

## **NEW COURSES TO BE OFFERED IN ADULT INSTITUTE**

### **Sessions begin October 23; Registration Now Open**

An expanded Adult Institute will begin its sessions on Monday evening, October 23rd, with courses for adults interested in spending an evening each week in pursuit of cultural advancement. There is a course for the beginner as well as the more advanced student and a lecture course, to be given by Rabbi Lookstein, which, we know, will interest everyone, irrespective of scholastic attainment.

### **JUNIOR CONGREGATION RESUMES SERVICES SATURDAY**

The Junior Congregation will resume its weekly service this Saturday morning, October 7th, at 10:00 o'clock in the Chapel.

The activity, conducted solely by the youngsters themselves, was a source of genuine pride to us last year. It was indeed a pleasure to observe several "minyanim" of boys and girls, week in and week out, conduct their own service, participate in the rituals that are part of the Sabbath morning services, and partake of the Kiddush which was provided by the Parents' Club.

This year, the Junior Congregation will be under the supervision of Mr. Abraham Hirsch, a young and competent leader of children who has had years of experience in the field of liturgical music. He will, in the course of the year, try to develop several "chazanim" who will become familiar with the traditional melodies of the synagogue service.

We are certain that our children will welcome this news of the resumption of the Junior Congregation, and that they will join in this important religious activity in ever-increasing numbers.

For the beginner, a course in Basic Hebrew will be offered. The goal of this course will be to prepare students to read, write and speak simple Hebrew. For those who are already familiar with the mechanics of the Hebrew language, a more advanced course will be offered, with fluency in Hebrew speech as its aim.

A Workshop in Hebrew Prayers is also included in the program. The rudiments of Hebrew reading — for those who so require — will be given, after which stress will be given to the capacity to follow the prayers at regular synagogue services. Some of the more important prayers will be given more thorough discussion.

Another course that will be offered is one in Liturgical Procedures. This course will prepare students to lead in public worship and to read any Maftir assigned.

A lecture course, to be known as "The Bible and the Adult Mind", will be given by Rabbi Lookstein. In this course the Bible will be explained to the satisfaction of the adult — dispelling whatever doubts and clarifying whatever curiosities one may entertain. Some of the subjects that the Rabbi will treat are: The Miracles of the Bible; The Creation Story in

the Light of Evolution; Angels in the Bible; Supernatural Phenomena in the Bible; and others which have, we feel certain, puzzled those of us who have given thought to the writings in the Book of Books.

Classes will meet on Monday evenings, from 8:00 to 9:15. The Bible lecture course will be given at 9:30 Monday evenings, to enable those enrolled in the study courses to attend this course as well.

Each of the courses will run for thirty weeks, the first semester beginning October 23rd and continuing through January 29th. The second semester will begin on February 5th and end May 14th.

Registration is now open to all who are interested. Members of the Congregation, Sisterhood and Men's Club are invited to participate in the Adult Institute at no charge; the charge to others will be \$5.00 for the year.

A complete outline of the courses to be offered and other related matters will be contained in a pamphlet that is now in the process of publication. We suggest that you register in the meantime, by calling the Synagogue office (SAcramento 2-0800).

**Forum Meeting to Hear  
James Waterman Wise —**

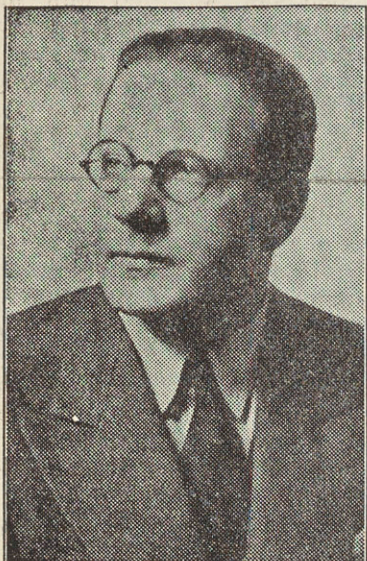

We promised you an interesting program for the first Forum Meeting of the year, and we're keeping our word. We have arranged to have as our guest speaker the noted author and lecturer, James Waterman Wise, who will speak on "How Liberal Can

a Jew Be?" On the same program — in response to Mr. Wise's remarks — we will have our own favorite speaker, Rabbi Joseph H. Lookstein.

Mr. Wise, Director of the Council Against Intolerance in America, has just returned from a European trip, during which he travelled in France, Italy and Germany as a correspondent for the New York Compass. He has written several outstanding books; has edited numerous volumes; and has contributed articles to many of the leading magazines.

Our guest speaker has been heard on the radio, discussing such topics as "Can Tolerance be Taught?", "One America or None", and other such provocative subjects. He has been in the forefront of the fight against Hitlerism and anti-American influences and has represented the World Jewish Congress in Washington for a number of years. He is an outstanding speaker who will present some interesting arguments on a subject you will want to hear.

The date: Tuesday evening, October 17th, at 8:30, in the Auditorium of the Synagogue House. You and your friends — and again we cordially invite the ladies — are welcome to be with us.
