## KEHILATH JESHURUN PROVIDES FOR THE NEEDY AT PASSOVER TIME

A long-standing tradition in Israel is to provide for those in need at Passover time. The Talmud and the Codes of Law speak of this tradition. Every Jewish community the world over makes available a fund out of which are purchased Matzoth and other Passover necessities for distribution among the poor.

In our congregation this time honored institution has always elicited generous response. In recent years our congregational family has been called

upon to raise large sums at Passover time and always we came through. This year we require a minimum of \$3,000. How will that sum be spent? To begin with, a very large part of it will go to the Yorkville Passover Relief Committee which takes care of the poor and needy in our immediate neighbourhood. A substantial sum will go as special Passover grants to deserving institutions here and abroad. Out of this fund, too, will be taken care of respectable and deserving families about whose needs we know and who would normally not come to the attention of public charity.

This year we are anxious to send a substantial contribution to our beleaguered brethren in the holy city of Jerusalem. Thousands of Jews in that city have been cut off from the normal

### THE BLACK FRIDAY OF AMERICAN HISTORY

What happened last Friday at Lake Success will take America a long time to get over. We did more than reverse our stand on Palestine. We went back on our word. We lost our honor. We did more than frustrate the hopes of the Jewish people. We may have dealt a mortal blow to the entire United Nations.

As Jews and as Americans we are duty-bound to consider carefully what our government has done, what effects the action will have upon us, upon our country, upon Palestine and upon the world. If we act wisely and patriotically it may not be too late to wipe the shame from the face of America.

Rabbi Lookstein intends to discuss the entire problem this Saturday morning. The title of his sermon is, "Our National Honor—A Religious Evaluation of American Foreign Policy." As a member of important Zionist committees, the Rabbi has been in touch with the latest developments in the Palestine situation. He will undoubtedly tell us more than we read in the news. He will most definitely enlighten our thinking on a matter which has brought first hope and more recently pain to the heart of every American Jew.

#### **Twixteeners Plan Membership Dance and Entertainment**

The Steering Committee of the newly-organized Twixteeners met last Sunday with the group's director, Mr. Samuel Goodside, and planned the first major function of the year, a Membership Dance and Entertainment. The tentative date set for the affair was Saturday night, May 1st. The plans of the Steering Committee will be presented before the general membership at its next meeting, Sunday, April 4th at 3:00 p.m., at which

time the details of the affair will be discussed and approved.

Plans were also discussed for the group's visit to the Robert Merrill Show April 11th; for a Symposium on a topic of major current interest; and for other interesting activities. Obviously, the Twixteeners are in for a full and varied program, which, we know, will assure the success of this latest affiliate of Kehilath Jeshurun.

#### **MEN'S CLUB NEWS**

The next Forum Meeting of the Men's Club, to take place on Tuesday, April 13th, will have as its guest speaker, a young journalist, Alvin Rosenfeld, who will speak on "The Next Six Months in Palestine."

Mr. Rosenfeld, on the staff of the New York Post, is a well-known reporter with a knack for being where news is breaking. During a recent trip to Palestine, for example, he spent 24 hours in a beleaguered Haganah headquarters in Jerusalem, a witness to British confiscation of Jewish arms; the burning of homes and offices; the stoning of buses.

Mr. Rosenfeld was the only correspondent to make the DP camps-to-New York trip with the first group of refugees to enter America under the Truman immigration directive; his account of this historic journey won honorable mention in a journalistic contest.

His assignments have included coverage of UNRRA and UN meetings, labor, political and industrial stories; but his knowledge of Pales-

food supplies. Several thousand students in the Yeshivoth are in desperate want because no financial support can reach their institutions. We are in a position to help them and to have our help reach them through special channels. And at Passover time we dare not forget them.

We appeal, therefore, to all our family, members, seatholders, and friends of Kehilath Jeshurun generally, to respond to our Passover Relief appeal this year more generously than they have ever responded before. If you recall what your last year's gift was, try to double it. Above all, please do not delay. Send in your contribution at once if you want it to accomplish the most good. May God bless you for your kindness.

We urge you to be with us on the 13th.
