MESSRS. MARTIN KLEIN AND ERNEST ADLER JOIN TOP RANKS OF AD-GETTERS

Several important announcements were made this week by Mr. Jules Podell, Chairman of the 1951 Year Book. The first is that the top ranks of ad-getters thus far in the campaign were joined by two workers — one a "veteran" of past years' drives; the other a "first year man."

The former is our devoted Trustee, Mr. Martin Klein, who joined in Year Book work in 1948, and has since been responsible for the raising of thousands of dollars in ads for the Year Book. Our newcomer — also an esteemed Trustee of the Congregation — is Mr. Ernest Adler, who took to heart our appeal for the Educational Scholarship Fund, and has, to date, turned in several hundreds of dollars in ads.

January to be the "Key" Month —

Another announcement of importance revolves about the month of January. Contact made with those who are engaged in Year Book activity elicits the news that all else will be put aside and a concentrated drive for the Year Book will be undertaken by each. Members and friends — too numerous to mention here — who have in past years raised remarkable sums, have promised to devote time and effort during this month toward the attainment of our quota.

This is, indeed, heartening news. We are still quite a distance from our goal of \$35,000. And the Year Book activity will not continue much beyond January. We can, therefore,

look forward to coming close to our goal, and even surpassing it. . . . IF, and it is an important "if".

IF we have the cooperation of **every** reader of this article. Work for the Educational Scholarship Fund, through the medium of the 1951 Year Book, is not limited to "veteran" ad-getters, or to trustees. It is an area in which every individual member, worshipper, friend, affiliate, and reader can work together — and help achieve the quota together.

Some Suggestions —

The simplest means of attaining the desired end is to have every member of the Kehilath Jeshurun family get just one ad. The effort you will have to expend, and the time you will have to devote, are less than negligible. It is merely a matter of approaching your friends, tradespeople and business associates and asking. That's all.

You may, however, have a large number of people to write to, but you find you cannot spare the time or secretarial service. In such an instance, the Synagogue office stands ready to assist you. We need but a list of your contacts and a quantity of your stationery; we'll take care of the rest.

Do it Today —

Every day counts. The sooner we complete the task of reaching our quota, the sooner will the Educational Scholarship Fund reap the benefits of our labors. Please do not put it off. Give this urgent matter serious thought and your prompt attention.

SISTERHOOD NEWS**Invitation to
Federation Luncheon —**

Our Sisterhood, following its practice of supporting Federation, urges its members to attend a luncheon on "Manhattan Federation Day", Thursday, January 25th, at the Hotel Plaza. The luncheon, subscription to which is \$2.00, will have Mrs. Franklin D. Roosevelt as its principal speaker, and an outstanding program of entertainment, headed by Jose Ferrer and Dorothy Sarnoff.

Representatives of ladies groups throughout the city, and of local welfare agencies, will be present at this affair to help Federation in its work on behalf of the 116 hospitals and institutions it supports. Its plan for fund-raising at the luncheon is "by tables" — the total amount pledged by Sisterhood members, for instance, will be announced, rather than the individual contributions of each donor. This will enable every lady to participate in the Federation drive, irrespective of the size of the contribution.

Reservations will be handled by the Synagogue office, and a phone call will receive prompt attention.

PARENTS' CLUB TO HEAR BOOK REVIEW AT OPEN MEETING**Mrs. Augusta
Saretsky to Speak —**

The next Open Meeting of the Parents' Club, which will take place on Tuesday evening, January 23rd, in the Social Hall, will have as its speaker, Mrs. Augusta Saretsky, consultant of the Jewish Education Committee on parent-teacher relationships. Mrs. Saretsky will present another of her stimulating reviews of a popular current book, the title of which will be announced shortly.

It appears that an invitation to Mrs. Saretsky to address a meeting of the Parents' Club is becoming an annual custom of the group. This is as it should be, for with each visit, Mrs. Saretsky brings an analysis of some
