EDUCATIONAL SCHOLARSHIP FUND BENEFITED BY 1958 YEAR BOOK ADS

The Congregation's Year Book which supports the Educational Scholarship Fund has received advertisements in the past week through our esteemed members Jerry Coan, Samuel Goldberg, Richard Kolb, Frederick Margarten and Aaron J. Simon. We are happy to note this accelerated activity on behalf of this most worthy cause.

The Educational Scholarship Fund is devoted solely to the allocation of scholarships to deserving students. None of the money in this fund is used for general congregational purposes.

Won't you then please redouble your efforts so that still greater allocations may be made this year.

Dr. Bernard Lander will preach this Sabbath at 11:00 a.m.

**RELIGIOUS SCHOOL PARTICIPATES
IN PEDAGOGIC CONFERENCE**

The Religious School will be represented this Sunday at a Pedagogic Conference sponsored by the Jewish Education Committee. The Religious School is affiliated with the Metropolitan New York Commission on Talmud Torah Education under the auspices of the Jewish Education Committee and Yeshiva University. The theme of this year's Pedagogic Conference is the introduction of material relating to Israel in the school curriculum.

At the conference, an Educators' Council, whose membership will include principals of traditional religious schools, will be organized. The conference will meet at the Stern College for Women of Yeshiva University.

ADULT INSTITUTE

Although the Lecture Series of the Adult Institute has come to an end, the other classes of the Adult Education program of the Congregation continue to meet as in the past. Every week day following the morning services the daily Mishna is studied. On Saturday afternoon, the Seudah Seminar continues in force. The Wednesday night classes are not affected of course by the conclusion of the Wednesday night lecture series. The Talmud Class will meet as in the past at 8 o'clock on Wednesday evenings in the Synagogue Library. This class is now concluding the study of the first chapter of the Tractate Makkoth. A class in Hebrew language also meets at that time with Mrs. Rothkowitz. New students are always welcome for these classes.
