## AN UNFORTUNATE HABIT

An unfortunate habit is inconveniencing us. We call to the attention of all our worshippers that the Synagogue doors will be closed during the sermon. No one will be admitted. The sermon is scheduled for 11 o'clock every Saturday morning, unless otherwise noted.

## YESHIVA U. BREAKS GROUND FOR EINSTEIN COLLEGE OF MEDICINE Dr. Marcus D. Kogel Dean of New School

This Sunday will be a gala day for the American Jewish Community. Ground will be broken for the first medical school under Jewish auspices. The Albert Einstein College of Medicine of Yeshiva University will then formally and officially be launched upon its career.

The ceremonies will take place at the site of the new medical school at Eastchester Road and Morris Park Avenue, Bronx, and will commence at 3 p.m.

The speakers on the occasion will be: Nelson Rockefeller, Dr. Ralph J. Bunche, Gov. Thomas E. Dewey, Attorney General Nathaniel L. Goldstein, and Mayor Vincent R. Impellitteri.

### Congregation Closely Associated with Yeshiva—

We of Kehilath Jeshurun have special reason to rejoice in this historic event. Yeshiva University is tied to us with many strands. The distinguished President of the university, Dr. Samuel Belkin, is a member of our own Board of Trustees.

The late Samuel Levy, one of the stalwarts of the congregation, was for years the Chairman of the Board of the University. The President of our congregation, Mr. Max J. Etra, is Vice Chairman of the Board of Trustees of the university and two of our very devoted members, Mr. Benjamin Gottesman and Mr. Samuel Rosen are members of the Board. Our Rabbi is an alumnus of Yeshiva and a member of its faculty. Our Congregation has always been in the forefront of the supporters and sustainers of this great educational enterprise.

### Seven Kehilath Jeshurunites Founders of Medical School—

To the Albert Einstein College of Medicine our congregants have given their fullest devotion from its very inception. At least seven of our congregational family are listed as founders

## ADULT INSTITUTE TO BEGIN NOVEMBER 9th

The Adult Institute sponsored by our Synagogue for the cultural benefit of its membership will begin Monday evening, November 9th. The Fall program will continue for seven consecutive Monday evenings. The Institute will again offer varied courses to suit the interests of its participants. The staff will be culled from teachers outstanding in their respective fields.

The courses offered are: Beginning Hebrew, Advanced Hebrew, Customs and Ceremonies, Jewish History, Talmud, and a workshop in Liturgical Procedures. These classes will be scheduled from 8:00 to 9:00 o'clock. Following this there will be conducted

lectures and symposiums on various aspects of Jewish Life.

Only those courses with a minimum enrollment of ten students will be continued.

The Jews have always been known as "the people of the Book" for to them learning and intellectual and cultural advancement was primary in their lives.

The Synagogue Staff is making every preparation necessary for the Adult Institute to be a meaningful and pleasurable experience. It is now the responsibility of the Kehilath Jeshurun Family to take advantage of this opportunity and actively support this program.

## SECOND SISTERHOOD OPEN MEETING MONDAY, NOVEMBER 2nd

### Mrs. Leo Margolin, of League of Women Voters, Guest Speaker

The second open meeting of the year sponsored by the Sisterhood will be held on Monday afternoon, November 2nd at 12:30 P.M. in the Social Hall. The guest speaker will be Mrs. Leo Margolin, representative from the League of Women Voters, who will speak on "Election Issues."

This topic will be of special interest since the following day is Election Day. The League of Women Voters has carved for itself an outstanding reputation as a non-partisan group interested in promoting civic interest and good City government. The representatives are specially trained to appear before women's groups to discuss vital current issues.

We are fortunate in being able to acquire the services of Mrs. Margolin who will present a clear and forthright picture of the "election issues."

A dessert luncheon will be served and you are urged not only to attend personally, but to bring interested guests with you.

This is a good opportunity for you to bring with you merchandise for our Chanukah Auction-Bazaar.

#### First Bazaar Committee Meeting Held Monday—

A good turnout of interested Sisterhood members attended the first meeting of the Auction-Bazaar Committee which was held last Monday, October 12th. Under the direction of Mrs. Alexander Gross, Chairman, and Mrs. Richard Kolb, Co-Chairman, the Bazaar planning got underway. The future of this affair looks promising. However, more merchandise is needed and all are urged to cooperate by bringing in as much as they can!

With conditions overseas extremely serious, those who have not made pledges are urged to do so now.

of the Medical School. They are the late Samuel Levy, Ernest Adler, Harry W. Baumgarten, the Etra Family, A. Phillip Goldsmith, Alexander Gross and Samuel Rosen. We are proud of the fact that over \$400,000 were contributed by these founders and by a substantial number of others of our congregants whose generosity aided in the establishment of the Medical School.

Ground-breaking day, therefore is a joyous event for all of us. We congratulate Dr. Samuel Belkin on this

occasion. We greet the newly appointed Dean, Dr. Marcus D. Kogel, a leading medical personality and a renowned hospital administrator. We take special pride as American Jews, and hope that American Jewry as a whole will share in that pride, that we have lived to see the day when such an institution is about to come into being—a gift of Jewry to Americans of all creeds, all faiths and all colors. "Verily, this is the day which the Lord hath made. Let us rejoice and be happy thereon."

The entire congregation is cordially invited to attend the ground-breaking ceremonies. Those who have already received admission cards are urged to attend. Those who would like to attend we shall be glad to accommodate by providing them with the necessary admission cards which can be obtained in the synagogue office.

**MEN'S CLUB NEWS****New Members —**

We welcome into our Men's Club the following new members: Gerald Goldstein, Otto Joseph Helprin, Dr. Philip A. Lief, Haskel Lookstein, David Miller, and Dr. Maurice Sage and wish them a long and fruitful stay.

**Record Turnout Attends First Open Meeting —**

Over 80 members of the Men's Club joined in the first supper meeting of the year. After a fine meal those present settled back to listen to their guest speaker Dr. Louis A. Warsoff.

Dr. Warsoff covered much ground in his lecture and provided observations on many topics including the one assigned to him, "The Problems of City Government."

Professor at Brooklyn College and Brooklyn Law School, Dr. Warsoff expressed the great need for educators and laymen to take an active interest in city politics. He described the unfortunate conditions that result from public apathy.

**Theatre Party —**

Have you purchased tickets to "The Solid Gold Cadillac", yet? The Men's Club Theatre Party for this show to be held on Wednesday evening, December 2nd promises to be one of the bright social events of the season. Variety magazine has given rave notices to the out of town run of this new play by George S. Kaufman. We might add that you will enjoy yourself immensely at what has all the earmarks of being a hit show. Call the Synagogue Office or Ira F. Weisman in order to purchase tickets. We urge that you do so as soon as possible as tickets are going rapidly.

**SCOUTS MEET THURSDAY NIGHTS**

Every Thursday evening the Cubs and Boy Scouts hold their weekly meetings in the Synagogue gymnasium. The Cubs meet from 7:15 to 8:15 and the Boy Scouts from 7:15 to 9:30.

The Cubs are under the energetic leadership of Mat Zuckerman, while the Boy Scouts are in the very capable hands of Henry Jacoby.

Our esteemed Synagogue member Dr. Ned Wachtel is in overall charge of both groups. Both the Cubs and Boy Scouts invite new members to join them in their enjoyable scout program.

**YOUTH GROUPS FORMING**

As publicized in the last Bulletin, Kehilath Jeshurun is setting up a Youth Department to further develop and expand our Youth Program. This program will be under the direction of our Executive Director, Mr. Theodore Comet.

We are presently interested in forming clubs for both boys and girls between the ages of 13 and 18. These clubs will hold meetings once a week and will be encouraged to conduct a program of social, athletic, and cultural content.

For the convenience of those interested we are again printing an application form on page 4 of this Bulletin. The sooner these are filled out and mailed into us, the sooner we can begin our club program.

**FATHER-AND-SON MINYAN**

The Father-and-Son Minyan continues meeting every Sunday morning at 9:30. Appealing to the post Bar-Mitzvah age group, it has attracted a good number of boys from 13 to 18 years.

Under the able direction of Haskel Lookstein the services have been made meaningful with the youth themselves taking charge. Sponsored by the Men's Club, whose members act as patrons, all adults are urged to join in this religious activity with the Synagogue youth.

After services, a fine breakfast is served. Then there is a one and one half hour play period in the gym with basketball and other group games.

Here is a fine Synagogue activity which caters to religious, social, and athletic needs. Adults and post Bar-Mitzvah Boys should be encouraged to take advantage of this activity.

**THE STRUGGLE FOR A MINYAN**

**(A Report from One Who Helped in the Struggle)**

As the Summer wore along and more and more of our "Minyanaires" began to take their vacations, it became increasingly difficult to get a Minyan. At times we were forced to scout the streets and to appeal to neighboring storekeepers. One of the Doctors nearby would let his patients wait while he filled out the Minyan.

It was no uncommon sight to see Bill Heyman turn the corner on two wheels, mount the curb with screeching brakes and stop short at the Shul door at exactly 5:59½ (or was it 6:15) to the acclaim of the assembled who were standing outside looking for a tenth person.

Several times we were so hard-pressed that we admitted people without neckties and once we even allowed a man to come in who was not wearing a jacket.

Much credit goes to President Etra who, knowing the special difficulty on Sunday evenings, used to come not only by himself, but bringing along the balance of the canasta foursome.

We must also give praise to four fine upstanding youths, Franklin Holtzer, Fred Zuckerman, Morton Jarets and Jerry Bruss, who despite Summer vacation jobs, managed to give us a considerable number of mornings and evenings which we welcomed very much. A special credit to Frankie, who never missed a morning service.

Now you don't have to have a Yahrzeit and you don't have to be an avel (mourner) to attend our meetings, all you need is the desire and a "yarmulka" and the Shul will provide the "yarmulka."
