ISRAEL BONDS AVAILABLE THROUGH THE SYNAGOGUE

We are happy to announce that unsolicited pledges for Bonds totaling nearly \$25,000 have been received in the Synagogue Office, in response to the address of Rabbi Solomon Goren, Chief Rabbi of the Israel Defense Forces. Although no formal appeal took place in the Synagogue, immediately following Rabbi Goren's talk many congregants expressed a desire to purchase Israel Bonds. Anticipating a demand for the purchase of Israel Bonds through the Synagogue, a supply of Bond applications has been obtained. It would be fitting that we might inform Rabbi Goren of substantial purchases of Israel Government Bonds as a result of his visit to Kehilath Jeshurun on the last Sabbath of his tour through the United States and Canada.

YOUNG MARRIEDS HEAR RABBI

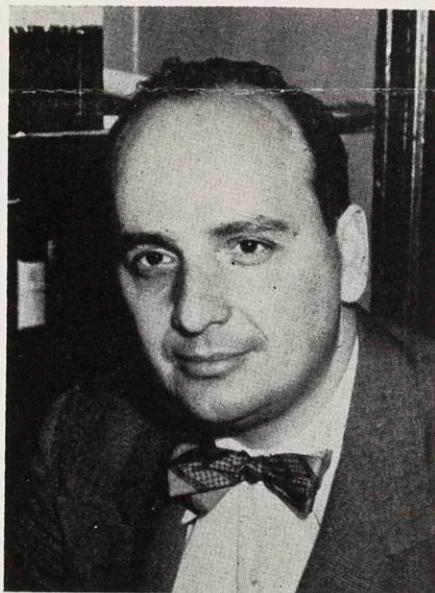

Last Saturday evening the Young Marrieds group of the congregation met for the first time this year at the home of Dr. and Mrs. Theodore R. Fink. Among those in attendance were Mr. and Mrs. Joseph N. Friedman, Mr. and Mrs. Norman Halper, Mr. and Mrs. Martin Markson, Mr. and Mrs. Arthur M. Rosen, Mr. and Mrs. Julius Silver, Dr. and Mrs. Ned Wachtel and Dr. and Mrs. Frederick Zuckerman.

The goals of the Young Marrieds were evaluated and a committee was formed to plan the programming for the remainder of the season.

Rabbi Lookstein spoke briefly and the group availed itself of the opportunity to direct questions to the Rabbi in a spirited session covering a wide variety of the concerns of young Jewish couples.

Special thanks are due to Dr. and Mrs. Fink for serving as such gracious hosts for this opening meeting.

WOUK AND DAVIDSON TO BE FEATURED AT MEN'S CLUB ANNUAL DINNER

DR. VICTOR WOUK

At the Nineteenth Annual Dinner of the Men's Club, to be held Tuesday evening, January 14th, our esteemed member, Dr. Victor Wouk, will deliver the major address. Dr. Wouk, a prominent electrical engineer, is the recipient of a citation awarded him by the United States Army Corps of Engineers for his contribution to the development of the atom bomb in the Manhattan Project. He is active in Jewish communal affairs and is an officer of the Metropolitan New York Commission on Talmud Torah Education, sponsored by Yeshiva University and the Jewish Education Committee. Dr. Wouk's theme will deal with the role that science has played in shaping present-day society.

IRVING DAVIDSON

On the lighter side, we will have the world-famous humorist and raconteur, Mr. Irving Davidson, who is recognized as an authority on Jewish humor. Mr. Davidson's appearance with us next week is in the nature of a "return engagement", for we have had the pleasure of laughing with him at Men's Club functions in the past.

Invitations to the Dinner have been sent to all members through the mails. Mr. Elgin Shulsky, chairman of the affair, requests your prompt response to the invitation so that the necessary arrangements may be made. Please send your reservations to the synagogue office as quickly as possible.

Rabbi Lookstein Will Preach This Sabbath At 11:00 A.M.

SISTERHOOD TO HEAR REPORT ON JUVENILE DELINQUENCY

At the next Sisterhood meeting on Monday afternoon, January 13, a program which was scheduled for earlier in the season, but was postponed to this date will be presented.

A symposium will be presented on the subject "Juvenile Delinquency in Our Neighborhood." Participating in the panel are two men who are actively involved in programs to control the spread of juvenile delinquency in this area of the city: Patrolman Naeder and Bernard Clyne. Patrolman Naeder is Director of Youth Activities of the 19th Precinct which covers the area from 65th Street to 86th Street and from Fifth Avenue to the East River. He administers the Police Athletic League program and is responsible for establishing relationships with known and potential juvenile gangs and delinquents. As part of his duties, he maintains contact with the youth serving agencies in the area.

Bernard Clyne is a project worker for Interfaith Neighbors. He works with delinquents and potential delinquent gangs in our neighborhood.

In addition, a fascinating film on the case history of a delinquent called "Boy with a Knife" will be shown. The moderator will be Theodore Comet, Director of the Youth Department of American Zionist Council.

As you can see, the program will be a full and stimulating one, and we look forward to your joining us on January 13th. Luncheon will be served at 12:30 o'clock.

We acknowledge with thanks contributions to our Happy Day Fund from —Mrs. Ralph Hyman, Mrs. Isaac Okun, Mrs. Simon Vogel and Mr. George Weiss.

MINYAN MEMO

This past Sunday, the Minyan had what could certainly be called its finest service of the season. Some forty "boys" from age 8 to age 50 came from all parts of the city to participate. Two of the cantors, Paul Blumberg and Isaac Rubin, regulars from last year, usually attend school on Sundays but took advantage of the vacation period to attend the Father-Son Service. The other cantors were Jacques Gorlin and Simcha Regeur.

Amidst all the gratification that is derived from the Minyan there is one disturbing note. Not enough fathers and sons from the congregation take advantage of this unique educational opportunity. At this midpoint in our season, we should like to extend an invitation to all the members of the synagogue to come down this Sunday at 9:30. We hope to see you there in person!

The Bar Mitzvah of Gerald Frenkel, son of Mr. and Mrs. Abraham J. Frenkel, will be celebrated in the synagogue this Sabbath. An 8th grade student in Ramaz, Gerald's favorite school subjects are mathematics, Bible and social studies. In his spare time, Gerald builds model boats. Gerald intends to continue his Jewish education and would like to be a rabbi. He is proud that his great-grandfather was a rabbi and would like to continue this family tradition. Gerald will chant the entire Torah portion this Sabbath in addition to chanting the Prophetic reading.

A MESSAGE FROM FEDERATION

A gift to Federation provides not one kind of kindness but one hundred and sixteen, not one kind of service but a thousand different services. Federation is many institutions—116 hospitals and social service agencies—which concern themselves with virtually every kind of illness, every kind of misfortune. Because your one gift supports more than 85% of all Jewish sponsored medical and welfare care in New York, and Long Island . . . there is no better way to do so much for so many people here at home . . . no finer way to carry forward the tradition of Tzedakah.

Today the lives of 1 out of 4 are touched by problems of divorce, 1 out of 16 suffers some form of heart disease, 1 out of 10 will be hospitalized for mental illness, 1 out of 4 may develop cancer and 1 out of every 3 persons over sixty-five needs help, a home, medical care. These are problems common to all — rich, poor, in-between — and their solution depends on the kind of help Federation agencies provide. Federation makes available the professional skills, knowledge, the equipment, the facilities that no person can bring into being to help himself at the moment he may need them. When you give to Federation you give the means to save the lives of those near and dear to you as surely as the stranger you have never met . . . you answer the hopes of all our children, our aged, our handicapped.

Be as generous as possible when you are called upon to offer your contribution to Federation this year.
