MacIVER REPORT TO BE DISCUSSED MONDAY EVENING

This Monday evening, the Lecture Forum on the American Jewish Community will be continued with a talk on "The MacIver Report: a Case Study in Community Organization." The lecture will be given by Dr. Abraham G. Duker who will thus conclude Part II of the Series.

When first published, the MacIver Report created quite a stir among the leaders of the Jewish community. Some of his recommendations were accepted; others were criticized bitterly. Careful examination of the

Dr. Abraham G. Duker

Report was given by Dr. Duker, one of the outstanding Jewish sociologists we have today, and his findings were published in his book entitled *Jewish Community Relations: an Analysis of the MacIver Report*. This work, too, led to varied comment, and it is on this subject that, in recent months, Dr. Duker has been called upon to lecture in cities throughout the country and Canada.

Members of the Kehilath Jeshurun family have an excellent opportunity to hear, at first hand, a stimulating talk on an issue — vitally concerning all of us — that has been and still is the source for heated controversy. It may well be that you will disagree with Dr. Duker, and wish to express a contrary viewpoint. You will have ample opportunity to do so, for following the lecture, the floor will be opened for general discussion.

JUNIOR CONGREGATION ELECTS MONTHLY OFFICERS

Manfred Rechtschaffen, supervisor of the Junior Congregation, has announced the election of Toby Holzer and Barbara Salvan as girls' "president" and Richard Hirsch as boys' "president" for the current month of the Congregation's activity. These young leaders assist Mr. Rechtschaffen in the conduct of the weekly service, and are otherwise entrusted with such duties as will make the service more beautiful and attractive to the youthful worshippers.

The newly-instituted practice of inviting guest speakers to deliver sermonettes on the Portion of the Week is meeting with great success. During the past month Larry Frank and Fred Zuckerman spoke, and invitations have already been extended to other young college men among our congregational family to address the Junior Congregation in forthcoming weeks.

Again, Our Thanks —

Again, a word of thanks to Mr. Morris Jaret for his continued sponsorship of the kiddush that follows the weekly service. While we know he derives great satisfaction from serving as host, we want him to know that the children deeply appreciate his kind interest in their welfare.

YEAR BOOK HONOR ROLL GROWS

(continued from page 1)

instance several young boys and girls will have the benefit of a sound education in Ramaz, our Religious School, or a college of their choice; or a few weeks' stay at camp this summer.

Is it worth our effort? We think you will agree that it unquestionably is. Especially when the effort we ask you to make is really so slight. It means, merely, contacting a friend, business associate or local tradesman, and asking him to place an ad or a greeting in the Year Book. No one will turn you down, for the cause is so worthy and the appeal so great.

Join your fellow members on the Honor Roll. Lend your support to the Year Book Committee by getting as many ads as you can — even *one* ad will help. Remember, our dead-line is March 1st. Help us beat it, and help us attain our goal, by getting one ad — and get it today.

CONDOLENCES

We record with sorrow the passing of Alexander Schlusell, beloved father of our devoted member, Mrs. Leib Merkin; and of Philip Goodstein, dear brother of our esteemed member, Mrs. Abraham R. Winer.

We extend our heartfelt sympathies to the bereaved families, and we pray that the Almighty spare them further sorrow for many years to come.
