'54 YEAR BOOK DRIVE GAINING MOMENTUM Frederick Margareten Joins Ad Getters

RELIGIOUS SCHOOL PLANS MID-YEAR REGISTRATION

Theodore Comet, principal of the afternoon Religious School, has announced that plans are being made for a mid-year registration for the term beginning February 1. Registration period has been set for the two weeks beginning with this Monday, January 18th. Enrollment for our 3 day a week afternoon school is open to all boys and girls between the ages of 7 and 9 who have had no previous Hebrew training; the new class is intended to work with its students on an accelerated basis and progress in a more rapid manner so that the youngsters may enter the second class in September.

As is the case with all our classes, the group will be under the tutelage of an experienced teacher who possesses a rich Hebrew background and is at the same time well versed in modern pedagogical methods. In a word, he will be equipped to deal with the American boy and girl of today and give him the maximum education that it is possible to give in the time allotted.

New students will also be accepted into our special Primary Class which meets each Sunday morning from 10:30 to 12:00. The Primary Class is for boys and girls between the ages of 5½ and 7.

Further information regarding enrollment may be had by contacting the school office (SAcramento 2-0800).

With the advent of 1954, our Year Book Campaign has continued to receive support with Mr. Frederick Margareten joining the top ranks of our solicitors. Mr. Thomas Bornstein has already far surpassed the amount he brought in last year and promises to continue his solicitations. Mr. Oscar Perlberger is maintaining the steady pace he established right at the beginning of the drive.

In spite of the successful efforts of our Year Book "team" we are still far from our quota. We say "our" because the beneficiary of the Year Book, the Educational Scholarship Fund, is the responsibility of all of us, and not of the committee members alone. The Jewish education of young children is a mitzvah that concerns each and every one of us, and is not to be relegated to only a handful of interested workers.

We cannot impress upon you too strongly the urgency of the drive this year. More and more we are called upon to provide Jewish training in Ramaz School and our afternoon Religious School for an ever-increasing number of boys and girls. Only through the medium of this Fund will we be able to do so.

Please don't put it off another day, Get one ad—in any amount—or call upon the Synagogue Office to help you if you have several people to contact.

Whatever your contribution to the effort—do it today!

Rabbi Lookstein will preach this Sabbath at 11:00 a.m.
