

1951 YEAR BOOK DRIVE GAINING MOMENTUM Elliott Siegel Joins Top Ad-getters

As we announced last week, January promises to become the "key" month in the 1951 Year Book Campaign. Already, several new ad-getters have reported results — one of them, Co-chairman Elliott W. Siegel, has jumped into

THIS SATURDAY'S SERMON

Sermons — especially those that are heard from our pulpit—are intellectual experiences. On occasion, there is discernible an inspirational quality as well. Rabbi Lookstein's sermon this Saturday, "A Song Out of Zion — Music and Peace Plans from Israel", suggests the possibility that we may hear this Sabbath a discourse that will be both intellectual and inspirational.

The Rabbi has heard the Israel Philharmonic Orchestra and was carried away not only by the quality of its performance, but, especially by the profound implications of its present tour in the United States. In addition, all of us were deeply moved by the presentation of a Peace Plan to the United Nations through the gifted Aubrey Eban, the Israeli Representative at Lake Success. This Saturday, the Rabbi will share with us his reflections and impressions regarding these two events. It is the "Sabbath of Song" and it is also the opening of Jewish Music Month in the United States. Need we say more?

Our congregants may expect something exceptional and unforgettable. Our advice: "Don't miss being in synagogue this Saturday." Services begin at 9:00 o'clock; the Rabbi will speak at 10:45.

the top ranks of our solicitors. At the present time, Louis W. Yohann has retained his hold on the "champion ad-getter of 1951" title. Nothing, we learn, would please Mr. Yohann — who is a Vice-chairman of this year's drive — more than to be "deposed" by someone who will bring in a larger amount in ads.

Unfortunately, we can still not report that we are even close to our \$35,000 quota. We say "our" because the beneficiary of the Year Book, the Educational Scholarship Fund, is the responsibility of **all of us**, and not of the committee members alone. The Jewish education of young children is a mitzvah that concerns each and every one of us, and is not to be relegated to only a handful of interested workers.

We cannot impress upon you too strongly the urgency of the drive this year. More and more we are called upon to provide Jewish training in Ramaz School and our afternoon Religious School for an ever-increasing number of boys and girls. Only through the medium of this Fund will we be able to do so.

Please don't put it off another day. Get one ad — in any amount — or, call upon the Synagogue Office to help you if you have several people to contact.

Whatever your contribution to the effort — do it today!

Many happy returns of the day to our devoted trustee, Louis W. Yohann.

Marriage —

Congratulations to Philip Sobin, a member of our Men's Club, and to Mrs. Sobin, on the marriage of their daughter, Edith, to Mr. Leonard Kliegman.

Anniversary —

Best wishes to Mr. and Mrs. Bruno Scheidt on the occasion of their anniversary this week.

CONDOLENCES

We record with sorrow the passing of Bernard Epstein, who was affiliated with our Congregation for over fifty years. We also learn with regret of the passing of the beloved daughter of our esteemed member, Mr. Leib Merkin.

Our heartfelt sympathies are extended to the members of the bereaved families. May the Almighty spare them further grief for many years to come.

MEN'S CLUB TO SPONSOR THEATRE PARTY

At the last meeting of the Men's Club Executive Board, it was decided to sponsor, as its major fund-raising function, a theatre party early in the spring. Immediate action on this decision was taken with the appointment of an Interim Committee to explore possible shows and dates. This committee has met, and has under consideration a number of plays that will open some time in March, which give promise of becoming hit shows.

More definite information will naturally be available as soon as the necessary decisions have been made. In the meantime, however, we offer a suggestion, which, we hope, will be received favorably: On any number of occasions during the year, you are approached by one or another of your organizations to buy tickets for a benefit performance. Wherever possible, you cooperate.

Our Men's Club, which distributes over 80% of its annual income to various philanthropic purposes, looks to its membership once a year for aid in the maintenance of this type of program. The income from dues, as you can readily understand, does not yield a return large enough to carry on the good work our group is doing.

Our suggestion, therefore, is that you respond favorably and immediately when approached for tickets. Contributions are deductible for income tax purposes, and you will be helping the committee and the Men's Club immeasurably by giving your cooperation when it is required.

Maurice Samuel Addresses Forum Meeting —

One of the most outstanding Forum Meetings in Men's Club history took place Tuesday evening, when the noted author and scholar, Maurice Samuel, spoke on "The Gentleman and the Jew," the title of his latest book.

Before a well-filled Auditorium, Mr. Samuel explained why the two terms are placed in juxtaposition, and then proceeded to expound a thesis that had his audience all but spell-bound up to the last moment. The warmth with which Mr. Samuel's remarks were received was indicated by the complete sell-out of the books we had on hand, which enlarged upon the subject and explained this theory in greater detail.

New Members —

A hearty welcome is extended to Messrs. Hyman I. Cohen and Lafay Dribben, whose membership applications were received this week.

Welfare Fund —

We acknowledge with thanks the generous contributions to our Welfare Fund received from Messrs. Harry Etra, Max J. Etra, Alexander Garfein, Aaron H. Onish, Samuel Rosen and Aaron J. Simon.

RAMAZ PARENTS COUNCIL SPONSORS DINNER-DANCE

Last Sunday evening, at the Starlight Roof of the Waldorf Astoria, the thirteenth anniversary of Ramaz School was celebrated, at a dinner-dance sponsored by the Parents Council. Some five hundred people attended the affair, the proceeds of which were earmarked for the Scholarship Fund and for certain items in school plant improvement.

The festive spirit was enlivened by the performances of Mimi Benzell of the Metropolitan, and the popular young comedians, Jackie Miles and Henny Youngman. Music throughout the evening was provided by Michael Durso and the Copacabana orchestra.

Our congratulations to Ramaz on its "becoming of age" and our felicitations to the Parents Council for its share in the celebration of this noteworthy event.
