latter organization. March 21st is Purim. Keep that date open!

A contribution of \$50.00 was awarded the Sunday Religious School of the congregation. If the forthcoming Bazaar and Rummage Sale is a success, who can tell how much more will be given to this cause as well as to others!

Mrs. Jesse Max will speak on "THE ROLL OF MUSIC IN JEWISH LIFE". Mrs. Max will explain how the observant Jew depends on music to help him appreciate the spirit of the festivals and how the peculiar character of the Jew is reflected in the folk song of yesterday and to-day. Mrs. Max's talk will be accompanied by illustrations. This promises to be an exceptionally interesting and enjoyable afternoon. The hostesses will be Hilda Fischman and Martha Givner. Set aside this date and be with us!

### MEN'S CLUB NEWS

Though the war goes on and almost every week finds one or more of our group joining the ranks of the armed forces, our numbers continue to increase. Effective action on the home front is deservedly bringing us these newly found friends as well as an ever widening community recognition. We have striven with steadfast purpose to give aid and comfort where we could best achieve such desirable results.

To-day in addition to our normal commitments we are actively engaged in aiding the war effort. In cooperation with the U. S. Army, the Jewish Welfare Board (U.S.O.) and the Sisterhood (who do the sewing), we are providing and distributing Victory Kits to troops leaving for overseas duty. Almost daily we receive letters of thankfulness from the grateful recipients thereof and to read these, places one in closer understanding with the hearts and minds of the boys who so bravely defend us. You learn that they appreciate beyond expression such a practical and handy gift. These kits contain necessary men's articles not provided by the army authorities and they cost about one dollar (\$1.00) each. Won't you please help us give a bit of needed joy to a fighting soldier? Kindly send your contribution to the Men's Club Benevolent Fund, c/o Kehilath Jeshurun Synagogue, 117 East 85th St.

We are especially pleased to greet as a new member the son of our faithful membership Chairman, Lt. Elmer Alpert. . . . Congratulations to Alvin Austin upon the marriage of his brother Sylvan Silberman.

## RUMMAGE SALE

### Next Project For Sisterhood

We're at it again! The BAZAAR and RUMMAGE SALE is the next project we're undertaking. A difficult job but a lucrative one! And, oh, how much can be done with the proceeds!

We will accept any kind of merchandise — wearing apparel or household goods — all of it, regardless of the condition (as long as it is salable) can be turned into cash when the Sisterhood gets hold of it.

Mrs. Sam Sacks, a comparative new-comer in our ranks, but an ardent, sincere and energetic worker, has consented to accept the Chairmanship. She needs encouragement and assistance. If you want to earn a Mitzvah, call the office and ask us to send for your package. If you want to earn two, bring your package to us. How 'bout it, readers?
