

SISTERHOOD AND MEN'S CLUB JOINTLY SPONSOR PARENTS DAY SABBATH JUNE 9 Religious School Students To Be Guests of Honor

Continuing a policy established last year, our Sisterhood and Men's Club are again joining hands to sponsor a Parents Day Sabbath. This special Sabbath will take place on Saturday, June 9th.

Mindful of the parents' responsibility for the religious education of their children, this Sabbath will feature this theme through the Afternoon Religious School. The children of the Religious School will participate in this service and will be our guests of honor.

Following the pattern that was successfully used last year the congregation will remove to the auditorium of the Synagogue House at the close of services. There an interesting program will be presented during which awards will be given to outstanding students of the school. In addition we will have presented a panel discussion on the topic "The Impact of Jewish Education." Those who will act as panelists are: Mrs. William B. Silverblatt, Harvey Leifert and Alan Shapiro.

Buffet Kiddush to be served —

At the conclusion of this special feature a tasty buffet kiddush will be served in the Social Hall by the Sisterhood and Men's Club in honor of the award recipients and the students of the school.

The Sabbath Service is scheduled to begin at 9 o'clock and we ask that all guests arrive as close to that hour as possible. For the younger students of our School we have made special arrangements. They will meet in the Chapel at 10:15 for a special service

that will be geared to their level. At approximately 11:30 they will be taken to the Main Synagogue to join in the Musaf Service.

We extend a cordial invitation to all our members and friends, the members of the Sisterhood and Men's Club and especially to the parents of our Religious School children to join us in the celebration of Parent's Day Sabbath.

RABBI LOOKSTEIN ELECTED TO ZIONIST ACTIONS COMMITTEE

We were very happy to learn that, at the recently held Zionist Congress in Jerusalem, our Rabbi was elected to the World Zionist Actions Committee. This committee consists of 100 of the leading Zionists throughout the world who determine the policies and programs of the World Zionist Organization.

We are very proud of this new honor that was conferred upon Rabbi Lookstein.

JUNE GRADUATES

As was announced last week, we are again planning to publish in the final issue of the Bulletin the names of those members of the congregational family who will celebrate educational milestones this month.

Our readers are urged to inform us of the young people who are graduating, receiving a school award or similar academic distinction. Either a written note or a telephone call will do the trick.

**JR. CONGREGATION TO HOLD
CONCLUDING SERVICE SATURDAY**

The final Jr. Congregation service of this season will take place this Saturday morning, June 2nd, at the usual hour of 10:15 A.M. in the Chapel.

In honor of this special occasion, a tasty Kiddush of ice cream and cookies will be served. We extend a cordial invitation to all the boys and girls of our community to join us on Saturday morning for the closing services.

While making this announcement, we would like to comment briefly on what we consider an activity of vital and long lasting importance to the boys and girls who took advantage of it during the last 30 weeks. Since the high holiday season, the Jr. Congregation met every Saturday morning — week in and week out, rain or shine, with 30 to 40 youngsters in attendance conducting the service by themselves and for themselves. The proper supervision was provided in the person of Franklin Holzer, who explained the different features that constitute a Sabbath service.

Several innovations met with great success. The Jr. Congregation elected its own officers who did an exceptionally fine job of leading the service and maintaining decorum. The youngsters themselves delivered sermons and acted as Chazanim and every child was given a chance to participate actively.

BASEBALL FANS**

Although our weather man did not play ball with us this past Sunday when our Men's Club had scheduled its Baseball Party, we would like to inform our members and friends who purchased tickets that these tickets are still valid. They can be exchanged for similar seats to any Giant game by returning them either by mail or in person to the New York Giants Main Office at 100 West 42nd Street.

One ray of sunshine is the fact that the response to this Party was unusually good. Three hundred tickets were purchased and in a short time were sold. Most of these tickets have already been paid for, and those who have not as yet done so are requested to take care of this matter as soon as possible. The proceeds from this affair are urgently needed to help us meet our many philanthropic commitments.

We would like to thank Maurice N. Jaffe who did such an excellent job in chairing this committee. Thanks also go to all those who cooperated either by the sale of tickets or in their purchase.

We are looking forward to another baseball party next year "weather or not."
