**MIDNIGHT SELICOTH SERVICES TO BE HELD THIS SATURDAY**

The High Holiday season will be ushered in this Saturday night, at 12:45 a.m., when the traditional Selichoth Service will be held in the Synagogue.

Preceding the services, a "Midnight Snack" is being arranged by the Sisterhood and Men's Club, to which all the

members of these groups, as well as the entire membership of the Congregation, are invited. The get-together is being planned in order to give our congregational family an opportunity to meet in an informal, social atmosphere for the first time this year.

### SELICHOH SERVICES

*(continued from page 1)*

While partaking of a delightful snack, our members will have a chance to renew old acquaintanceships and to greet each other after a lapse of several months. This "social hour" has been called for 11:30.

The last few years have brought ever-increasing numbers to the midnight Selichoth services. Ladies as well as men — frequently, entire families — joined in worship at services which were made more intelligible and meaningful with every successive year. Young as well as old were inspired by the manner in which Rabbi Lookstein conducted the service and Cantor Gertler officiated.

Our warmest invitation is extended to our worshippers to attend the Selichoth service once again this year. The service lasts a little over an hour. Prayer books with English translations are available to all. Explanatory interpolations will make many of the prayers clear and understandable. Congregational melodies will form part of the service.

Our Synagogue should be filled, therefore, with men and women, joined together to usher in the High Holiday season in the proper religious spirit.

This year Kehilath Jeshurun for the first time will offer a new type of educational service to the community — a Sunday School for children from the ages of five through seven.

The group which will meet for three hours every Sunday morning will be composed of two classes — a kindergarten for youngsters of five and a First Grade for the six and seven year olds. The kindergarten, of course, will be primarily a play group, with songs, story-telling, rhythmic work. The First Grade will be something quite special and unusual. It will be a real class of Hebrew geared to the age level and absorption point of small children. While the class will be conducted on an informal progressive basis, it will be more than a Bible story session or a class in Jewish customs. The youngsters will actually start to learn to read, write and speak simple Hebrew. They will become familiar with the rudiments of Judaism and will, thus, gain a firm basis for the future.

These two classes will be in addition to the regular more formal classes of the Afternoon Religious School that meet as usual three days per week for seven hours of instruction. Naturally the same high professional standards of instruction that obtain in the Afternoon School will prevail in the Sunday School. The teaching of very young children is a highly skilled art and the teachers of our new Sunday School will be qualified both from the point of Hebrew and modern pedagogy.

We cannot too strongly emphasize the need for starting your child early on the rich and rewarding road of Jewish education. Do not deprive your youngster of the heritage that is rightfully his. Our Sunday School offers a real opportunity to both child and parent. Take advantage of it. Full details regarding registration, etc., may be obtained from the School office.
