

### **NEW ASSOCIATE TRUSTEES WELCOMED AT FIRST MEETING**

At the first meeting of the Board of Trustees for the coming year, which took place Thursday evening, Mr. Max J. Etra, President of the Congregation, extended the welcome of the entire Board to the three newly-appointed Associate Trustees, Messrs. Ernest Adler, A. Milton Brown and Isidore Grossman.

We congratulate the three on their appointment and we wish them good luck. We are confident that their addition will prove a valuable asset to the Board, and that their active participation in the conduct of the affairs of the Synagogue will be found advantageous in every respect.

We are also happy to record the re-appointment of the following Associate Trustees for the coming year, and, in so doing, we extend our sincerest congratulations: Messrs. Hym-an I. Bucher, Harry Etra, Benjamin Gottfried, Benjamin Jacoby, Alexander Kommel, Harry Metzger, Jacob Rudd and Isidore Schlang.

### **FRIENDS OF SAMUEL ROSEN PRESENT GIFT TO SYNAGOGUE**

When the Ark was opened during the holidays, an especial aesthetic and spiritual treat greeted our worshipers. Friends of our very esteemed member, Samuel Rosen, had presented to our congregation a beautiful set of vestments for the Torah in celebration of his fiftieth birthday. Knowing Mr. Rosen's devotion and love for his House of God, they felt that this gift to the synagogue would

### **KINDERGARTEN GROUP OPENS**

A new group has been added to the Religious School roster of classes—a Kindergarten for children between the ages of four and six. The group meets Sunday mornings, from 10:00 to noon, and is supervised by a young, qualified Kindergarten, Miss Helen Lesser.

The program is the same that is found in the better Kindergartens, with the exception that material of Jewish content is emphasized. Activities center around Jewish ceremonial objects, Jewish customs, life in Israel, and Jewish holidays and festivals. Common objects that the child is likely to encounter are referred to by their Hebrew names, so that from the earliest age, the child is introduced to Hebrew culture.

We know that our readers will be happy to learn of the opening of this group and that they will register their children without any loss of time. Mr. Appleman, the Principal of the Religious School, will be happy to give further information to interested parents..

best demonstrate their affection for him.

We know that these handsome vestments are much appreciated by our congregants and will be a source of ever-increasing pleasure to us all. We can think of no better way of honouring a man than by presenting such a fine gift to his spiritual home. We hope that others may follow this example and we express our thanks to Mr. Rosen and to his friends.

## **SISTERHOOD NEWS**

### **Cooperate in Federation Campaign —**

The Federation of Jewish Philanthropies has started its 1948 campaign, and once again our Sisterhood is preparing to give its fullest cooperation to the drive. That means that all members must start now to think of the many ways in which we can—and must—help in this record drive for \$16,500,000.

Mrs. Nathan B. Kogan has been named Chairman of the Sisterhood Committee, and she asks that when you are called upon, you remember the rising costs and mounting needs which make this year's goal an absolute minimum.

### **SOS Campaign —**

Sisterhood members have always shown keen interest in causes like the UJA, Federation and SOS. It is with regard to the SOS campaign now in progress, that we wish to call attention to the fact that items like canned baby foods, canned milk, medical supplies, and the like, are sorely needed for overseas shipment. Members are earnestly requested to bring such items to the next meeting, and to continue to lend a helping hand in the SOS project.

## **JUNIOR CONGREGATION SERVICES RESUME**

Sabbath morning services for the young ones in our Kehilath Jeshurun family were resumed last Saturday. Under the watchful eye of Mr. Paul Orentlicher, a graduate of Yeshiva University and currently teaching in the College of the City of New York, the Junior Congregation is conducted wholly by the children who attend. The Cantor, the Reader of the Torah, and all participants in the service are chosen from among the members of the Junior Congregation.

The services are held in the Chapel, on the entrance level of the Synagogue building, start at 10:00 o'clock in the morning and last for about one and a half hours. A "kiddush" is served at the close of the service, provided by the Parents' Club.

Parents are urged to send their children to these services. The benefits that accrue from regular attendance cannot fully be described. Here is an opportunity for children to learn at first hand how the Sabbath services are conducted, and to participate in that service. Not only does the service become more meaningful, but the training that the children receive at the hands of their Hebrew teachers is translated into action — something that will remain with them for all time.
