ROSH HASHANA BULLETIN

LT. JAMES K. LEVY

Our dear members, Mr. and Mrs. Adolph Levy received word this week that their son, First Lieut. James K. Levy was killed in action over the Island of Elba. He had been previously reported missing in action.

Young Jimmy is a nephew of our esteemed members, Samuel M. Emanuel, and Ira I. Kaplan. He grew up in Kehilath Jeshurun. Many will recall him as the red haired, bright faced boy who sat in the section of our synagogue occupied by his family for many years. Jimmy loved Kehilath Jeshurun and everyone in Kehilath Jeshurun who knew Jimmy loved him.

The reports that we received confirmed the fact that he met a hero's death. He was the leader of a squadron of fighter planes that earned the reputation as "The Block Busters of the Mediterranean." He fought through the entire North African campaign and the entire Italian campaign. He had earned a furlough, but voluntarily stayed behind to train a fresh crew of fighter pilots. His last mission was a recon-

naissance of gun enplacements on the Island of Elba. He swooped low to view the target better and thus exposed himself to flak. Thus ended his heroic life but a few days before his twenty-first birthday.

Jimmy Levy was a credit to the Service and an honor to the Jewish people. He always gloried in his name and proudly bore his Jewish heritage. He was known throughout the Mediterranean area as a big brother to the members of his squadron. "When Jimmy was around," said the Major of his squadron, "we never went hungry." Under the most dangerous conditions he always provided for those with him. Indeed a young descendent of the Macabees.

Jimmy gives to Kehilath Jeshurun its first gold star and a bright and glistening star it is. Together with his beloved parents and the entire Kaplan family, Kehilath Jeshurun stands with bowed heads in honor of and in tribute to an American hero and a noble son of Israel.

MEN'S CLUB NEWS

THE RED CROSS NEEDS BLOOD!

Be a blood donor and save a life! There is a definite shortage of blood plasma today, as casualties are mounting, and more and more blood is needed. Go to the Red Cross Blood Donor Centre at 2 East 37th Street or call MU 5-6405 to make an appointment. This is one way a stay-at-home can serve at the front.

RAMAZ ENROLLMENT PASSES 200

The Ramaz School opened its school year last Monday with an enrollment of 200 children. Many applicants had to be turned away for lack of space. Several new teachers were appointed to the staff this year and new features have been added to the curriculum.

Registration of new students is, of course, closed. It is possible however, to take in just a few more children into the Kindergarten. Interested parents with children of Kindergarten age may apply at the school office.
