

## DEAD LINE FOR YEAR BOOK ADS DRAWS NEAR

The January 31st dead-line for getting ads for the 1950 Year Book is rapidly approaching, but we are still considerably behind in our campaign to raise \$25,000 for the Educational Scholarship Funds of Ramaz School and the Religious School.

During the past week, we added another new-comer to our list of "big ad-getters" in the person of Jack Poust. A substantial amount in ads has already been received in the office, and we have good reason to believe he is still far from his total.

There have been several bright spots in this year's drive, mainly in the form of new workers. But, as against these encouraging sides, the possibility of falling short of the necessary quota still looms great. To overcome this, and to assure the Educational Scholarship Fund of the amount it needs, an added "something" is required: that **you** get **one** ad. Devote fifteen minutes to this job — that is all the time it takes to get your local storekeeper or your business associate to give you an ad.

### RAMAZ STUDENT PUBLICATION CITED FOR EXCELLENCE

The Ramaz "Scroll", the annual student publication of the elementary department of Ramaz, has been awarded second place in the national contest sponsored by the Columbia Scholastic Press Association of Columbia University. A certificate in recognition of this award has been received by the school office.

The 132-page volume was the product of the children, who not only contributed articles in both English and Hebrew, but handled all the art work and the lay-out themselves. Replete with photographs and drawings, the "Scroll" is a precious collection of original poems and stories, interviews and reports, submitted by children from the first grade through the eighth. Only in a supervisory capacity did faculty members participate in the production of the book.

To all who had a hand in the 1949 "Scroll" — heartiest congratulations on a well-deserved honor. We are hoping for First Prize next year, and we know you can do it!

### SEUDAH SHLISHITH THIS SATURDAY AFTERNOON

With the days becoming longer and longer, a practice which was discontinued during the alteration project will be resumed by the congregation this Saturday afternoon. We refer to the Seudah Shlishith (more widely known as Shalosh Seudoth) which will be held in the Social Hall following the Mincha service.

In keeping with the spirit of this Seudah, the customary menu will be served, and our Cantor will lead in the singing of the traditional zmirot. A cultural treat is also in store for our guests that afternoon.

The Seudah Shlishith has a long tradition behind it. For many years it was a regular feature of our congregation and its discontinuance was keenly felt. We are therefore happy to announce the resumption of this Sabbath afternoon practice, and we extend a cordial invitation to the men and women of Kehilath Jeshurun to be with us.

A real oneg Shabbat awaits them.

### SISTERHOOD NEWS

#### **Work on Bazaar Proceeding —**

Mrs. Martin Klein, Chairman of the Sisterhood Bazaar which is scheduled for early May, has announced that the work preparatory to the opening of sales is proceeding smoothly. A number of members are busy gathering merchandise, and a quantity of goods has already been received at the Synagogue House for storage until the Bazaar opens.

Very few activities compare to a bazaar from the point of view of having the entire membership cooperate without expending too much effort. Here is an instance where every single member can help make a project a success without going to too much trouble. To procure saleable merchandise merely means a visit to a local dealer, a simple request, and an inevitable response.

So don't delay. Collect as much as you can and get it over to the Synagogue House (or call Mrs. Klein at Sacramento 2-5833 if you have a delivery problem) and share in the success of the Bazaar.

#### **Reserve January 30th for Afternoon of Sociability —**

Are you interested in spending an enjoyable afternoon? Would you care to learn how to play Canasta? Do you want to lend a helping hand to the Scholarship Fund?

All of these can be achieved by your presence in the Social Hall next Monday afternoon, January 30th, at the Luncheon and Card Party sponsored by the Sisterhood. Mrs. Bertram Chuck, an expert at Canasta, will explain how this new game is played, and card tables will be set up for use in whatever game you care to play: mah jongg, solitaire — anything.

Mrs. Hymen Abrams, Chairman of the affair, is confident that a large attendance will be on hand for this social get-together. The subscription is \$1.00, and the proceeds will go to the Scholarship Fund. Have fun and do good at one and the same time.

### MEN'S CLUB NEWS

#### Symposium Attended by Large Audience —

A large audience was present Tuesday evening, at the Men's Club Forum Meeting, in which Dr. Bernard Lander, Dr. Melvin Tumin and Mr. Isaac Rosenfeld participated in a symposium on "What is a Jew?"

High-lighted by heated arguments among the three speakers, the symposium brought to the fore some interesting points of view. One of the speakers defined a Jew from a positive approach; the other two, who maintained similar outlooks, found no common bond by which a Jew can be identified with his people. The platform virtually shook with the excitement aroused by claims and counter-claims, assertions and denials — to which were added several pointed and intelligent remarks from among the audience.

The meeting lasted long beyond the normal "closing time" but all who attended found that time passed all too quickly. As usual, the collation which followed the meeting was also well received.
