COLLEGE YOUTH TO BE FETED DURING "HOMECOMING WEEK" **Collegiate Sabbath, Dance Arranged for Week of December 22nd**

Once again, as a gesture of welcome to the sons and daughters of our members who will be returning home from out-of-town colleges for their winter vacations, the Congregation is planning Homecoming Week celebrations, to include a Collegiate Sabbath on December 22nd, and a Collegiate Dance, set for Thursday evening, December 27th.

ADULT INSTITUTE GROWING; REGISTRATION ENTERS FINAL WEEK

Last Monday saw the second formal session of the Adult Institute and we are pleased to say that this youngest educational enterprise of Kehilath Jeshurun is thriving both quantitatively and qualitatively. Every single class — the Hebrew language courses, the Talmud Class, the Workshop in Liturgical Procedures and the Bible Lectures — all of them had additional registrants. In the study courses the enrollment is well past the hundred mark; and the Social Hall was crowded for the Rabbi's lecture which this particular Monday touched upon the ontogenic implications of the familiar tale of Adam and Eve.

Registration closes this coming Monday. We are sure that there is a course at the Institute that will interest you. This is a rare opportunity for you, whether you are a scholar or a beginner, to increase your knowledge in a fashion that is both pleasant and stimulating. Our students are eager; they are serious and they are determined — but they are also very obviously enjoying themselves.

It may seem something of a chore to you to come down to the synagogue for classes every week, but our stu-

At synagogue services on the 22nd, the honors for Ark Openings and Aliyoth will be distributed among the young college men who will be worshipping with us, and our youthful "collegiettes" will act as hostesses at a kiddush and reception which will follow the services. Then, on Thursday evening, with a popular name-band to provide the music, our visiting students will have an opportunity to demonstrate their terpsichorean abilities, and, at the same time, renew "old" acquaintances. Several pleasant surprises are in store for our guests that evening, too.

Invitations will shortly be mailed directly to our college youth. Unfortunately, we do not have all their addresses. You can help by furnishing this information. If you have a son or daughter attending college — in the city or out-of-town — drop us a line and let us know where we can reach him. Please do it today!

dents themselves will assure you that once you do come it will be even more difficult to break away. Won't you register for a course without delay. We are sure you will enjoy the experience.

Mrs. Hyman Abrams, chairman of the affair, has announced that all is in readiness for the Sisterhood's Fifteenth Annual Luncheon, which will be held this Tuesday afternoon, December 11th, at the Hotel Plaza.

Headlining the program of entertainment at the Luncheon will be the new singing sensation of Broadway, Tony Bavaar, currently starring in "Paint Your Wagon." Music will be provided by Michael Durso and his Copacabana Orchestra. Other interesting and entertaining features have been prepared in order to make this affair a most outstanding and memorable one.

Once again, we will have the pleasure of observing the eminent artist, David Immerman, do a portrait of the lucky winner of the raffle. The subject is the Executive Director of the Congregation, Jerome H. Rosenblum, who held the winning ticket of the raffle which was drawn at our Open Meeting last Monday. At the affair this coming Tuesday, a large number of other valuable gifts will be awarded to holders of lucky tickets purchased through this raffle. You may be the lucky one to leave for home with a gift you'll cherish. You can never tell.

It all adds up to one thing: you should be present at the Luncheon for an afternoon you'll enjoy and remember for a long time. Keep in mind, too, that the proceeds are going to most

**SEMINAR FOR HIGH SCHOOL
STUDENTS WELL RECEIVED**

The newly-organized Seminar in Religious Studies for High School students has received a hearty welcome at the hands of the young boys and girls who attended the first two meetings of the group. The class meets every Wednesday afternoon at 5:00 o'clock, and is conducted by Rabbi Lookstein who has added this task to an already overcrowded schedule because of his deep interest in working with a group of this kind.

We are anxious to have as many high school boys and girls with us as possible. If you are among those for whom the seminar was organized, then you belong with us every Wednesday afternoon. Surely you can find time for continuing your Hebrew studies in this interesting fashion, under the guidance of one who has so much to give.

Try it this Wednesday. We know that you'll be down every week thereafter.

worthy causes, so you'll be accomplishing several ends by attending the Luncheon.

There is still time to get your ticket of admission. Just call Mrs. Abrams at TRafalgar 7-0657, or co-chairman Mrs. A. Milton Brown at SCHuyler 4-1381, and make your reservations. But do it TODAY.

**Forum Meeting to Hear
Views on "What is a Jew?"**

An interesting evening is in store for those who will attend our next Forum Meeting on Tuesday, December 18th. We will have with us two outstanding scholars and speakers, Professor Sidney Hook of the philosophy department of New York University, and Dr. Bernard Lander, an ordained rabbi who is a faculty member of the sociology department of Hunter College. They will participate in a symposium on the subject, "What is a Jew?"

This is the first time that the two will be together on the same platform to give their views on this subject. Each, with his particular training and different approach, will look at the same perplexing and crucial problem and examine its implications from a variety of viewpoints.

We are happy to be able to present this program to our members, their wives and their friends, for we believe we are providing excellent material for stimulated thought in the ideas that will be advanced by these out-
