LAST CALL FOR PASSOVER RELIEF

The response thus far to our Passover Relief Appeal has been most generous and encouraging, but we have not reached our quota of \$5000 so urgently needed this year. A number of our congregants and friends have not as yet sent in their contributions.

We need not impress upon you the urgency of responding and of responding immediately. This is a call for help which cannot be delayed. There are only a few days left and we must carry out our obligations to the needy of our community, to our unfortunate brethren in DP camps, and to the refugee rabbis in Palestine.

If you are among those who have not as yet responded, please do so at once. Remember, this is the last call.

PREPARING FOR PASSOVER

As the Passover season approaches, we should like to call your attention to a few matters pertaining to the preparations for the observance of this very important holiday. **"Kosher for Passover"**

The Passover holiday is one that affords the unscrupulous an opportunity to practice fraud and deception upon the observant. A variety of food articles are offered for sale under all guises which are actually forbidden for use. The fact that these articles are sold in the Passover departments of leading department stores is no guarantee of Kashrut. Only the endorsement of a recognized rabbi or rabbinic organization may be depended upon. Since not all are familiar with the status of endorsers, it is advisable always to consult the Rabbi when in doubt.

At the same time, the attention of business men should be called to the restaurants in business districts that serve Passover meals. It should be obvious that the serving of matzo does not transform a non-Kosher restaurant into a Kosher one. Even so-called Kosher restaurants are not necessarily Kosher for Passover. Let all observant ones, therefore, be cautious.

Sale of Chometz

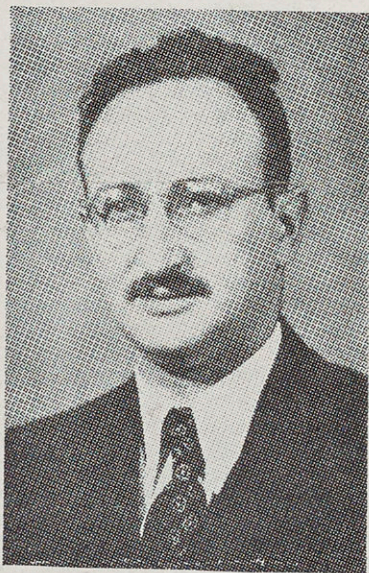

Rabbi Lookstein will be available beginning with Thursday, April 11th for the sale of Chometz. The Rabbi may be found in the synagogue office daily.

**OUR SIXTH ANNUAL DINNER
Tuesday, April 30th**

Our dinner chairman, Mr. Hy Bucher reports that a record-breaking number of reservations have come in for the Sixth Annual Dinner. Such a response at this date is fitting testimony to the high regard which our organization enjoys. We shall continue to take reservations just as

long as space is available, but judging from present indications, we may have to close reservations very soon.

The principal speaker of the evening will be the distinguished Basil O'Connor, law partner of our late President Franklin Delano Roosevelt and Chairman of the American Red Cross and Infantile Paralysis Campaigns.
