## SYNAGOGUE MEMBERSHIP DRIVE

In accordance with a recent decision of the Board of Trustees a membership campaign is being planned with the object to obtain one hundred new members for the congregation.

The chairman of the membership drive is Louis J. Singer. At a conference he recently called, plans were discussed which will soon be put into operation. It is intended that every member of the congregation be part of the campaign. The slogan will be "Every member get a member."

You will hear more about this soon. In the meantime, if you have a son, a son-in-law, a neighbor, a friend — anyone who is still not a member of the congregation, — approach him yourself or send in his name to the synagogue office and he will be approached by the committee.

## SERMON SERIES CONTINUES

The Rabbi began a series of sermons last Saturday with an address on The Moral Climate of the Post War World. Those who braved the weather, and there were many, were amply rewarded. The second in the series will be delivered this Saturday and the title will be, "The Jew in the Post War World."

## THE CRY MUST BE HEARD

The following have sent in their contributions in response to Rabbi Lookstein's appeal for the stranded and suffering Yeshiva students in far off Asiatic and African countries: J. Biloon, E. B. Cooperman, William Heyman, Paul Hirsch, Jacob J. Lubell, N. David Landau and Mrs. Jacob Perlman.

The Rabbi is expecting more to respond. The quota for our congregation is \$1,000 and it must be raised. Every dollar that you send actually goes towards saving a life — a life of a young student who someday may be a credit to universal Israel.

This, therefore, is a life saving effort. Please send your contribution, payable to the Benevolent Fund of the congregation, to the Rabbi.

### OUR DEEPEST SYMPATHY

The congregation and Sisterhood are deeply grieved at the untimely passing of young Jack Vogel, beloved son of our members Mr. and Mrs. Simon Vogel, and extend sincere and heartfelt sympathy to the entire family.

This boy came from Paris one and a half years ago. During that time he completed the four year course at the High School of Commerce, graduating with the highest honors at the age of sixteen. Just two weeks ago he commenced his studies at the New York University

intending to become a chemical engineer. He was a regular attendant at Rabbi Lookstein's young people's study group which meets every Sunday morning. Only last Saturday, despite the inclement weather, he attended synagogue services.

Shiva will be observed at the Vogel home, 895 West End Ave.

### SISTERHOOD NEWS

The spiritual warmth which Kehilath Jeshurun radiates as well as the promise of a fine program, drew an ardent group of Sisterhood members to last Monday's meeting despite zero weather. After sustaining and delicious refreshments a short meeting followed. Rose Rudd, our President, launched "The Camp Project" which was enthusiastically received and started with a bang. The meeting was then turned over to Mrs. Jesse Max, our guest speaker, who certainly afforded us an enlightening, entertaining and enjoyable afternoon. The Jewish melodies which she chose to illustrate her talk brought nostalgic memories to many and she soon had all joining in chorus. Those present expressed their appreciation and hoped she would be with us again.

The Sisterhood Sewing Circle which meets every Monday and is now engaged on "The Bundles for Palestine" project as well as "The Victory Kits" is hampered in its work due to the lack of sewing machines. The Sisterhood voted to purchase one machine but this is not enough. We again appeal to readers to assist us. Anyone who can lend or donate a sewing machine will be doing a worthwhile deed towards the War Effort. Please heed this!

## MEN'S CLUB NEWS

An organization will only succeed in proportion to its adherence to a prescribed plan or purpose. From its inception our reorganized group has consistently functioned in accordance with a definite ultimate goal in view.

Every activity in which we have participated has fitted in with this pattern; every meeting we have held was to further this accomplishment. At the same time our all embracing program has permitted us to give fitting cognizance to the special needs of a wartime existence. Thus our strength continues to grow! Our numbers continue to increase as we steadily march to ever greater attainments. And as we widen our sphere of influence, more and more do we receive from the outside world a keener recognition of our usefulness and worth. Thus we fully justify our existence even in a war-torn world.

### OUR FEB. 16th MEETING

Once again a large and truly enthusiastic audience intently listened to and eagerly watched the illustrated lecture, "Jews in South America" delivered by Rabbi J. X. Cohen. All of us found great satisfaction in the fact that we had asked him to make this return visit. Altogether it was an inspiring and informative evening.

We herewith thankfully present the names of those who have thus far contributed to our benevolent fund. ### SYNAGOGUE OFFICE REDECORATED

Those who visit the Synagogue office will be agreeably surprised and delighted at the change which has taken place. Newly painted and with beautiful flooring, it is quite a contrast to the office of old.

There are a few additions needed: a clock and some pictures for the walls. Would some kind reader like to donate one of these?

### RAMAZ NEWS

This Sabbath Ramaz will add a fourth student to its growing Bar Mitzvah Roll. Gurston Goldin of the eighth grade, will celebrate the occasion at the Mt. Eden Center, Morris Avenue and 173rd Street. Gurston is going to read the entire portion of the Law and the Haftorah, and will also deliver an address in Hebrew.

We extend our congratulations to Gurston and to his parents, Dr. and Mrs. Harry Goldin.
