## 20th ANNIVERSARY OF RAMAZ SCHOOL WILL BE COMMEMORATED AT SPECIAL SABBATH

**Congregation Will Observe Historic Event on January 19th**

On Saturday, January 19th, Kehilath Jeshurun will celebrate fittingly the 20th Anniversary of the founding of Ramaz School. It was in 1936 that the institution was founded under the sponsorship of the congregation.

When Ramaz came into being it held sessions in the then vestry rooms of the congregation. Its student body consisted of six children. Today it has an enrollment of almost five hundred children, and it offers an education from kindergarten to college.

Ramaz is not only fully chartered by the Board of Regents, it is accredited as a secondary school by the New York State Department of Education. This distinction is shared by only one other Jewish School in the entire state. The reputation of Ramaz is world wide and it has served as a model for many other Day Schools that came into existence during the past two decades. The Ramaz Plan is now a recognized educational philosophy everywhere.

Graduates of Ramaz have won distinction in their academic and professional careers. The college admission record of the school is extremely high and its former students have won admission to the leading colleges of the country. Among these colleges and universities are: Barnard, Columbia, Cornell, Harvard, Princeton, Sarah Lawrence, Yale, Yeshiva University and many others.

The educational attainments of Ramaz students are most laudable. They have won Regents State Scholarships, National Merit Scholarships and other academic honors.

The school has a very generous scholarship aid program. Twenty percent of the students are on full scholarship and an additional thirty percent receive varying scholarship allowances. No promising student is ever denied admission because of humble economic circumstances.

This unique institution was made possible by Kehilath Jeshurun. It was the vision of our membership that brought it into being, and their unfailing generosity that furthered its growth. We have reason, therefore, to take pride in the achievements of Ramaz and to celebrate in joy and gratitude the 20th Anniversary milestone that the institution reached.

## SISTERHOOD TO VISIT JEWISH MUSEUM ON JANUARY 21st

Mrs. Oscar Perlberger, president, announced that a fascinating visit is scheduled for our next Sisterhood function on Monday afternoon, January 21st. At that time the Sisterhood program will include a trip to the Jewish Museum where a guided tour will take place.

This program will begin with the usual dessert luncheon at 12:30 in the Social Hall. After luncheon the group will leave the Synagogue for the museum.

Mrs. William Lebowitz, program chairman, stated that her visit to the museum to make arrangements for the trip proved to be a most rewarding one. She was fascinated by the many beautiful objects of Jewish interest that are on display. We know our members and friends will also find this trip rewarding and we urge them to join us on January 21st.

## RELIGIOUS SCHOOL WILL HOLD PARENTS CLASS NIGHT JANUARY 22nd

A Class Night for parents of the children in our Afternoon Religious School will be held on Tuesday evening, January 22nd, at 8 o'clock. At that time parents are invited to participate in a special program that will orient them to the school's curriculum.

Parents will sit in the classrooms of their children where the teachers will explain the goals of the school, the text books that are used, what has been accomplished so far this year, and the ways in which parents can help the students achieve maximum learning.

This is the first time that we are holding such a program for parents and we feel that it will make an important contribution to developing stronger bonds between the school and the home.

## HAPPY DAY FUND

We acknowledge with thanks a contribution to our Happy Day Fund from Mrs. Richard Kolb.

Members are urged to share their joyous occasions with others by making a gift to the Happy Day Fund. Contributions are to be sent to the Happy Day Fund Chairman, Mrs. Reuben N. Popkin, 12 West 72nd Street.

## RABBI HOWARD LEVINE TO LECTURE ON "HOSEA" AT ADULT INSTITUTE ON JANUARY 23rd

"Hosea — Prophet of Love" will be the theme of the Adult Institute lecture to be delivered by Rabbi Howard Levine, instructor of Religious Studies at Stern College, on Wednesday evening, January 23rd.

In his talk on the Prophet Hosea, who was Judged by the Talmud as the greatest of his contemporaries, Rabbi Levine will present a rounded picture of this Prophet of faith and fidelity who had to suffer the experience of a faithless wife. To Hosea Judaism rests on two cornerstones: Love and T'shuvah, the return to God. T'shuvah is seen as the ever present opportunity of turning failure into success.

**Rabbi Howard Levine**

The spiritual leader of the Young Israel of Forest Hills, Rabbi Levine is a young man who has made a mark for himself as a fine scholar. He has participated in many Adult Institutes and is active in educational programming. The fine talk that he gave us on "Jeremiah" when he visited us previously on December 5th, makes us eagerly await his return.

This lecture is the seventh in the series "The Prophets Speak To Us Anew," and we extend a cordial invitation to members and friends to join us on January 23rd, at 9 o'clock.

### Hebrew Class —

One hour prior to the lecture our Hebrew Class will continue meeting in Room 401 of the Synagogue House. We are very pleased with the attendance at this class and with the fine progress that our participants have made.
