Sessions in the Afternoon Religious School will be resumed for the coming year on Monday, September 12th. Registration of new children as well as those who have already been in attendance, has been in progress since the beginning of the week, and indications are that the enrollment this year will exceed that of last year by a large number.

### AUXILIARY HIGH HOLIDAY SERVICES TO BE CONDUCTED IN AUDITORIUM

Auxiliary High Holiday Services will be conducted this year in the Auditorium of the Synagogue House. As a result of the demand made upon us for several years, to make available a Kehilath Jeshurun Holiday service to the residents of our community, it has been decided to conduct an auxiliary service in the well-lighted and comfortably-ventilated Auditorium.

Well-qualified cantors will officiate. A young, capable Rabbi will be in charge, to assure a dignified and decorous service that will meet Kehilath Jeshurun standards. Rabbi Lookstein will preach on one of the days of the Holiday, and the melodies customarily sung by the congregation during the service in the main Synagogue will be chanted at these auxiliary services as well.

Reservations may be made daily in the Synagogue office. Tickets are uniformly priced at \$10.00, for men and ladies.

Be with us for the Holidays. You will derive a spiritual satisfaction that you have never before experienced.

The program of studies, it was announced by the principal, Mr. Myer B. Appleman, includes Prayers, Bible, Hebrew, Jewish History, Laws and Customs, Current Jewish Events, and activities in related fields including holiday celebrations, music, dramatics, regular assemblies, and the like.

### **Kindergarten Class to Re-open —**

The Kindergarten class which was organized last year, will re-open for children between the ages of four-and-a-half and six. Under the watchful eye of a trained young Kindergarten, the group will meet every Sunday morning from 10:00 to 12:30, with a full program in effect.

### **Extra-Curricular Program to be Extended —**

In addition to the usual curriculum of Hebrew studies, a program of extra-curricular activities for boys and girls of all ages is being planned. The club program which was instituted last year will be intensified to include an activity for children of every age and interest.

### **For Further Information —**

Information about the hours, fees and related matters may be had by contacting Mr. Appleman at the Synagogue office. Mr. Appleman will be glad to confer with parents regarding the Hebrew education of their children, and may be contacted at the school building daily from 3 to 6 P.M. and on Sunday from 9 to 12.

To the bereaved families, we extend our heartfelt sympathies and offer our prayer that they be spared from further sorrow for many years to come.
