CONCLUDING SESSION OF SEUDAH SEMINAR THIS SATURDAY

After a successful season, the closing session of the Seudah Seminar will take place this Saturday in the Social Hall, following Mincha Services at 5:40.

Sabbath after Sabbath a fine group of men and women attended these seminars. They partook of light refreshments, they joined in the singing led by Cantor Sherwood Plitnick and they listened to an instructive address on the weekly portion, by Rabbi Albert Hollander.

This interesting series will be brought to a close this Saturday and we urge all our friends to be with us as we bid farewell to another adult educational activity.

CONGREGANTS RESPOND GENEROUSLY TO YESHIVA UNIVERSITY APPEAL

SEDER SERVICES

Once again we are conducting a Congregational Seder on both nights of the Passover holiday. Letters, with reservation blanks, were sent out to the entire membership. In those letters we informed all our friends that there will be no follow-ups of any kind. We feel that those who are interested will take advantage of the opportunity that is offered to them, without any pressure on our part.

Reservations for the Seder nights must be made no later than Friday, March 28th. No reservations will be accepted after that date.

Close to \$25,000 was contributed by our congregants last Saturday morning at a service dedicated to Yeshiva University. These funds go towards the maintenance of the institution and especially towards the very generous scholarship aid program of the school.

The occasion served as a testimonial to Dr. Samuel Belkin, distinguished president of Yeshiva University, who is one of the trustees of the congregation. He was greatly moved by the tribute paid to him and by the devotion of Kehilath Jeshurun to Yeshiva University.

The appeal was conducted with the usual dignity and propriety familiar to our congregants. No public announcements, no pressures, no direct solicitations were resorted to and yet the generosity of our worshippers was most heartwarming.

A special kiddush was served at the conclusion of services at which Dr. Belkin was the guest of honor.

Yeshiva University now comprises 17 different schools and divisions at six major teaching centers with an enrollment of more than 3,000 men and women from all parts of the U.S. and abroad. Yeshiva University's overall budget exceeds \$3,000,000 with a \$750,000 Scholarship Fund, providing tuition, dormitory and maintenance assistance for more than 2,600 students.

While the Synagogue was well filled, nevertheless there were some who for one reason or another could not be present. We know that they would like to participate in this effort in behalf of the foremost institution of higher learning in the land. We will be very happy to hear from them. Contributions may be sent directly to the Synagogue Office and will then be forwarded to the offices of Yeshiva University.

Our thanks to all who gave and to all who yet will give.

UPTURN IN ECONOMY EXPECTED IN TWO MONTHS Says Stock Analyst at Men's Club Meeting

Mr. Lewis Schellbach, Vice-president of Standard and Poor's Corporation, a leading economic research and analysis firm, discussed "The General Business Outlook" at the monthly meeting of the Men's Club, last Monday evening.

Mr. Schellbach opened his talk with a forecast: The current recession will reach its low point in the next month or two. After that time, business will begin to recover.

A chart based on estimates of the Council of Economic Advisors, analyzing national income, gross national product, and other components of the economic structure was presented to the audience. On the basis of a detailed comparative analysis of these figures for 1956, 1957 and estimates for 1958, Mr. Schellbach arrived at his encouraging conclusion.

A question and answer session followed the formal presentation, and Mr. Schellbach's reasons and conclusions were subjected to close scrutiny.

A graduate of Columbia University, Mr. Schellbach is now in his thirtieth year with Standard & Poor's Corporation. He has worked his way through most departments in that corporation, from inquiry correspondent to editor of its most important service.

He is Vice-President in charge of all printed advisory services and director of economic research. In the latter post, he was one of the few economists who during the war foretold the postwar boom. His study entitled "Victory is Bullish," was in direct conflict with the commonly held view that the war would be followed by a severe depression.

Standard & Poor's Corporation is the oldest and largest statistical and investment advisory organization in the world. It is a leading publisher of factual information dealing with corporations; of analytical and investment services; and is probably the largest personal investment counseling firm in the country.

MEN'S CLUB ASSOCIATION TO MEET HERE

The Executive Committee of the Association of Men's Clubs, sponsored by the Yeshiva Synagogue Council, will meet in the Social Hall this Sunday afternoon. Mr. Ira Weisman, esteemed trustee of the congregation, is president of the Association.

MINYAN MEMO

Week after week, the young cantors at the Men's Club Father and Son Minyan improve at their liturgical dexterity. Those who have impressed the Minyan in the last two weeks are: Jimmy Cleeman, Steven Gross, Albert (Tex) Kleinhaus, Charles Kleinhaus, Jerry Pollack, Ian Schoor and Jonathon Schor.

We are now in the home stretch of the Minyan season with only two more weeks to go. If you haven't been with us until now, don't procrastinate any longer. Our service begins at 9:30.

ADVANCE NOTICE: On March 30th, at our last service of the season, we shall feature three "name" cantors. This will be a premiere performance for them at the Minyan. Watch for details in next week's Bulletin.

SALE OF CHOMETZ

During Passover, no chometz is permitted to remain in the possession of a Jew. To fulfill the requirements of Jewish law, this chometz may be sold. Such a sale is conducted by the Rabbi who must first receive authorization to perform that task. For your convenience, the form below may be used.

In connection with the Sale of Chometz for the Passover holiday, the form below may be used. Please fill it out and return it to the Rabbi.

I, hereby authorize
Rabbi Joseph H. Lookstein to dispose of all Chometz which may be in my
possession wherever it may be: at home, place of business or elsewhere in
accordance with the requirements and provisions of Jewish law.
