## PRIMARY CLASS FOR 6 AND 7 YEAR OLDS TO BEGIN

Continuing under the auspices of our Afternoon Religious School, our special Primary Class for 6-7 year olds will begin meeting this Sunday, October 16th, it was announced by Theodore Comet, Principal of the school.

The opening of this class was delayed by the occurrence of the holidays on the weekends. Both boys and girls are invited to the class which will meet on Sundays from 10:30 to 12:30.

The content of the class program is geared to prepare the child for our regular three-day-week Afternoon School. The curriculum covers Bible stories, holidays, customs and ceremonies, and outstanding Jewish personalities. The method of instruction is, of course, much more informal than

## SUKKOTH HOLIDAY JOYOUSLY OBSERVED Overflow Attendance for Simchat Torah

This past Sukkoth festival has been a memorable one for all of us — for our worshipers, for those who joined in having their meals in our Sukkah, for the children of our schools . . . in short for the entire congregational family.

The services during the entire holiday were beautiful and impressive under the inspired leadership of Rabbi Lookstein, his assistant Rabbi Roth, Cantor Konigsberg and our Ritual Director, Israel D. Rosenberg. All the services were fully attended and on Simchat Torah night we had to open the balconies to our worshipers.

We are happy to note that so many more of our congregants took to heart our suggestion that they provide them-

selves with a Lulav and Ethrog for the holidays. During the Lulav processions of the first two days of Sukkoth, the Synagogue was transformed into a grove of palms. Never before had so many worshipers participated in this colorful procession, each bearing his Lulav and Ethrog in the traditional Hoshanah service.

After the services our worshipers proceeded to the Sukkah for Kiddush. The Sukkah had been beautifully decorated by our Sisterhood in keeping with the Feast of the Harvest. It was especially inspiring to those who took advantage of the opportunity afforded them to have their holiday meals in the Sukkah in the company of their fellow members and friends.

The children of Ramaz School and our Afternoon Religious School visited the Sukkah, discussed the symbols they found there, and had a bite in the Sukkah so that they too could experience its true meaning.

### The Grooms of the Law —

The latter days of the Sukkah festival lived up to their traditional purpose as days of religious joy. As has become traditional in our Synagogue, the Grooms of the Law, Mr. Abraham L. Marcus, Chasan Torah, Mr. Alexander Gross, Chasan Bereshith and Mr. Herman Wouk, Chasan Maftir, were introduced to the Congregation by Rabbi Lookstein on Shemini Azeret before Musaf service. They were then individually escorted to their place of honor by Mr. Max J. Etra, President of the Congregation, Mr. A. Phillip Goldsmith, Vice-President and Mr. Samuel A. Marcus, Treasurer. It was moving to see the solemn reception and esteem shown to the Representatives of the Law.

### Joyous Hakafoth Service —

The Hakafoth Service, which took place on Saturday evening, was pervaded by an atmosphere of spiritual gaiety. From the moment that the

## FATHER-AND-SON MINYAN RESUMES SERVICE THIS SUNDAY

Inaugurating its eighth year of morning services, the Father-and-Son Minyan will resume meeting this Sunday, October 16th, at 9:30 o'clock in the Synagogue Chapel. Known formerly as the Young People's Minyan it continues under the active sponsorship of the Men's Club.

This activity, which in the past has been received with enthusiasm and anticipation, affords the opportunity for young people to worship in a well planned service that is appealing to its congregants. It is also an occasion when fathers may join their sons and daughters in a religious service on a morning of the week which is free from business responsibilities and other obligations. It is furthermore, an occasion for all participants to join in a community breakfast at the close of the service, to get together, socialize together, and enjoy a period of athletic activity in the gym.

The schedule of the Minyan program is as follows: From 9:30 to 10:30 there are services in the Chapel; from 10:30 to 11:00 Brunch in the Social Hall and from 11:00 to 12:30 basketball and sports in the gym.

The Men's Club will continue its policy of having its membership volunteer as patrons on different Sundays. In this way the Synagogue "fathers" join the Synagogue "sons" in prayer.

This year again the Minyan will continue under the supervision of Haskel Lookstein, himself a Minyan graduate now studying for the Rabbinate, his personal experience and ability are used to good advantage in the guidance of the Minyan program.

We would like to keep our Minyan growing and we extend a cordial invitation to all our young men and their fathers to attend this Minyan beginning with the first service this Sunday morning.

Rabbi Roth will preach this Sabbath at 11:00 a.m.

## MRS. OSCAR PERLBERGER APPOINTED LUNCHEON CHAIRMAN MRS. HYMAN I. COHEN CO-CHAIRMAN

Mrs. Hyman Abrams, Sisterhood president, announced the appointment of Mrs. Oscar Perlberger as chairman of the Donor Luncheon and Mrs. Hyman I. Cohen as co-chairman. The Sisterhood annual Donor Luncheon will be held this year on Tuesday afternoon, January 17, 1956 at the Hotel Delmonico. This luncheon will celebrate the Sisterhood's 19th Anniversary.

The Donor Luncheon marks the highlight of the Sisterhood year — it is the affair that is talked about the rest of the year. We look forward this time to another fine luncheon program under the able chairmanship of Mrs. Perlberger and Mrs. Cohen.

Assisting our chairmen in this affair are Mrs. Richard Kolb and Mrs. Edgar Trautman, who will take charge of raffles and decorations.

This beautiful luncheon merits the support of all, and we strongly urge that not only Sisterhood members but friends and members of the congregation, who for some reason or other are not in the Sisterhood, reserve this date and plan to attend.

### Respond to Federation Appeal —

All Sisterhood members are urged to cooperate with their Federation chairman, Mrs. Marcus Lederer. Please send in your contributions as soon as possible in as large amounts as possible.

### Sisterhood Again Sponsors Kiddush —

Beginning with this Saturday the Sisterhood will resume its sponsorship of the Sabbath Kiddush. At the conclusion of services all worshippers are invited to join the Rabbi for Kiddush in our Social Hall.

children, the featured guests of the evening, appeared with flags in their hands, the entire congregation burst into song. The spirit of Simchat Torah prevailed and continued until the end of the service when the youngsters were led to the vestry rooms and given their gifts of holiday goodies.

The seven processions with the Torah Scrolls were headed by Junior Marshals, children of our schools, carrying miniature scrolls. The traditional melodies, supplemented by special songs were admirably rendered by Cantor Konigsberg with the entire congregation joining as a mighty chorus. A special note of gaiety was added by Haskel Lookstein and his Crockettes.

The joyousness of the Simchat Torah evening was maintained during the following morning service and Hakafoth. The high-light of this service was the calling of the Grooms of the Law. A special citation was read by Rabbi Lookstein for each of them and a guard of honor escorted them to the reading desk. We would like here to mention the dramatic reading of the Haftorah by Mr. Herman Wouk.

A splendid buffet-luncheon in honor of the Grooms of the Law was served in the Auditorium of the Synagogue House. The attendance was so large that a special buffet had to be set up in the Social Hall as well.

### JUNIOR CONGREGATION HOLDS WEEKLY SERVICES

Now that the High Holiday Season is over the Junior Congregation will continue its weekly Sabbath Services this Saturday morning, October 15th, at 10:30 o'clock in the Chapel.

We know that the youngsters who reside in our community will welcome this bit of news, for they have come to enjoy this weekly feature and to participate in it in greater numbers with every succeeding year. We are certain, too, that they will be interested in knowing that a good deal of careful study has again gone into this year's Junior Congregation, to the end that it will be enriched to an even greater extent than in past years, and that it will bear more meaning and significance to the youngsters themselves.

The Junior Congregation will continue to have the kind of guidance that has made the service so meaningful for the boys and girls between the ages of 8 and 12 who attend. The youngsters themselves are encouraged to take over as much as possible of the service.

Regular attendance at the Junior Congregation has its own reward in educational and pedagogical gains. A more tangible reward to the youngsters, however, will be given for attending the service every Saturday morning. Prizes are given for attendance, parties are frequently held, and every Saturday following the service a Kiddush is served.

### TEEN-AGE CLUB TO HOLD FIRST MEETING THIS SUNDAY

The Teen-Agers will hold their first meeting of the year this coming Sunday afternoon, October 16th, at 2 o'clock in the Auditorium.

This is the group that was formed last year and that succeeded even better than we had anticipated. This year a planning committee has been hard at work making up a program that will even out-do last year's. Future activities will include: dances, boat-rides, outings, discussions and club newspaper and many other exciting activities.

The Teen-Age Club is open to boys between the ages of 15 and 18 and girls between 14 and 17. This Sunday after the meeting there will be dancing and refreshments. A good time will be had and we cordially invite all boys and girls in the above age range to join us.

that of the regular school, and emphasis is placed on story-telling, arts and crafts, singing, dancing, dramatics and games.

Those children who attended this class were extremely pleased with the class. For them it was a period of complete enjoyment and at the same time they received a Jewish experience that was meaningful and important to them.

If you have a 6-7 year old child we strongly recommend your enrolling him or her into this class. If you know of others who have a child of this age, please urge them to contact us.

### CONDOLENCES
