### **106 RABBIS TO BE ORDAINED BY YESHIVA UNIVERSITY**

This Sunday the Rabbi Isaac Elchanan Theological Seminary of Yeshiva University will confer rabbinical degrees on 106 graduates who will thereby become ordained rabbis in Israel. Presiding at the Ordination Exercises will be Dr. Samuel Belkin, President of Yeshiva University, and the principal address will be delivered by Dr. Joseph B. Soloveitchik, Professor of Talmud at the Yeshiva.

The occasion is one of historic interest. This is the first time in the history of American Jewry and, for that matter, of world Jewry, that such a large group of young scholars will be inducted at one time into the rabbinate. All of the young rabbis have already been elected to prominent pulpits throughout the country.

The event, therefore, marks an important milestone in the religious life of the American Jewish community and its significance should fill the heart of every Jew and Jewess with justified pride.

Congregation Kehilath Jeshurun is in many ways associated with this historic event. Dr. Samuel Belkin, President of the University, is an esteemed trustee of our congregation. Mr. Samuel Levy, Chairman of the Board of Trustees of Yeshiva University, and Mr. Max J. Etra, Vice-Chairman of the Board of Trustees, are distinguished sons of Kehilath Jeshurun. Rabbi Lookstein is himself a graduate of Yeshiva and a member of its faculty.

## SISTERHOOD NEWS

**Executive Board  
Meeting Monday —**

This Monday afternoon, March 13, at 1:00 o'clock, the Sisterhood Executive Board will hold a very important meeting in the Library. Members of the Board are urged to make every effort to attend.

**Bazaar Committee  
Reports Progress—**

Mrs. Martin Klein, chairman of the Bazaar Committee, reports that merchandise for the forthcoming Bazaar is arriving at the Synagogue House daily, where it is being stored until sales begin early in May. Several members of the Sisterhood, Mrs. Klein continued, have done considerable work toward building up a stock-pile of saleable articles, and many of these ladies have not yet completed their individual campaigns to round up as much goods as possible.

Lest the foregoing be misunderstood, we hasten to add that we are still far from ready to open the Bazaar. There is still an abundance of merchandise that must be brought in before we can say we have enough to start sales. Toward this end, the cooperation of each and every Sisterhood member — and whoever else is in a position to help out — must be received by the Bazaar Committee. No such thing as "too much" is possible in a venture of this kind.

In order to facilitate the delivery of merchandise to the Synagogue House, a "pick-up squad", headed by Mrs. Robert Wallach, has been named. A call to her — BUtterfield 8-3653 — or a call to the Synagogue office will result in having someone pick up your goods and add it to what has already been collected.

We extend to the young couple and to the members of both families our heartiest felicitations and sincerest wishes.

**106 RABBIS TO BE ORDAINED  
BY YESHIVA UNIVERSITY**

(continued from page 1)

In the light of these facts it was decided to dedicate this Sabbath as Yeshiva University Sabbath. The Rabbi will preach a special sermon for the occasion entitled, "What and Who is a Rabbi in Israel?" At the close of services a kiddush will be served in the Social Hall of the synagogue. The guest of honor at the kiddush-reception will be Dr. Samuel Belkin.

Please be sure to be in the synagogue this Saturday to celebrate with us a great Torah event and to offer tribute to the greatest Torah institution on this continent which, simultaneously, is the only university outside of the state of Israel which is under Jewish auspices.

**INITIAL RESPONSE TO PASS-  
OVER APPEAL GRATIFYING**

The initial response to our Pass-over Relief Appeal has been most gratifying, and the K. J. family is deserving of every commendation for their promptness and generosity. Close to \$1000 was received during the course of the past week, which indicates that our members and friends are impressed by the special significance of this year's appeal and the causes to which the proceeds are going.

This is to remind those who have not as yet responded. Our quota this year is \$4000. Just as soon as you have read this notice, won't you mail your check — made payable to the Kehilath Jeshurun Benevolent Fund — at once? Your prompt response will enable us to distribute the funds in time. Please don't delay.

turer of note, Dr. Hovde will have a message of interest and importance to impart to our audience next Tuesday evening. We cordially invite you and your friends to be our guests, March 21st, at 8:30 p.m., in the Auditorium. A collation will follow, as usual.
