

## ANNUAL MEMBERSHIP MEETING MAY 11th

The Seventy-eighth Annual Membership Meeting of the Congregation will take place Thursday evening, May 11th, at 8:30 o'clock, in the Auditorium of the Synagogue House. As in past years, it will be an occasion of interest and significance, and will bring together our entire congregation family in an evening of good fellowship.

### REMEMBER THEM IN THE BOOK OF REMEMBRANCE

A recent Bulletin carried an article announcing the forthcoming publication of the Book of Remembrance. In connection with the preparation of the Book of Remembrance, we should like to point out the following.

Our past experience has shown that a number of our worshippers and friends have felt hurt and disappointed because the name of a dear departed one did not appear. Particularly is this so when the Books are distributed during the Yizkor service and a special prayer is recited for those whose names are recorded.

The names which appear are submitted to the office by those who make an offering in their memory. **No name is recorded on the strength of a previous listing.** Only when we are authorized to include the name of your dear departed one do we do so. It is therefore important that we have your authorization; otherwise we cannot include any names in the Book of Remembrance.

The Book will soon be ready for press. It will appear, as in the past,

At this meeting, we will have the pleasure of inducting fourteen new members who joined the Congregation during the course of the past year. They will be formally welcomed into Kehilath Jeshurun amidst appropriate ceremony. They are: Justin J. Bayer, Frederick M. Beck, Hyman I. Cohen, A. Phillip Goldsmith, Joseph Kagan, Leo B. Kagan, B. David Kaplan, Dr. Harry Kaplan, Dr. Morris R. Lemler, Raymond A. Ochacher, Arthur M. Rosen, David Warshavsky, Samuel Wick and Alan L. Yohann. A portion of the meeting will be devoted to memorializing six of our members who passed away this year.

The President's Annual Report will be rendered by Mr. Max J. Etra; reports of the various congregational committees will be heard; and officers and trustees for the coming year will be elected.

Special citations will be read in honor of four of our number who are celebrating membership anniversaries this year. They are Philip Bachrach and David B. Baum, who are celebrating forty years of membership; and Aaron J. Simon and Albert

Mrs. Hilda Holt —**

Monday afternoon, guests of the Sisterhood were treated at a Pre-Bazaar Luncheon with the presence of Mrs. Hilda Holt, who spoke on "Changing Trends in Music." Illustrating her talk with piano selections, Mrs. Holt pointed out the different periods in musical history, and, in non-technical terms, rendered an all-too-short "dissertation" that was both delightful to hear and enlightening as well.

As her concluding selection, Mrs. Holt led the audience in the singing of "Enjoy Yourself" — with original and appropriate lyrics. Here it is:

**Bestir Yourselves**

The date for our Bazaar's not far  
The first two weeks in May

We'll never make it pay.  
We need donations, clothes and

Needless to say, those present enjoyed every minute of the entire afternoon. We are looking forward to Mrs. Holt's return as our guest speaker and artist at future meetings.

#### WOULD YOU HELP A REFUGEE SABBATH OBSERVER?

Rabbi Lookstein is anxious to find employment for Sabbath observing refugees who are now in New York. These people have endured all of the horrors of Hitler's Europe. In spite of unimaginable suffering they remained steadfast in their faith. They are now in New York and are seeking employment. It would be little compensation indeed for all their suffering if at long last their brethren here could help in their rehabilitation by giving them proper employment.

The group involved includes mostly unskilled labourers. Among them are those who could serve as packers, stock and shipping clerks, fur nailers and cutters, general helpers, butchers' helpers, etc. Some possess certain skills and can qualify as paper-box makers, sewing machine operators, knitting machine operators, chauffeurs, plumbers' helpers and the like.

The Rabbi will be glad to hear from any of our people who can use help of the type described above. In addition to everything else, please remember that any assistance given to these people is in the category of a great mitzvah.
