Now that the holidays are over the busy Young Israel of Parkchester schedule is moving into high gear. You will find the evidence throughout this issue of the Young Israelite. I would like to highlight three of the upcoming events.

The first General Membership meeting will take place, please G-d, on Sunday, November 21st. At that time each of our committee chairmen will render a full report of the progress and future plans of his committee. You will have the opportunity to ask questions and offer suggestions. Of particular note will be an up-to-date report of our Budget Committee of Abe Gewertz, Sam Pausack and Max Spielberger. This administration and its Executive Board are looking forward to a huge turnout.

Another of the highlights is the commencement of a new term of our Adult Education Institute. Classes in Mishnah, Bible, Siddur, Basic Judaism and Hebrew have already begun and it is heartening to see some new faces in the classes in addition to the over one hundred returning students. In formation is a class in Jewish history to be offered during the daytime and an additional class in Elementary Hebrew to be offered in the evening. Please contact the office to signify your interest so that you will be sure to receive all future communications concerning these classes. Our Adult Institute is a source of pride for ourselves and of admiration from others. Let us continue to see it grow.

I have saved the most exciting for last. On February 20, 1977, we shall gather for our annual banquet at the Community Center of Israel on the Esplanade. The committee has seen fit to designate this

year's affair as an "Aishes Chayil" Banquet, and has chosen as guests of honor Mrs. Anna Cheynovitz, Mrs. Sara Orinofsky, Mrs. Rose Rosenblum and Mrs. Bella Roth. What a beautiful tribute. What a wonderful selection. Here are four women who have dedicated themselves to the fulfillment of the ideals of Jewish life. They are women of charity and of deeds of kindness — g'millas chesed. They will bring grace and beauty to our dinner. Truly, is they who will honor us with their presence.

In conjunction with the Annual Dinner, I am pleased to announced the appointment of Dr. Ellis Rich to serve as General Banquet Chairman. I am confident that under his leadership our Banquet will be an overwhelming success.

President

## Institute of Adult Jewish Studies

### 5737 — 1976-77 PROGRAM

As we enter the 37th year of our Young Israel of Parkchester, we are imbued not only with a spirit of pride in our past accomplishments, but we view the future with a spirit of rededication. This can only be achieved by the study of Torah and continued education giving us a firm grasp of the basic intellectual and spiritual principles of our ancient heritage.

Our program of study is a modest attempt to help stimulate greater intellectual participation and inquiry on the part of our Parkchester Jewish Community. It is earnestly hoped that each one of us will be able to pursue at least one course of study and help our Young Israel make what is perhaps its most important contribution to the perpetuation of Torah Judaism.

Courses are open to both men and women and you are urged to participate in this comprehensive program of Adult Jewish Education.

Our Institute is affiliated with the Department of Adult Education of Yeshiva University and the National Council of Young Israel. A nominal registration fee of \$2.00 entitles the student to formal accreditation by the University and Council.

**REGULAR CLASSES** — Meet regularly from the first week in November through April.

#### **Bible — Monday 8:00 - 9:00 P.M.**

A comprehensive study of our Torah, giving the student an insight into the meaning and interpretation of classic and modern commentaries. This popular class is at the present time engaged in the study of the Fourth Book of the Bible, Numbers (Bamidbar).

#### **Basic Judaism — Monday 9:00 - 10:00 P.M.**

Designed to acquaint the student with the meaning and concept of Jewish law, tradition, ritual and ceremony. Active group discussion is an essential part of the course. Timely and conversational subjects are discussed in depth.

#### **Bible Class for Women — Tuesday morning 10:00 A.M.**

A survey course of our Torah, especially designed to help the modern American Jewish woman have an understanding of the Book of Books.

#### **Hebrew & Siddur (Classes for Women) — Tuesday morning 11:00 A.M.**

Section I — 11:00 A.M. — Beginners (No previous knowledge required)

Section II — 11:00 A.M. — Advanced

The purpose of this course is to enable the student to obtain a reading knowledge of Hebrew and learn the basic prayers of our Prayer Book, the Siddur. These courses are sponsored by the Women's League and is followed by a luncheon in Levin Hall.

#### **Mishna Breakfast Series**

In order to encourage the study of the Mishna, which is the Six Orders of The Oral Law, the Adult Education Committee is once again sponsoring a Breakfast Series to commence every Sunday morning, at 9:30 A.M. After a traditional breakfast of lox, bagel, coffee, etc., Rabbi Schwartz will lead a discussion over selected Mishnayot. This series will prove most illuminating to those who have never had the opportunity to study any parts of the Oral Law. Those who attended last year's most successful series reaped a great deal of educational benefit. The group will be continuing the study of Pesachim, which deals with Passover laws.

#### **Talmud — Saturday aft. (One hour before Mincha throughout the year)**

A study of the Oral Law with the use of Talmudic Study opens new vistas of Jewish learning for the student and gives him a keen sense of perception and analytical study. This year the class will continue studying Bezaḥ.

(Continued on Page 4)

**Adult Jewish Studies (Cont'd)****Ein Yaakov (Legends of the Talmud) and Shulchan Aruch (Code of the Jewish Law)**

This class is conducted daily throughout the year in the main synagogue, between the Mincha and Maariv services in the evening.

**ANNOUNCING TWO NEW CLASSES**

**Jewish History** — For men and women to be held during the day. Time to be announced at opening lecture.

**Beginners Hebrew** — For men and women

Wednesday evenings at 8 P.M. Class begins November 24th.

The Institute will be only too happy to arrange other classes in various subjects if the registration warrants it. This can be accomplished by signifying your desire by calling our office.

**Men's Club****From the President**

Many articles have been written, many conferences were called and many discussions were held on the topic "The Arab Boycott Against Israel." Since it is imperative that all loyal Arabs avoid any and all contact with Jewish influences, the following instructions issued by members of the Arab League must be strictly followed:

An Arab who has heart disease must not use digitalis, which comes from the Jew LUDWIG FRANKE. If he has a toothache, an Arab must not use cocaine, or he will benefit by the discoveries of the Jews, WIDEL and WEILL.

If an Arab has diabetes, he must not use insulin, because of the research work of the Jew WINKOWSKY. If he has a headache, he must shun pyramidon and antipyrin because of the Jews SPIRO and ELLEGE. They must likewise with their psychic ailments because FREUD, the father of Psychoanalysis, was also a Jew.

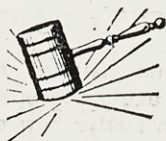

An Arab who has syphilis must not allow himself to be cured by salvarsan, because it was discovered by a Jew,

EHRlich. He must not even take steps to find out whether he has syphilis, because the Wasserman test, which is used for that purpose, is also a discovery of a Jew.

An Arab whom diptheria has overtaken, should not use the Schick reaction for cure because the Jew, BELLA SCHICK was its inventor. Arabs of all ages must forego the use of vitamins because the discoverer of their special nutritional value was a Jew, KASIMIR FUNK. Arabs should continue to die or remain crippled by infantile paralysis, because the discoverer of the anti-polio myelitis vaccine is a Jew, JONAS SALK. Arabs must refuse to use streptomycin and continue to die of tuberculosis because a Jew, ZALMAN WAXMAN, invented the wonder drug against this killing disease.

Arab doctors must discard all discoveries and improvements of the Nobel Prize Men — VOLITEAR, BARANGOJ and OTTO WARBURG, of the dermatologist, JUDAS SEHN BENEDICT, of the lung specialist FRAWNKEL and many other world-renowned Jewish scientists and medical experts.

## Women's League

### From the President

We have arrived at that time of the year when the pleasant Fall days, accompanied by stimulating air and vibrant colors of this season inspire us with the desire to be busy and active. This applies most especially to our officers, project chairmen and their committees as well as other member who keep the "wheels turning" in our Women's League. We are fortunate in being surrounded with members who give much time and effort to their respective undertakings and it is our feeling that all other members should do their share by cooperating in every way possible to help make each project successful. Our thanks to every one who participates.

November is Jewish Book Month. Resolve to take the courses available in the Synagogue. Commit yourselves to reading books on Jewish subjects and by Jewish writers, for this knowledge is our wealth. In addition, whenever the opportunity presents itself, give this kind of book as a gift.

Be a committee of one (or more) — pay a visit either in person or by phone or letter to members who, for one reason or another, cannot attend our meetings or functions. This is a good way to show them that they are missed — a very much appreciated gesture.

Tickets are available for the one and only Jewish show, "The Rise of David Levinsky" on Sunday, December 19th at 5:30 P.M. at Central Synagogue Theatre, 123 East 55th Street (near Lexington Avenue) N. Y. C. Travelling is easy and the area is safe! Contact Harry or Norma Brooks for tickets.

Many thanks to Gert Drillings and Frances and Sam Pausack for the delicious refreshments at our October meeting in honor of their new grandchildren.

Welcome back to Rae and Max Pollack from a very pleasant five week trip to Israel.

Bess and Max Vegotsky will soon be leaving for their annual winter's stay in California.

Happy Israeli trip to Rose Weinstein (this is a lovely birthday present).

It's good to know that May Fisher and

Herman Reisman (Esther's husband) are improved after being hospitalized.

Our best wishes for good health are extended to Sol Spitz (Fay's husband).

If there is any news pertaining to members and your families that you would like to have printed in The Young Israelite, please contact Fannie Brown, our News Reporter.

Please note that our December, January and February meetings have been planned for Sunday mornings with interesting programs already scheduled.

Hope to see you all at our meetings.

*Norma Brooks,*  
President

*To our Dear Friends at Young Israel of Parkchester, and its affiliated groups The Men's Club and Women's League:*

I want to express my thanks to all of you for your many cards, very meaningful notes, personal visits, phone calls, etc. Everything helps a little.

My family and I have suffered a great loss, but we are consoled that Lou did make his mark in life, and everyone who knew him respected and loved him. He gave of himself and helped others, even when he was not well enough to do so.

We also want to thank all of you who sent contributions in his memory to many worthy causes.

Your special contributions sent to Young Israel will be used to install a stained glass window in his memory. I know this would have made him very proud, as he loved his Synagogue and his dear Rabbi.

Rabbi Schwartz made many visits to Lou and was a great comfort to him. I know the Rabbi does not expect thanks, as he does these things from the heart, but my children and I want you to know Rabbi, that we are deeply grateful.

Again, let me express my thanks to all of you for myself and my children, and may G-d grant you health and peace for the coming New Year.

Sincerely,  
Evelyn Friedman
