ABRAHAM WINER NAMED YEAR BOOK VICE-CHAIRMEN**

The appointment of Thomas Bornstein, Berthold Breiner, Aaron J. Simon and Abraham R. Winer, as Vice-Chairmen of the 1953 Year Book, was announced this week by Max J. Etra, president of the Congregation. The appointees, all esteemed members of Kehilath Jeshurun, are "veterans" in Year Book work, and have in past years, been responsible for several thousands of dollars in ads for the benefit of the Educational Scholarship Fund.

**OVER 750 HEAR HERMAN WOUK  
ADDRESS THANKSGIVING SERVICE**

A congregation of over 750 worshippers — the largest ever to be present at a service of this kind — attended our Thanksgiving Services last Thursday morning, to join in expressing gratitude for the bounties they enjoy, and to hear our guest speaker, Herman Wouk, in an address on "The Great Thank - Offering of American Jewry."

To Mr. Wouk, the Jews of this country are showing their appreciation to the Almighty and to the democracy in which they enjoy their freedom and their opportunities, by banding together to establish the first American medical and dental school under Jewish auspices—part of Yeshiva University. He went on to describe how the Medical Center now under way was being erected in conjunction with the City; how the leading medical men all over the country were being selected for the faculties; the

The new campaign was officially launched this week, with a cocktail party attended by a group of synagogue members — some of them "old-timers" in Year Book work, others new-comers to this type of activity. At this meeting the purposes of the Year Book were explained: the importance of the Year Book *per se* as a valuable record of our activities, and the use of the annual publication as a medium through which the Educational Scholarship Fund can extend assistance to the Ramaz School Scholarship Fund, the afternoon Religious School Scholarship Fund, the Summer Camp Fund and the College Scholarship Fund.

The reaction of those who attended the gathering was most encouraging. With the addition of new ad-getters, the likelihood of reaching our goal of \$35,000 is very great indeed. BUT . . . we cannot rely upon a veritable handful of men to assume the entire burden.

You will shortly receive an ad-blank or two. Use it to good advantage by getting an ad. Just ONE ad from each of you will do the trick!

**ALL OUT THIS  
SATURDAY NIGHT —**

What we have been working for these past months is about to take place!

The efforts we have expended for many weeks are soon to be crowned with success . . . **IF YOU COME DOWN AND BRING YOUR PARTIES WITH YOU.**

Everything is in readiness for this Saturday night. There'll be plenty of refreshments, entertainment, fun, prizes and bargains galore. That part was well provided by the members of the committee. Now it's up to YOU to provide the one ingredient that is still needed — a large attendance.

We guarantee an evening you will long remember — whether you're

young or old, man or woman. We promise to give you an affair that will have more than you can imagine. So let's go all out . . . this Saturday night, the 6th, at 8:00 . . . in the Auditorium.

Admission has been set at a nominal \$1.00. And remember that all proceeds go to the philanthropic work of the Sisterhood.

Don't let us down.

**Just a Few Left —**

There are only a few tickets left for "The Seven Year Itch", for the evening of January 12th. They may be had by calling Mrs. A. Milton Brown at Templeton 8-5135.

May we point out that this is the only theatre party that the Sisterhood will sponsor this year, and that all proceeds go to the Summer Camp Fund, which sends deserving children to camp during the vacation months. It is a cause that certainly deserves your support.

#### THIS MONDAY EVENING . . .

Sessions in the Kehilath Jeshurun Institute will continue this Monday evening at 8:00 o'clock, in the Synagogue House.

The Lecture Forum on the American Jewish Community will be held at 9:00 o'clock, following the study classes, in the Social Hall. Dr. Hyman B. Grinstein, who is treating the Historical Background of the American Jewish Community, will deliver his third talk at this meeting. It is on the subject of "The Jew Advances Socially and Culturally — Society, Social life and Education", and promises to be as interesting and as informative as his first two lectures.

If you have not attended the Forum before, you are missing a great deal. You can still take advantage of this unusual series by coming down this Monday evening at 9:00, and continuing to attend the lectures to be given throughout the year.
