## **EDUCATION SCHOLARSHIP FUND BENEFITS FROM YEAR BOOK WORK OF JULES PODELL**

As if to punctuate and give added emphasis to last week's Bulletin article on the 1951 Year Book — which announced the final weeks of the campaign — Mr. Jules Podell, chairman of the drive has turned in to the Educational Scholarship Fund a most substantial sum of money, representing his initial efforts on behalf of the Fund. The amount realized through Mr. Podell has, naturally, swelled the Fund's income considerably — but we are still a distance from our \$35,000 goal.

Other highly encouraging reports have been received from two of our interested and devoted Year Book workers — Messrs. Alexander Gross, a Co-chairman of the campaign, and Frederick Margareten—both of whom are still in the midst of Year Book work, and showing promise of exceeding their totals of previous years.

All in all, a fairly heartening report. Yet it is not quite what we would

have liked to announce. You know what that is, and you know how to make it possible for us to do so. All that is required is about ten or fifteen minutes of your time, and practically no effort at all.

Let us show you, briefly, how you can join in Year Book work and make Jewish education in the schools we sponsor available to an increasing number of boys and girls through the Educational Scholarship Fund. Merely approach your grocer, or butcher, or partner — even a friend — and ask him to give you a contribution in the form of an ad. (Ad blanks, if you need them, are available in the Synagogue Office.) He won't turn you down — of that you may be assured. He will want to help, if you tell him how the monies will be used.

Don't put it off. Get in the drive before we officially close the 1951 campaign. Just **get one ad — and get it today.**

### NEW CANTORS OFFICIATE AT YOUNG PEOPLE'S MINYAN

Among the many advantages which accrue to those youngsters who participate in the regular Sunday morning Young People's Minyan, is the development of the ability to officiate at the service. Within recent weeks, we are happy to note, a number of new-comers have approached the cantor's stand, and have led the youthful congregation in prayer. Among these are Alvin Elkins, Alfred Kaplan, Harvey Klein and Lloyd Shor.

Of course, there are the old-timers as well — those boys who have been attending the Minyan almost since its inception two years ago — who officiate at this weekly activity that is designed for, and conducted by, the young people themselves. To mention some who have served within recent weeks: Morris Amitay, Fred Ehrman, Lothar Frank, Joseph Hausman, Sylvan Kleinhaus and Morton Schatzman.

The girls, too, have a place in the Young People's Minyan. Some of them have undertaken to deliver sermonettes on subjects of interest to the youngsters. The latest of these "preachers" was Menorah Leibowitz who spoke beautifully on Jewish Music Month. (It is a heart-warming sight to behold so many girls — comprising almost half the weekly congregation — attending regularly.)

#### **Good at Basketball, too —**

The Minyan is followed every week by a hearty breakfast and a

gym period. At this latter activity our boys excel, too, for in a recent game with the New York Vikings, we triumphed by a score of 46 to 43. Fred Ehrman was high scorer with 15 points, and Morris Amitay and Gerald Kaufman came up with some beautiful plays at the end of the game to give us the victory.

Nice going, fellows!

#### **To All Young People —**

We extend a cordial invitation to all young boys and girls to participate in an activity that is all theirs. Come down this Sunday morning and see if you won't want to become a regular worshipper with us. This week, Alvin Elkins, Lothar Frank, Morton Schatzman and Lloyd Shor will officiate, and Ronald Zimmerman will speak on "The Cabinet Crisis in Israel." Of course, breakfast will be served, and an hour in the gymnasium will round out the morning. Try it once! You'll enjoy a rich experience.

#### **TO ALL BULLETIN READERS**

The Synagogue Office would very much like to compile a list of the sons and daughters of our readers who are entering the armed forces of our country.

Will you be good enough, therefore, to notify us if a member of your family is enlisting or being called to the colors?

Ira F. Weisman, president of the Men's Club, has announced the appointment of a large number of devoted members to serve on the Theatre Party Committee — together with the Club's Executive Board — under the co-chairmanship of Elliott W. Siegel and Louis W. Yohann. Even a cursory glance at the entire list will assure you that we have a most active and hard-working group engaged in the most important project of the year — the Theatre Party to "Make a Wish" for Monday evening, April 16th.

Our co-chairmen have reported that a good number of our members and friends have made their reservations for the show, by returning the reservation form we mailed them not long ago, or by calling the Synagogue Office. These "early birds" will, of course, benefit from their promptness by getting the seat locations that they want. With the orchestra and loge sections of the theatre reserved for our party, there are plenty of good seats to be had, but naturally those who come first will be served first.

Don't waste another day. The show promises to be one of the hit musical comedies of the year — perhaps of all time. With the book, cast, music and direction that it has, it simply can't miss. And you can't miss being with us on April 16th.

Contact the Office at Sacramento 2-0800, and let us know how many tickets you need. They are priced at

**CONDOLENCE**
