WELCOME

CANTOR AVRUM DAVIS

It is a pleasure to welcome to Congregation Kehilath Jeshurun, Cantor Avrum Davis, who for twenty-seven years was the cantor of Congregation Shaaray Tefila in Far Rockaway. Cantor Davis was elected at a special meeting of the Board of Trustees on Wednesday evening, July 25, following his memorable visit to our congregation on Shabbat Pinchas, July 21.

Born in the old city of Jerusalem, Cantor Davis sang in the famed Zalmán Rivlin Choir in Jerusalem and participated musically with some of the biggest cantors of the last generation, including Rosenblatt, Kwartin and Herschman, all of whose music he enjoys singing. He is a past member of the Haganah in the pre-State era.

Cantor Davis and his wife, the former Esther Frankel, together with their four children, were an integral part of the Far Rockaway Jewish community, earning not only the appreciation of the community for the cantor's musical excellence, but also the love and respect of the many families with whom the Davis family came in close contact. We are confident that the Davis family will become similarly an important part of the KJ community.

Cantor Davis will officiate for the first time at services on Shabbat Ki Tavo, beginning Friday night, September 14.

Why Does Tradition Ordain A Minimum of Four Days of S'lichot Before Rosh Hashanah?

One of the reasons is given by the Mishnah B'rurah as follows: Before an animal is offered as a sacrifice, it must undergo four days of inspection for possible disqualifying blemishes. On Rosh Hashanah we consider ourselves as spiritual offerings on the altar of God. Consequently, we spend at least four days searching for possible disqualifying blemishes and resolving to correct our wrongs.

Please begin that process of introspection by joining us for

Renovation of Main Synagogue Nears Completion

We are very pleased to announce that the renovation of the Main Synagogue is very close to completion. We hope to hold services in our newly decorated Main Synagogue for the first time on Shabbat morning, September 15.

There is no point in trying to describe all of the beautiful work which has been done in our Main Sanctuary, from the walls to the benches to the floors and including the ceiling. It will all be obvious to our worshippers when they first walk in and see the almost finished job for themselves.

Our warmest thanks to the dedicated chairman of the Centennial Building Committee, Mr. Eugene Hollander, who was literally on the job every single morning throughout the summer. That the work has progressed so far and is almost completed, is a great tribute to his efforts, patience, and skill.

Our thanks also to the members of

the Building Committee: A. Phillip Goldsmith, Joseph Lorch, Elgin Shulsky and Ami Texon, for their advice, counsel and diligence.

A special vote of thanks to Noam Shudofsky who oversaw the entire task and who managed the many details in so competent a fashion.

Welcome to Rabbi John R. Hellman, Synagogue Administrator

Rabbi John R. Hellman has been appointed Synagogue Administrator and we extend to him a hearty welcome into the administrative family of Kehilath Jeshurun.

Rabbi Hellman is a native of Washington, D.C. He was ordained by the Rabbi Isaac Elchanan Theological Seminary and received his B.A. and M.A. from Yeshiva University. He also spent two years as a student in the renowned Yeshiva, Kerem B'Yavne in Israel.

A Note to the Kehilath Jeshurun Family

I wish to express my sincere gratitude to the Kehilath Jeshurun family for the attention and friendship that I received at the passing of my dear brother.

I tried to communicate in person with everyone — with those who attended the funeral services in Plainfield, New Jersey and with those who saw fit to call on me during the period of shiva. I know that their solicitousness involved hardships of travel and I am, therefore, all the more grateful for what they did.

If I did not succeed in reaching everyone in person, then let this notice represent a collective thanks to everyone. I hope that we may be privileged to remember each other henceforth in health and in happiness.

Joseph H. Lookstein

To The Members of Congregation Kehilath Jeshurun

Dear Friends:

I wish to send you my best wishes for the coming High Holy Day season. I remember with fondness your congregation before which I was honored by being called to the Torah on my first Shabbat in America and with which I feel myself bound so much.

I regret so much that an illness prevented me from addressing your congregation last year.

Yours,
Roman Rutman

(Ed. note)

Readers will recall that Dr. Rutman is the Russian Jew whom Rabbi and Mrs. Haskel Lookstein met in Moscow on their trip last year and who was given his visa in the middle of November as part of the Soviet reaction to the campaign for the Jackson Amendment last year. Dr. Rutman was our guest at services last December on his trip to America in behalf of the National Conference on Soviet Jewry. At present the Rutman family is living in Tel Aviv. Dr. Rutman occupies a Chair in Cybernetics created especially for him at Tel Aviv University.

Seating Arrangements Still Available for High Holy Days

There are a few seats available in both the Main Synagogue and in our Auxiliary Service for the forthcoming High Holy Day season. Members of the congregation and the community at large are asked to make their needs known to the synagogue office without any delay so that we can serve all who need to be accommodated.

CHILDREN'S SERVICES BEGIN THIS SHABBAT

Our two services for children will begin holding their regular meetings this coming Shabbat morning, September 15. At 10:00 the Junior Congregation will meet in the Chapel. The leader this year will be Binny Shudofsky, a student in Form V at Ramaz and himself an alumnus of the Junior Congregation.

New features will be introduced this year to make the services more meaningful and instructive for children from Grade 2 through Grade 7.

At 11:00 o'clock the Pre-Junior Congregation will meet in the Third Floor Lunchroom under the direction of Dina Markson who has served for the past two years as Assistant Leader of this

activity. Dina will herself be helped by a rotation of young ladies from the Junior High School classes of Ramaz.

This Pre-Junior Congregation is open to children from Nursery school age through grade 1. It features stories, prayers, and other appropriate activity for a Sabbath morning with the twofold purpose of instruction for the young and freeing their parents to attend regular services in the Main Synagogue.

Both of these activities will be under the supervision of our new Directors of the Youth Program at KJ, Ricki and David Bernstein. They can be reached through the Synagogue Office.

Adult Classes Currently in Process

We would like to inform the community of two classes that are currently meeting on a regular basis and to which all interested students are invited.

Rabbi Haskel Lookstein is conducting his class in Maimonides' Code of Law every Wednesday morning from 8:05 until 8:45 with breakfast served after the session. The class is studying the Laws of Repentance, a most appropriate theme for this season of the year.

A class is also meeting on Shabbat afternoon about an hour before Mincha to study the festival laws pertaining to this season. We are using the text of the Shulchan Aruch with the commentary of the Mishnah B'rurah. That class meets this week at 5:45 P.M. in the Library of the Synagogue.

Rabbi John R. Hellman (Cont'd)

was the recipient of the Mendel Gottesman Fellowship Award in Talmud.

He assisted in the establishment of the Lincoln Square Synagogue, and served as a Rabbi in Paramus, New Jersey. He spent two years as Director of the Jewish Studies at Carmel College in Wallingford, England, and last year he was on the faculty of the Judaic Studies Department at Ramaz School.

Rabbi Hellman is, therefore, qualified and experienced in many areas of religious, educational and administrative work. We are confident that he will contribute greatly to Kehilath Jeshurun as Synagogue Administrator and we wish him every success.

Seudah Sh'lihsit In Honor of Marla Wald

The entire Kehilath Jeshurun Community is cordially invited to a Seudah Sh'lishit which will be tendered in honor of Marla Wald, this Shabbat afternoon, September 15th.

Marla, the daughter of Dr. and Mrs. Philip Wald, is a student in Form I of the Ramaz School. She will deliver a D'var Torah for the occasion which will mark her becoming a Bat Mitzvah.

Mazel Tov to the Wald family on the occasion of Marla's entrance into the age of Mitzvot and Jewish responsibility.

Communal Honors

Congratulations to our Honorary President, Max J. Etra, who received the City College Medal last spring on the occasion of the celebration of the 125th Anniversary of C.C.N.Y. Mr. Etra is a graduate of City College.

Congratulations also to Mrs. Jess Ward upon her election as Chairman of the National Board of Directors of the Mizrahi Women's Organization of America. This represents an outstanding tribute to the leadership capabilities of Mrs. Ward who has given many years of talented work to the service of Mizrahi Women. We wish the organization and its Chairman every success in its future endeavors.

Similar congratulations to Jack D. Weiler, one of the leading Jewish figures in this community upon his designation as guest of honor at a testimonial dinner to be tendered to him by the Israel Bond Organization on October 9th, at the Plaza Hotel. Mr. Weiler will be presented with an historic award at this dinner for his leadership in the cause of Israel Bonds.

And to a Junior Member

We congratulate Allan Friedman, son of Mrs. Joseph N. Friedman, upon his election as National Treasurer of the National Conference of Synagogue Youth, the youth arm of the U.O.J.C.A. Allan's election came at the National Convention held in June. He is also a Vice-President of the Greater New York Region of N.C.S.Y.

Member In The Newspapers

We note with pride the appearance of a lengthy letter in the **JERUSALEM POST** penned by our young member, Steve Lorch, son of Mr. and Mrs. Joseph Lorch. The subject of the letter was an objection to scheduling concerts during the three weeks between the 17th of Tamuz and the 9th of Av.

Steve's arguments were strongly presented from the standpoint of one who appreciates the opportunity to perform musically in Israel under favorable conditions. The writer was careful to emphasize that except for the violation of the spirit of the Three Weeks, all other arrangements made by the State of Israel for the convenience of religious participants in music festivals were thoughtful, consistent, and most appreciated.

In Memoriam

Mary Schleifer

We record with profound sorrow the sudden passing last June of Mrs. Louis Schleifer, a senior member of our congregation and the mother of Mrs. Joseph Wolf.

Mary Schleifer was a queenly figure in the Jewish community of our city. Together with her sainted husband, she helped to build many an institution to which she remained loyal and generous even after her husband's passing.

To members of Kehilath Jeshurun she was known as a pious lady who was practically the first woman in the synagogue on Shabbat and who greeted everyone with a smile that bespoke love and warmth toward all. She was a proud mother and a beloved grandmother.

We mourn her passing and we extend our fullest condolences to Mrs. Wolf and to all the members of the bereaved family.

Abraham R. Winer

Kehilath Jeshurun mourns the passing of an esteemed son of the congregation. The son of a former official of our synagogue, Elias Winer, Abe was a symbol of the tradition and grandeur of K.J.

Possessed of an impressive and noble stature, endowed with strength of character and a reverence for the past, he was capable of deep and sensitive feelings towards God and man.

We shall always remember him wrapped in a Tallith — the Tallith which he used to spread over the children on Simchat Torah — reciting a Maftir with precision and purpose and davening at the Amud with expertise and piety.

May his soul be forever bound up among the living.

Oscar Perlberger

We mourn the passing of this senior member and Trustee of the congregation who was called to his eternal reward on Tisha B'Av. A man who came from a distinguished Galician family, Mr. Perlberger was the essence of dignity in our synagogue. He loved Kehilath Jeshurun and the Ramaz School, on whose Board he was also an active Trustee.

Generous to many causes, and to many people in need — quietly and privately—Mr. Perlberger was most at home at Kehilath Jeshurun, where he sat in his long woolen tallis and manifested reverence towards God and love for his fellow man.

May God comfort and console Mrs. Perlberger, a former President of our Sisterhood, Jack and Ralph Perlberger and their respective families, among all of us who mourn the passing of this warm and gracious Jew.

Condolences

We of the KJ family have had the unfortunate occasion to mourn during the course of the summer and we now take this opportunity to extend condolences to the following members who have recently lost loved ones . . .

. . . Mrs. Bertram Bermar on the passing of her beloved mother, Anne B. Mersel.

. . . Mrs. Harry Freund on the passing of her beloved father, Dr. Mortimer Kopp, one of the founders of the Albert Einstein College of Medicine of Yeshiva University.

. . . Mr. Abraham R. Kirshon, a past Men's Club President, on the passing of his beloved brother, Irving Kirshon.

. . . Rabbi Joseph H. Lookstein, our revered Senior Rabbi, on the passing

of his beloved brother, Abraham I. Lookstein.

. . . Mr. Joseph Lorch, an esteemed Trustee, on the passing of his beloved mother, Hannchen Lorch.

. . . Mrs. Milton Lukashok on the passing of her beloved mother, Mrs. Ethel Hirsch.

. . . Mr. Norman D. Mosesson on the passing of his beloved father, Samuel Mosesson.

. . . Mr. Jack A. Rothenstein on the passing of his beloved sister, Mrs. Rose Katz.

. . . Dr. Robert Wallach, another past Men's Club President, on the passing of his beloved brother, Selig Wallach.

We pray that these families be spared further sorrow for many years to come.

A Sefer Torah

will be written this year
by Congregation Kehilath Jeshurun.

An opportunity will be given
to all to participate.

Details will be announced in a special supplement
of our Rosh Hashanah Bulletin.

SHOFAR SQUAD FOR THOSE AT HOME

Members of the congregation and the community at large who cannot come to the synagogue on Rosh Hashanah are urged to inform Mr. Rosenberg in the Synagogue Office. A shofar squad will be available on both days of the festival to come to the home to sound the shofar.

The squad will be composed of young men from the congregation who have been trained for this purpose. We are happy to perform this mitzvah for all those who need it. Please contact Mr. Rosenberg well in advance of the festival.

All of our friends in the community are invited to take advantage of a service provided by the Men's Club of the Congregation on Sunday morning, September 23rd beginning at 9 o'clock. A Sofer will be on hand in the Library of the Synagogue to inspect tefillin and mezuzot and to make necessary corrections and adjustments.

Excerpts From The Letter Of The Standard Oil Company Of California

During the summer, on July 26, O. N. Miller, Chairman of the Board of Standard Oil Company of California, producers of Chevron gasoline, sent a letter to the company's stockholders in which he pointed out the serious need for foreign oil. The Chairman indicated that the oil which we need would have to come "primarily from the prolific oil fields of the Arab-Persian Gulf area . . ." Below follows pertinent quotations which follow this conclusion in the letter:

"There now is a growing feeling in much of the Arab world that the United States has turned its back on the Arab people. Many are said to feel that Americans do not hold in proper regard the national interests of the Arab states, their long history of important contributions to civilization, their efforts to achieve political stability and to develop sound and modern economic structures.

"All of this is occurring at a time when the Arab states — because of their vast reserves of crude oil — are becoming increasingly important to the future welfare of the Western world. The Arab states — and Iran — hold the key to the energy resources which fuel the industrialized nations of Western Europe and Japan. They represent the only major source to which the United States can look for any substantial increase in its crude oil imports to meet our needs.

"It is highly important at this time that the United States should work more closely with the Arab governments to build up and enhance our relations with the Arab people. We as Americans have a long history of friendship and cooperation with the Arabs. It goes back more than 100 years, long before the first oil operations, and involves cultural relationships which encompass education and religion, as well as commercial trading."
