**INITIAL RESPONSE TO PASSOVER  
RELIEF APPEAL GRATIFYING**

The spontaneous response to our Passover Relief Appeal has been most gratifying, and those who helped achieve this immediate reaction are to be highly commended for their promptness and generosity. Just one week has elapsed since the Appeal was launched, and in that short time, over \$1000 has been received.

This is indicative not only of the warm-heartedness of our readers, but also of their ready acceptance and recognition of the significance of this year's drive and the causes to which the proceeds are going. Our attention is focused on truly life-saving work. Individuals and institutions, local and abroad, are the beneficiaries of our efforts.

You see, then, that we *must* succeed in reaching our quota of \$5,000. You can help by sending in your contribution, made payable to the Benevolent Fund. But please do not delay. If your kindness is to accomplish the most good, it must be demonstrated now.

## SISTERHOOD ANNUAL LUNCHEON GRAND SUCCESS

Just about the only word that can properly describe the Sisterhood's Sixteenth Annual Luncheon, which was held Tuesday afternoon, is "grand". This, according to Webster, takes in such adjectives as *magnificent, splendid, gorgeous, impressive, superb* — and the Luncheon was all of these, and then some.

To begin with, thanks to the co-operation of our members, the affair was handsomely oversubscribed. This assured the grand success of the function from the financial standpoint. It meant that the philanthropic program of the Sisterhood — its Neediest Cases project, for instance — could continue its work of rendering assistance where needed, without having to curtail its activities for lack of funds. It meant that the Scholarship Funds of Ramaz School and the afternoon Religious School would again receive generous grants from the Sisterhood, so that some deserving youngsters could continue their schooling with us.

So much for the "end result". It is regrettable that — with all due respect for Webster — words cannot describe amply all that our guests beheld as they spent Tuesday afternoon with us in the Grand Ballroom of the Hotel Plaza — especially the warmth of feeling and the spirit that pervaded the room. The Luncheon was rich in splendor, but, even more important, it was run with a smoothness and dignity that could not help but impress even the most exacting spectator.

The remarks of welcome delivered by our president, Mrs. Harry W. Baumgarten; the words of thanks uttered by the presiding officer, Mrs. Benjamin Leifert, on behalf of herself, co-chairman Mrs. Alexander Gross, and the other members of the Luncheon Committee; the greetings extended by Ira F. Weisman, president of the Men's Club — were all brief, sincere and in good taste. The entertainment provided by the well-

known pianist, Michael Roman, and the popular singing star, Tony Bavaar, was also of the highest calibre. And the address delivered by Rabbi Lookstein, in praise of the work the Sisterhood is doing, and on the difference it would make in the world if we would each do "just one good deed", likewise left an indelible impression on his audience. Mention, too, must be made of the contribution of the noted artist, David Immerman, who, throughout the afternoon, attracted glances of approval as he worked on the portrait of the lucky raffle winner.

There were several lucky winners Tuesday afternoon — recipients of valuable raffle prizes which were awarded under the chairmanship of Mrs. D. Harry Kleinfeld. These prizes, too, added to the beauty of the ballroom, for they were gaily and attractively wrapped.

In all — another job well done, and with fruitful results. Our thanks to the Luncheon Committee and all those members (too numerous to list here) who cooperated so whole-heartedly in making the Luncheon so memorable an event.

### **MYRON BRODY BAR MITZVAH**

Mazel Tov wishes are extended to Mr. and Mrs. Paul Brody, on the Bar Mitzvah of their son, Myron, this Saturday.

Myron is in the highest class of our Religious School, and attends the special orchestra class of P.S. 30, as first clarinetist in the school orchestra. A swimming enthusiast, he plans to pursue an engineering course at Brooklyn Technical High School, which probably accounts for his competence at model airplane construction.

At services which will be held in our synagogue, Myron will chant the Haftorah.

### **IMPORTANT NOTICE**

The second Supper-Lecture, at which Rabbi Lookstein will speak on "Ahad Ha-am: Philosopher of National Cultural Renaissance" will be held on Sunday evening, March 22nd.

Reservations for this lecture must be made by *Thursday March 19th*. We will be unable to accommodate any guests who have not made their reservations by this date.

### **RABBI FRIMER TO ADDRESS LECTURE FORUM**

*(Continued from Page 1)*

address us this Monday evening, March 16th, on "American Jewry Serves College Youth."

A graduate of the Illinois Institute of Technology and the Hebrew Theological College in Chicago, Rabbi Frimer has been identified with Hillel since 1943, and served as its director on the campuses of City College, University of Minnesota, and Brooklyn College with which he is now associated. Since his ordination in 1940, he has been active in youth work in organizations of nation-wide scope, and has contributed articles on youth, education and religious counselling to numerous periodicals.

Rabbi Frimer's remarks should be of interest to all of us — particularly to parents of college students and soon-to-be collegiates. Our cordial invitation is therefore extended to all of our readers to be with us this Monday evening, March 16th, at 9:00 o'clock, in the Social Hall.
