## PARALLEL SERVICES UPSTAIRS

As in past years, many of our members and friends will worship with us at the Parallel Services which are conducted in our upstairs auditorium.

Mr. Yehuda Schwartz and Mr. Martin Gordon, a senior student at Yeshiva University will officiate. Our own cantors, “Kelly” Winkler and Boris Stern will alternate in officiating at the parallel services during Rosh Hashonah.

The time of the Services upstairs is the same as that scheduled for the main Synagogue. Worshippers are urged to be on time, and to bring their seat assignment cards with them in order to facilitate seating.

## WELCOME

We are happy to welcome you to our High Holy Day Services and to wish you and yours a very joyous and healthy New Year.

You are undoubtedly anxious to cooperate in fullest measure to make of our services the elevating religious experience we all want it to be.

We are taking this opportunity, therefore, to suggest in advance of the service some ways in which you can be of maximum assistance toward attaining decorum and religious reverence befitting our House of G-d.

We know that you will give complete and wholehearted cooperation in all the following:

### (1) PARTICIPATION:—

The service is being planned so that **everybody** will be able to participate. Be an active participant. Join at all times that you can, and in that way be an integral part of our congregation.

### (2) CONSIDERATION:—

Walking in and out of the Synagogue during the service, as well as carrying on conversations, are violations of basic principles of religious conduct. In addition, they are extremely disturbing to both your fellow worshippers and to those who are conducting the service. Please note the schedule of services and make every effort to be on **time**.

### (3) SALUTATION:—

Another element highly disturbing to the services is the spontaneous exchange of greetings by those who have not seen each other for some time. Let us agree in advance, as part of our synagogue code, to withhold all exchange of greetings until the close of the service. In this way nobody will feel offended. After we have prayed for each other, we are in a position to give an extra special warm greeting of L'shona Tovah Tikasavu!

Irving A. Margolies .....Rabbi

Sidney Sussman .....President

Harry Koppelman ....Pres., Men's Club

Jeannette Robinson  
Pres. Women's League

With the beginning of the New Year 5718, we are happy to renew our publication, "The Young Israelite" which we hope will serve to acquaint, inform and enlighten our membership of all the functions and activities of our congregational family throughout the year.

That there is a strong felt need for such a medium of communication is clearly evident. During the year innumerable mail goes out to our members through Young Israel, the Men's Club and Women's League. More often than not, these letters remain unopened by the recipients or just filed away — in the waste basket.

In order to eliminate unnecessary expense, duplication and unopened mail, we hope to publish "The Young Israelite" in this attractive format monthly and include within it all the doings, functions and affairs of Young Israel and its affiliated groups as well as items of personal interest "within our family."

We will be glad to receive from you any suggestions or ideas which will enhance the composition of our bulletin.

We also hope that in reading "The Young Israelite" you will draw closer to our organization, and lend us a helping hand in our sacred work!

**THE RABBI, OFFICERS AND  
BOARD OF DIRECTORS**

extend their heartiest Rosh Hashonah greetings to all members and friends of YOUNG ISRAEL of PARKCHESTER.

May the New Year 5718 herald the birth of a new era of universal peace and justice.

**WELCOME TO OUR SERVICES****(4) CHILD RELATION**

Children under six should not be brought to the High Holy Day Service. You cannot expect children of that age to remain quiet or keep from running or walking about the synagogue. In addition, there is an almost irresistible impulse on the part of adult worshippers to show some sign of affection for these children whom all of us so deeply love. Their presence, which we happily welcome in all other circumstances, becomes a problem with reference to proper maintenance of synagogue decorum.

**(5) USHERS COMMITTEE:—**

Under the chairmanship of Al Hein and Harry Koppelman a committee of ushers has been appointed to serve during the services. Members of this committee are performing a labor of love. They do their job voluntarily and devotedly. It is expected that our worshippers will cooperate with them in carrying out all the regulations and procedures designed to make our services more dignified, more impressive and more inspiring.

**CHILDREN'S HIGH HOLY DAY SERVICES**

As in previous years, special services will be conducted for our children in classroom 1 upstairs under the able supervision of Michael Horowitz.

These services are scheduled from 9:30 to 10:30 A.M. for the children of our first and second grades; and at 10:45 A.M. for children of all other grades.

**HEBREW SCHOOL OPEN**

Our Hebrew School opened the new term on Sept. 10th. However, there is still time for your child to register in our school and catch up with his class — if you bring him in **NOW**.

We are accepting Beginner students up to the age of nine. This is in consonance with our school policy requiring a minimum four year pre-Bar Mitzvah education.

Our Hebrew School Curriculum is designed to help your child develop into a well-adjusted adult Jew who can take his place in the American-Jewish Community.

**Our Hebrew School aims to help your child learn:**

The ideals of the Bible, Jewish concepts and values.

The elements of the Hebrew language and literature.

The laws, customs and practices of the Synagogue and of Jewish living.

The meaning and importance of the Sabbath and of the Jewish Festivals.

Jewish History and the Jewish life of other lands.

The place of Israel in the life of the American Jew.

The harmony between Jewish and American ideals.

## FOR YOUNG ISRAEL

There is much to be done by all of us this coming year. May this New Year bring us into closer relationship so that we may continue to spread the influence of Young Israel in our community and expand our activities within the building.

I sincerely hope that at the end of the year all of us will be happy with the accomplishments achieved by the joint efforts of all our members.

My best wishes for a happy, healthful and prosperous New Year.

SIDNEY SUSSMAN,  
President of Young Israel

## FOR THE MEN'S CLUB

I hope all our members and their families had an enjoyable summer. At our last meeting in June, the membership voted unanimously to admit all paid up members of Young Israel to free membership in the Men's Club.

We hope this step will revitalize the Men's Club. We have an ambitious program planned for this Fall. For the early part of November, we will have a Bazaar lasting 2 days. In conjunction with the bazaar we will have a raffle for a portable T.V.

Our New Year's Eve affair promises to be the best we have yet had.

Our first Fall meeting will take place on Thursday, Sept. 19. All future meetings will take place on the 3rd Thursday of each month.

I am looking forward to a large turnout of our members at all of our meetings. Come out and help us do big things for Young Israel.

I want to wish at this time, to all our members and their families a very healthy and happy New Year.

HARRY KOPPELMAN,  
President Men's Club

## AN URGENT REMINDER

Members are urgently reminded to send in their membership dues for the current year if they have not already done so.

It is of utmost importance that dues be received before the High Holy Days.

We respectfully ask our members to cooperate in this vital matter since funds are sorely needed.

## FOR THE WOMEN'S LEAGUE

Welcome back to the activities and privileges a Young Israel woman enjoys.

Our first membership meeting will take place on Wednesday, Sept. 11th.

Since this meeting occurs exactly two weeks before Rosh Hashonah, our Program Committee has planned some delightful "Holiday Specials," for us all.

Haven't you ever wished you could join in the inspiring congregational singing which makes Young Israel Holidays and Sabbath services so special? Come to this first meeting and see how easily you can learn the beautiful melodies and their place in the service.

Perhaps we can share some new holiday recipes and customs too, so that this Rosh Hashonah may be more wonderful and meaningful than ever before.

Refreshments will be provided by Esther Shapin and Eugenie Shulman who want to share with us the Simchas of the marriage of their respective daughters. Mazel Tov!

I look forward in happy anticipation, to our first meeting and greetings on September 11th.

JEANETTE ROBINSON,  
President Women's League
